TUESDAY, JULY 10, 1945
MORNING SESSION

President ARVOLD: (10:10 A. M.) Nobles, the meeting will please come to order.

This morning I would like to ask Rex Hammers to give his verbal report of the Committee on Public Relations while we are waiting for the Board. During this third week in January the Board of Directors authorized a committee on Public Relations, and the committee consists of Nobles Karl Rex Hammers as chairman, William H. Woodfield, Jr., Harold Lloyd, Roland Baldwin and Harvey Beffa.

REPORT OF COMMITTEE ON PUBLIC RELATIONS

Noble HAMMERS: Your Committee, as explained to you by the Imperial Potentate, met yesterday afternoon and went over briefly various proposals and details. It has been thought for several years, and come to a climax this year, that public relations were something that should be utilized to the fullest extent to create a wholesome respect for this great fraternal Order of ours.

The committee, scattered as it was, it has been very hard to get things together, but we did secure some very nice responses and some very fine ideas.

The committee was given authority to approach national advertising concerns and submit to the Divan and officers at the next meeting a publicity program. We realize that we must be realistic; that every business or charitable organization or fraternal or religious organization has something to sell to the public.

The Shrine has two things to sell—first, the fraternal organization; second, the charitable organization, first to our members and second to the general public; and I believe you will agree, that we should do well to publicize both.

We had hoped to get together, but unfortunately we were unable to do so until our meeting here in Chicago, and some very fine ideas developed here.

On the investigations we have gone through some thirty different agencies or public relations organizations. Don't confuse, gentlemen, advertising with public relations. Public relations is a separate and distinct business, and for that purpose we found this in consulting expert counsel—and I might mention in passing that one of those counsel was the advertising chief of the company with which I am associated, one of the best versed in advertising in the country. I was very much in accord with the proposition as he outlined things to me, and when we got to investigating the various companies we found one, and he was so sold on the proposition that our company has taken them on before we had an opportunity to do so—not in advertising but in public relations.

Now this company I speak of is Ketchum, MacLeod and Grove. That you may know just a little about them I would like to explain briefly who they are. The firm is 26 years old and from it has stemmed Ketchum, MacLeod and Grove, a national advertising agency under the same control and ownership. It represents such clients as the Koppers Company, National Steel

Corporation, A. M. Byers, Baldwin Locomotive Works, American Gas Association, Commonwealth of Pennsylvania, Westinghouse Air Brake Company, and numerous others. It does part of the advertising of the Westinghouse & Aluminum Company of America. Also has several clients in such eastern cities as Baltimore, Philadelphia and New York.

It has a business personnel of 110, which will be increased as staff members gradually return from the service. Colonel Ketchum, by the way, who has returned since VE-Day, was on General Eisenhower's staff. He is really a power, and in our discussions yesterday we were anxious, if possible, to have him here. Deputy Imperial Potentate Woodfield was particularly anxious to have him here. I called him by long distance but it was impossible.

He has handled public relations for a number of companies. Here is something I wish you to remember. All of the firm members are Masons. So are the staff members. Two of the staff men are Shriners, the treasurer being a member of Syria Temple.

Now I would like to present to you the presentation of Ketchum, Inc. as it comes to our committee:

We deeply appreciate the opportunity to recommend to the Public Relations Committee a program which we believe could add greatly to the effectiveness of the extremely valuable work which the Ancient Arabic Order Nobles of the Mystic Shrine is doing and a public appreciation of the Order. If we are given an opportunity, under the direction of your Committee, to put the following recommendations into effect, we shall try to justify your confidence.

One of the distinguishing characteristics of a true public relations program is flexibility, the capacity to envision and to accomplish new objectives. The program must be dynamic. It cannot intelligently be presented as something completely pre-determined, which can be fitted into a compartment. One of the invariable values of a public relations organization worth hiring is its capacity to adapt itself to changing conditions, and one of the things it has to sell is the ability to see and meet the necessity for such changes.

With all that, there are several clearly definable objectives which, in the case of the Shrine, a public relations program should be designed to attain. Certainly you will want the Order's public relations to be directed, among others, to these ends:

a . . . To make better known to your membership, to other potential supporters, and to the public generally, the service, facilities and possibilities of your magnificent group of Hospitals for Crippled Children. This is one part of the program in which adequate, well-settled, intelligently timed publicity will of itself accomplish a large part of the specific objective, but it ought, nevertheless, to be carefully designed to enlist the maximum financial support and influence, and I believe that our long experience as one of the two principal firms in the field of hospital fundraising, with its incident publicity, ought to give us an especial qualification to shape this effort.

b . . . Through constant development of interest in the hospital movement, to stimulate the taking of life memberships in it.

c . . . To make better known, within the scope of its purpose, the activities of the Imperial organization; to bring about more dignified and constructive publicity concerning its Conclaves; to interest the public in such of its activities as have a general application or significance; to present, as occasion warrants, statements from the Imperial Potentate, and other authorities, Shrine authorities, on matters of general interest.

d . . . Through both the general publicity, and carefully-directed internal information attractively presented, to increase the desire for membership in the Shrine on the part of those eligible. This program ought to result, over the course of a little time, in helping to stimulate interest in Free Masonry, which in turn would naturally result in an increase in petitions for membership in the Craft.

... To improve the quality and effectiveness of the magazine, through suggestions which will integrate it with the general public relations program. I do not understand that you wish us to make any proposal involving the editing of the magazine.

These subjects and others can be accomplished through the media of the newspapers, in news items and feature stories, the radio similarly utilized, and magazines of general circulation in which articles can be placed, each tailored to the particular needs of the publication. None of this material should be written or identified as propaganda. As much as possible of it should be visibly originated by members of the staffs of the respective publications or radio stations, assisted and stimulated by your public relations staff. One of the collateral activities we would expect to undertake would be the provision of such data regarding the Shrine as would provide background for free comment by all media of publicity as occasion arises.

It is no more possible to say exactly how much time or exactly how many dollars must be given to such an undertaking than it is to arbitrarily fix a boundary for it.

A program involving such a widespread and influential Order, with interests of such significance, should not be undertaken on too petty a scale. Probably the practical and thoroughly defensible way to go about it is to set up a machinery which we are sure can accomplish the basic and early steps, and to say that as the work develops it will become clearer just how far it can and should go—and that every step will be under the immediate control of your Committee.

We should not like to undertake such a service without assigning to it full time of two experienced, proven public relations specialists, with the supervision and frequent attention of one of our firm members. They would need a budget sufficient to cover the necessary stenographic and clerical help, office supplies, telephone and telegraph, photographs, distribution of publicity material, travel, entertainment, and so forth, both through the year, and particularly in connection with the Conclave, at which so much originates.

We will furnish the requisite service, including supervision, at a fee of \$30,000 for the first year. For the quantity and quality of service which we presume necessary, this fee is probably too low, but we can determine that before the year is out, and you can judge, on the basis of the visible results from our work, whether you are interested in increasing it thereafter. The other items of expense, assuming you are in position to provide housing for the Public Relations Division in your permanent headquarters, would not exceed \$18,000, and might be somewhat less. In any event, a total budget of \$48,000 will cover the program.

We recommend that preparations be completed in time to inaugurate the program on October 1, 1945.

Of course we should be glad to discuss the recommendations with you or with your committee, and I want again to thank you for this opportunity.

Respectfully submitted,

KETCHUM, INC.

CARLTON G. KETCHUM

Let me add to this, Nobles, that in talking further with Carlton Ketchum he made this statement, he is so thoroughly confident of what they can do. I said, "This ties us up for some time and we don't know the results." He said he was willing to write a contract with a four months' cancellation clause. In other words, at any time after four months, or in four months after that, it would be possible to cancel the contract.

I understand the Board of Trustees, Shriners Hospitals for Crippled Children in their meetings have looked favorably upon a proposal of public relations and have voiced a sentiment of appropriating \$25,000 to carry the work on; and in presenting this proposal we would ask for a similar amount to carry on the work and its necessary expenditures if you deem it worthy of trial.

I thank you, Imperial Sir, for the interesting assignment, and I now place the matter in your hands. (Applause)

President ARVOLD: Nobles, this is open for discussion. It is not open for action, and I will ask Noble Karl Rex Hammers, Imperial Chief Rabban, to resume the stand and let you ask him some questions.

Noble WOODFIELD: I would just like to express myself. At the meeting of the Hospital Board we took this proposition up and suggested to them that there has been a lot of haphazard publicity in relation to the Shrine, so-called amateur publicity. We have never really attempted to carry on a public relations program in a high-class manner the same as any big business concern would do.

We discussed a public relations program at the Hospital Board meeting—every member was present and voted for this program—that the Hospital Board appropriate the sum of \$25,000, and Council will equal that sum; that a committee of five be appointed, to include two members of the Hospital Board appropriate the sum of \$25,000, and the Imperial Council will equal that sum; that a committee of five be appointed, to include two members of the Hospital Board and two members of the Imperial Council, the Imperial Potentate be the fifth member, and they to consider the proposals that are before us and decide the best company to employ.

This report that our friend Karl has brought in is a very fine report, but it would be a matter for the committee of five to make the final selection of the company to carry on the program.

As Karl has pointed out, this particular company specializes in public relations, and I personally am very much in favor of the program. We view it in the Hospital Board that not to exceed \$25,000 a year properly spent should bring in tremendous returns in legacies. We have proved that in our East-West game at San Francisco. I understand that legacies by our San Francisco Hospital are greater than the legacies of any other Hospitals. This is due to the fact that the San Francisco Hospital is kept alive in the minds of the public, by the East-West game. I very much favor, and am very anxious to see this program go through, and that \$50,000.00 (\$25,000.00) from each corporation be appropriated. An excellent feature about Ketchum, Inc. is they are so confident of their ability to produce results within a period of four months to our satisfaction that they have put in a clause that we can cancel if we do not see visible results within a four months' period.

President ARVOLD: We would like to get your reaction on this matter. It is something that we think is worthwhile. Karl is ready to answer your questions.

Noble FIEBACH: Imperial Sir, you may remember two years ago I reported to the Board of Directors that during my year, instead of spending money on an Imperial Potentate's secretary I had employed a publicity agency to handle publicity for the Shrine as well as the Hospitals. Through that agency there was sent to every newspaper in every city visited by the Imperial Potentate material for about four articles, on the origin of the Shrine, on the founding of the Hospitals, on the work of the Hospitals during the 20 years of their existence, and other features of the Shrine, including the East-West game featured on the West coast.

Now I admit that through this humble agency in Cleveland we did not get the publicity that we should have gotten in all the large cities. But just as an example of what can be accomplished by a little effort of that kind—in towns like Butte, Montana the newspaper devoted a whole front page and featured all four articles at one time in the paper about the Mystic Shrine and the Hospitals.

In a town like Amarillo, Texas the newspaper gave the whole edition of their newspaper about the time of the official visitation to the Shrine and the Hospitals. And in countless other cities among the 150 Shrine cities which I visited during my year the newspapers gave part—large parts of this publicity in their paper during the visitation.

Now I realize that during 1944, and 1942 and 1943 we were still in tough going. We were just getting over the hump. We showed the first small gain in Shrine membership during '42 that we had had in 17 years. But I attribute a very large part of the success of getting over the hump, not only in Shrine membership but in accelerating interest in and increasing the sale of Life Memberships, to the work of the Nesbit Company in Cleveland in getting us newspaper publicity in the cities that I visited.

Now I am mighty happy that the idea has developed and has taken on a magnitude that is justified by the progress the Shrine has made in the last three years. I think it is the most thrilling thing in the world to see the way the Shrine membership has jumped from the 1,622 gain that we had in 1942 to the magnificent number of 53,000 and some odd that we gained in 1944. And I am glad that the Life Memberships in Freeland Kendrick's great charitable project have increased from the 9,000 odd that we had at the beginning of '42 to the 70,000 odd that we have now, and that our Permanent Endowment Fund has increased from the six million that we had in 1942 to the fifteen million, or thereabouts, we have at the present time.

It is the fulfillment of the wildest dreams of the most optimistic of us, and I believe this the way to show our spirit. We are in a great project; we have got a great corporation here; and we ought to have a Public Relations Department established and back it up by finances that will put it on a par with other 20, 30 or 40 million dollar corporations that we know of around the country that are spending like sums or immensely more, in public relations and publicity. God bless you, and I hope you put it across, and I hope you spend the \$50,000. (Applause)

President ARYOLD: Are there any other reactions before we proceed with the next item? You know lots of times, as the old philosopher said, it is through differences that you make progress.

Karl, it is a very fine report, and I appreciate the work that you have done on it.

I would like to have the report of the Treasurer read here this morning. This is the Iowa corporation. I think it is a wonderful report and I think that you who are here from elsewhere, shall I say, should hear it so that you can carry back these particular statements.

Noble STEUART: I will just read the recapitulation figures, as the complete report will be printed.

Respectfully submitted,

Yours in the Faith,

L. P. STEUART,

Imperial Treasurer, A. A. O. N. M. S.

President ARVOLD: That is a wonderful report. I want to commend you upon the way you have looked after our funds. It is appreciated by your Imperial Potentate, Len, more than words can tell. It has always been my contention that in the Iowa corporation we should keep at least half a million dollars in its treasury. We never know what is coming, and I think it is only just and fair that we do that.

Nobles, the next report I am going to ask for is the report on Membership from our Imperial Recorder. This is a wonderful report on the membership of this Order.

Noble JACOBS: Imperial Sir, I have the printed report of the membership as of December 31st last. I think there are enough copies to give one to each of you. I will read the summary of the year ending December 31, 1944. (Reading)

Following is the complete report of the Imperial Recorder:

ANNUAL REPORT OF EVERETT W. JACOBS
IMPERIAL RECORDER, A.A.O.N.M.S.

MARCH 1, 1944, TO FEBRUARY 28, 1945

To the Imperial Potentate, Officers and Members of the Imperial Council, A.A.O.N.M.S.:

NOBLES:

As Imperial Recorder, I desire to submit the following detailed statement showing transactions of the Imperial Recorder's office for the fiscal period ending February 28th, 1945

The past year has been a most satisfactory one as to the increase in membership, it being 53, 229.

I reference to collections, this has also been a banner year and all subordinate Temples have been most cooperative in meeting their obligations to the Imperial Council. Every subordinate Temple, as of April 1st, 1945, has met its obligations in full as to per capita dues and Hospital Assessment in accordance with the Code, and a majority of the Temples have paid in full. Reference is made to the Auditor's report under Schedule I for a complete statement of the receipts of the office and remittances to the Imperial Treasurer.

From the Election Returns of subordinate Temples it appears that there are at the present time six hundred and seventy-eight (678) members of the Imperial Council as follows:

Number of Ad Vitam Members	15
Number of Emeritus Members	50
Number of Representatives at Large	12
Number of Honorary Members	2
Number of Elected Representatives	599
	678

Statistical information regarding the jurisdiction at large and the various Temples is shown on the following pages.

I desire to express my sincere appreciation of the helpful cooperation of the Imperial Council officers and Committees and officers of subordinate Temples.

Sincerely yours in the Faith,

EVERETT W. JACOBS,

Imperial Recorder.

We only have one Temple which showed a loss during 1944. Since that time I can give you a complete report for the first five months of 1945:

Membership, December 31, 1944.....	386,174

Creations reported for month of June.....	6,289
Membership June 30, 1945.....	414,021
Gain as of June 30, 1945.....	27,847

Actually the net gain for the first six months would be greater, because we have the detailed reports from the Temples coming in during the month of July for June, so you will have your Affiliations and Restorations and other Creations which have not been reported to be added.

President ARVOLD: 414,000 members of the Mystic Shrine to date. In fact, there are a few more. This was June 30th. When he gets all the reports there will probably be 415,000 Nobles of the Mystic Shrine—something I think every Temple in North America should be proud of. I want to congratulate those who made it possible—not only those who made it possible, but the fine way that our Imperial Recorder has kept track of these particular members.

When you take 414,000 Nobles it means something in Shrinedom and fraternalism in this great country of ours, and in the various places that I have visited I have made the remark, and I doubt whether you will agree with me, when you get up to 500,000 it will probably be a good time to stop and make them ask to get in. 500,000 American gentlemen would be a great asset to

our society and our civilization. Am I wrong? If I am, I am at an age where I am willing to stand corrected. I have talked that and I really believe it in my heart.

Now I am going to ask the Imperial Recorder to give you the total number of permanent and voluntary contributing members.

Noble JACOBS: In round figures as of the 3rd day of July we have 70,300. It is a few less than that, but reports that have come in since then will more than equal that figure.

I think that I should perhaps give you the detail of the collections of the Imperial Recorder's office, which the Imperial Treasurer did not give you, and which ordinarily you would have had. (Reading from report) Total, \$342,235.75 collected for the account of the Imperial Council.

Shriners Hospitals for Crippled Children:

Assessments collected.....	\$ 813,664.10

Contributions, bequests, etc.....	610,600.48

Total Collections for the account of Shriners

Hospitals for Crippled Children.....	\$2,845,195.93
--------------------------------------	----------------

The total collections of the Imperial Recorder's office for both corporations for the year ending February 28, 1945 was \$3,187,431.68. Of course your Treasurer's report shows the receipt of those funds.

President ARVOLD: I thank you, Imperial Recorder. I think that is an enviable record for this Order. You recall that in Milwaukee when we had an open forum that the Imperial Potentate asked for a membership of 400,000 Nobles. He has been watching the figures continually day in and day out and night in and night out.

I think Noble Freeland Kendrick will remember that he said 60,000 Crippled Children's memberships at \$60. Today there are 70,400 Crippled Children's memberships at \$60.

OPERATIONS

Based on the reports of the subordinate Temples filed with the Imperial Recorder, there was a net gain in membership of 53,229 during the calendar year 1944 as compared with a net gain of 25,354 during the calendar year 1943. A summary of the changes in memberships during the two years is as follows:

	YEAR ENDED DECEMBER 31	
	1944	1943
Additions:		
Creations.....	54,622	30,010
Affiliations and restorations.....	12,092	9,795

Deductions:		
Deaths.....	7,629	7,243
Demits.....	2,457	2,378
Suspensions.....	3,399	4,830
Total deductions.....	13,485	14,451
Net gain during the year.....	53,229	25,354
Membership at beginning of year.....	332,945	307,591
Membership at end of year.....	386,174	332,945

The net income of the Council for the fiscal year ended February 28, 1945, amounted to \$66,789.68 as compared with a net income of \$9,154.07 for the preceding fiscal year, as shown in the accompanying Exhibit "B". The increase in the number of creations during the fiscal year, as well as the net increase in membership, resulted in an increase in income of \$60,300 from initiation fees and \$26,587 in annual dues. Total expenses increased \$26,870, resulting principally from the following: \$2,500 in Imperial Potentate's contingent fund; \$2,000 in salary of Imperial Treasurer (restoring salary to \$5,000 annually); \$2,880 in insurance premiums, occasioned by renewal of owners', landlords', and tenants' public liability policy until February 24, 1947; \$4,370 in printing membership certificates; \$6,200 in expenses of special and standing committees (Board of Directors met twice during fiscal year in addition to its annual session); \$8,460 in Imperial Council session expenses; and, \$3,000 in auditing fee and expenses. There was a reduction of \$5,000 in contributions to charitable organizations. The saving resulting from the discontinuance of the office of assistant to Imperial Recorder was substantially offset by the increase in clerical salaries of Imperial Recorder's office.

The accompanying Exhibit "C" shows that the actual expenditures for the fiscal year under review were \$27,316.58 less than the appropriations recommended by the Committee on Finance and Accounts and approved by the Imperial Council at its July 7, 1944 session, adjusted for appropriations authorized by the Board of Directors at its meeting on January 24, 1945. Of this amount, however, \$15,000 represents an appropriation for remodeling the Memorial Room in the George Washington Memorial at Alexandria, Virginia, and \$5,000 represents an appropriation, one-half of which is for embellishing the Shrine News and the other one-half for survey purposes. The actual expenditures against these appropriations will be made during the ensuing year.

Schedule "5" shows that the net cost of publishing the Shrine News for the year ended February 28, 1945, was \$5,658.50, which compares with a net cost of \$5,614.90 for the preceding year.

The accompanying Schedules "1" and "2" present the cash receipts and disbursements of the Imperial Recorder and Imperial Treasurer, respectively, for the fiscal year ended February 28, 1945. These schedules, in effect, supplement Exhibits "A" and "B" but differ to some extent inasmuch as the schedules are on a cash basis whereas the exhibits are on an accrual basis.

The amounts due from subordinate Temples at February 28, 1945, are shown in the accompanying Schedule "3".

Requests for confirmation of balances receivable on annual dues were mailed to all Temples except Aloha Temple. Replies were received from all Temples and no exceptions were taken with respect to the amounts due.

The records indicate that collections aggregating \$14,178.80 had been received by the Council during the period from March 1 to May 28, 1945, applicable to these balances.

Pursuant to Section 102, Article XII of the By-laws, every Temple shall remit 50% of its per capita assessment with its annual return to the Imperial Recorder, 35% shall be remitted on or before June 1, and the remaining 15% on or before October 1. Three Temples were delinquent as of February 28, 1945, but, during the period from March 1 to May 28, 1945, two of these Temples have paid their per capita assessment in full, while the other Temple has paid the required minimum of 50%.

IMPERIAL COUNCIL SESSION FUND—\$30,647.00

Pursuant to Section 102, Article XII of By-laws, each subordinate Temple shall pay annually to the Imperial Council a per capita tax in accordance with its membership, namely sixty cents for each member. Ten cents of each per capita tax paid shall be segregated and used exclusively for such aid to the Host Temple or its organization, entertaining the Sessions of the Imperial Council, as may be ordered by the Imperial Potentate, provided that the expenditure in any one year shall not exceed the amount collected that year.

The amount of \$30,647 represents the ten cents per capita tax levied and collected for the year 1942, but, inasmuch as the 1942 Session of the

Imperial Council was a business meeting only, the assessment was not used. The Council, at its 1942 Session, authorized that the ten cents assessment for the year 1943 be waived; that the funds collected for the year 1942 shall remain intact for use by the Host Temple for the year 1943, or at any time within twelve months after the proclamation of the Federal Government of the termination of the present national emergency. The national emergency still exists and the Council's annual Sessions have only been business meetings.

Yours truly,

HASKINS & SELLS.

ACCOUNTANTS' CERTIFICATE

We have examined the balance sheet of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America as of February 28, 1945, and the related statement of income and surplus for the year ended that date, have reviewed the accounting procedures of the Council, and have examined its accounting records and other evidence in support of such financial statements. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all auditing procedures we considered necessary, which procedures were applied by tests to the extent we deemed appropriate in view of the system of internal control.

In our opinion, the accompanying balance sheet and statement of income and surplus fairly present the financial condition of the Council at February 28, 1945, and the results of its operations for the year ended that date, in conformity with generally accepted accounting principles and practices applied on a basis consistent with that of the preceding year.

HASKINS & SELLS.

June 30, 1945.

In that respect and in commendation I want to tell you that the report of the Membership Committee which Past Imperial Potentate Thomas C. Law brought into this particular organization, with Noble Munger Ball at its head, is appreciated.

REPORT OF MEMBERSHIP COMMITTEE

To the Officers and Members of The Imperial Council, A.A.O.N.M.S.

Your Committee on Membership respectfully submits the following report:

With a feeling of satisfaction and gratitude we are happy to report that the records on Membership which have been received from the Imperial Recorder's Office reveal an increase in membership of the Shrine of North America amounting to 53,229. This is the third year since 1927 that we have realized a gain in membership; and it is the largest gain since 1922, at which time the gain was 54,351.

During the Imperial Council Session at Milwaukee in 1944, the Potentates, Chief Rabbans and Recorders who were in attendance were challenged to liquidate the loss in membership which occurred in 1934, the greatest loss in membership during a single year in Shrine history. That loss amounted to 52,749. We have met the challenge. Your Committee is grateful to those Officers and Nobles who accepted the challenge that was given. No greater tribute could be paid to such workers than which has been often quoted, "Well done, thy good and faithful servant." We are all servants of the Shrine in its philanthropic work. Hats off to those Nobles who made the turnstiles of Shrine membership click!

In reviewing the records of various regions, groups and individual temples, it is interesting to note that our gain came almost entirely from creations. In comparing the gain that was made last year with the records of previous years we find that the 1944 gain was 1.49 times the gain in 1943, was 4.43 times greater than was the gain in 1942, and six times as great as the loss in 1941. In 1944 affiliations exceed demits by 554, and restorations exceed suspensions by 5,717. It is reasonable to suppose that, with a few exceptions, Nobles demit in order to affiliate with Temples closer to their homes. This is proved by the fact that affiliations were greater than demits.

It has also been proved beyond a doubt that even though a Noble is suspended, he is not definitely lost to the Shrine. Restorations in 1944 amounted to 9,083 while suspensions in 1943 amounted to only 4,830. In further proof of this, during the four years from 1941 to 1944, inclusive, there were 25,004 suspensions and 28,394 restorations. Restorations exceeded suspensions by 3,390 and that does not take into consideration the deaths of some of the Nobles who were suspended during these years. There is yet a great harvest to be gathered in the field of restorations.

During the year 1944 restorations and affiliations lacked only about a thousand equaling the number of demits, suspensions and deaths. This is a very healthy condition for the Shrine.

Masonry is truly on the march. Blue Lodges throughout the country are working overtime. The Scottish Rite are having classes such as were common in 1920, 1921 and 1922. Commanderies are taking on new life and excellent gains are being made. It behooves us to take an active part in the prerequisite bodies. We must coordinate our efforts on membership and make the Shrine the pinnacle of achievement for all worthy brothers.

As a word of caution, let us not become too enthusiastic because of or be blinded by our wonderful gain in membership during the past year. The lessons learned in the past are easily forgotten. We are now at about the same position as we were at the close of World War I. The memory of what took place beginning with 1926 is not pleasant; however, we would do well to re-

view the past and realize that history is apt to repeat itself. There is a surge of prosperity throughout the nation and our gain in membership reflects that prosperity. When depression comes, as it surely will, it will probably be reflected in a loss in membership. Let us remember that an avalanche gains momentum as it advances; it can destroy and tear down in a short space of time that which has taken years to build. We must build our membership on good foundations.

We should be very careful in making restorations. No brother should be solicited for membership in the Shrine unless he can afford to be a member. Again, special stress should be placed upon leadership. The Shrine is regarded as the "cream." More than any other fraternal order it is noted and copied. Its leaders are subject to much adverse criticism. Care must be used in selecting Oriental Guides, for they are the Potentates of the future.

Out of the 159 Temples in North America only one sustained a loss during 1944. The country as a whole had a gain of 16%, or over double the percentage of increase for 1943, which was 8.24%. The 82 Temples comprising the Western Division showed a gain of 29,993. This gain was 17.9%, or 1.9% above the average for the whole of North America. The Eastern Division, which is comprised of 67 Temples, showed a gain of 22,591. This was a gain of 14.5% and 1.5% below the average percentage of gain for North America. The nine Temples comprising the Canadian Division showed a gain of 645, which was a gain of 9.1% or 6.9% below the average.

The Southeast Region had the highest gain with 26.7%. This region was also high in 1943. Second in line was the Southwest Region, which had a gain of 24.2%. This region held the same position last year. It is gratifying to note that both the Eastern and Northeast Regions made good gains this year.

The average gain during 1944 was 334 members per temple. The average gain during 1943 was 160 members per temple. As of December 31, 1943, there were 43 temples which had a membership of less than 1,000. This group had a gain of 5,345 during which 1944, making an average gain of 124 members per temple. There were 71 temples with memberships ranging from 1,000 to 2,000. This group had a gain of 20,694, which is an average gain of 291 per temple. The 27 temples with memberships from 2,000 to 4,000 showed a gain of 13,763, an average of 509 new members per temple. There are 5 temples with memberships from 4,000 to 8,000 and these 5 brought in 9,139 new members with an average gain of 770 per temple. There are also 5 temples with memberships from 4,000 to 8,000 and these 5 brought in 9,139 of 3,766 or 753 per temple.

Cities with populations ranging from 50,000 to 250,000 seem to be the most prolific, for it was cities of this size which produced the greatest percentage of gain. Omar Temple had a membership of 638 on December 31, 1943. On December 31, 1944, that temple had a membership of 1,002—a gain of 57%. A truly fine record! Mizpah Temple was second with a gain of 42.7% and Scimitar Temple was a close third with a gain of 42.4%.

Zamora Temple, with a net gain of 1,267, made the highest gain. Al Koran Temple was second with 1,234. Murat Temple, which made the highest gain during the two previous years, was third with 1,207. Eight temples had creations in excess of 1,000 and six temples had a net gain of more than 1,000.

*Attached to this report is a detailed breakdown of membership for the year 1944, including a record of membership in the Shrine from the year 1888 up to the present time. This record is invaluable as it shows each year's

*The summary of the report is printed herewith. Record of membership figures for the years 1888 through 1943 will be found on page 205 of the 1943 proceedings. gain or loss. A study of the record reveals that membership in the Shrine is directly affected by conditions prevailing in the entire country.

Your Committee does not claim all the credit for the wonderful showing that has been made in membership; however, we do claim credit for producing a plan of co-ordinated effort of the Committee—a plan for cooperation which from its inception has produced marked results. For that reason we wish to recommend to you once more the Membership Plan which was first submitted at Indianapolis in 1940 and which has been used through the past year. More emphasis should be given to the development of territory lying out from the Temple City. The Membership Committee of the Shrine should establish a closer contact with the prerequisite bodies. When an entertainment is planned by a temple it should be planned for the many rather than for the few. Cash is flowing freely into the treasury of every temple. Let it be expended judicially and economically, with a portion of every dollar being set aside for a rainy day. There is no better way to provide for the future than to invest any surplus in War Bonds. Every dollar so invested performs a dual service: first an immediate aid to the war effort and second, a guaranteed reserve for the future.

The Membership Committee wishes to commend the Potentates, the Recorders and the Membership Committees of the various Temples who have entered into the plan of the Imperial Council Membership Committee. The work that has been done by the individual temples is reflected in the fine showing they have made during the past year. Together with the Membership Committee it has been their purpose to stimulate interest in the Shrine as a whole and to build up the membership of their Temples with quality rather than quantity.

We have met our challenge for 1944. We have liquidated the loss of 1934. But we will not cease working! Instead we will redouble our efforts. With the cooperation of every Shriner, what will the harvest of 1945 be?

The Imperial Potentate then summarized his Annual Address entitled "The Mystic Shrine" which had been mailed to each member of the Imperial Council.

The Imperial Potentate's Annual Report

To the Officers, Representatives of The Imperial Council and Nobility Throughout North America and the World:

THE MYSTIC SHRINE

"The Shrine is the humanizing agency of Masonry. Its aim is to stimulate joy in the lives of men, women and children everywhere. It would rather see a smile on a face than a frown. It believes that laughter shakes the cussedness out of individuals. It attracts men because of the philosophy, the friendship, the glamour and the theatre which it contains. It pities the man who has lost all the boy in him. It seeks to keep alive the spirit of youth. The sunshine in the skies is symbolic of the hearts of Nobles everywhere in North America. By aiding the crippled child, it glorifies its spirit of making not only the fortunate, but the unfortunate happy. Thousands of boys and girls, regardless of race or creed, have been cured. The Shrine has made America crippled children conscious. Every Noble's creed is to perpetuate universal happiness in order to make the world a better place in which to live."—RADIO TALK—ALFRED G. ARVOLD, *East-West Football Game, San Francisco, New Year's Day, 1945.*

AN APPRECIATION

It's a source of joy to me to thank all those who have been so genuine and generous in their treatment during my yesteryear, for now I am no longer their leader. In these trying times, it has been a difficult year—that's what makes it a great year. When the road is smooth, it's easy to travel—when it's not you are forced to think and you naturally become resourceful. You and I have had a gorgeous year. We now have over four hundred thousand Nobles in our glorious order. Then, too, there are over seventy thousand crippled childrens' memberships. A greater interest in our ceremonials has been manifested all over the country. They have been worth going miles to see. There has been a finer spirit of friendship everywhere. We are beginning to realize that the Shrine really is the humanizing agency of Masonry. Its possibilities are infinite. We haven't even scratched the surface of what we can do in the future. We want those who lead us in the future to have greater years than those who had led us in the past. That's the way we grow. As we think of the year just passed we are grateful to the state in which we live, to the joint session of the legislature and the Governor in receiving us on January sixteenth, nineteen hundred and forty-five; to the Nobility of El Zagal Temple of Fargo, North Dakota; Kem Temple, Grand Forks, North Dakota for their splendid cooperation and to the Nobility of Tripoli Temple, Milwaukee for their wonderful treatment and beautiful attitude shown us at the time of my election last July and last, but not least to the old home town, Whitewater, Wisconsin where I was born, for their, deep interest in my welfare over the

years. Memories of our yesteryears are always cherished in our future years. Both of us, my sweetheart and myself, are grateful to all of you.

I herewith submit a brief review of the activities during the year.

THE SOUL OF THE SHRINE

In a certain country town there is a blue lodge. It is located on the second floor of an old stone school building. There is a rag carpet on the floor. In one corner stands a large, round oak stove. Near it there is a box chock full of wood. There is a row of bench seats on each side of the hall. In the center of the room stands an altar—on it a large Bible—above it an oil lamp. On the east wall there is a picture of George Washington as Master of his Lodge. Near it, in a frame, there is the charter of the lodge. For days it had been noised around that particular country town that the local merchant, the Master of the Lodge, was going to confer upon his son, Jim, the Master Mason's degree. The night finally came—the brethren filed in and took their seats. Their trousers were baggy—their neckties of varied colors. All of them possessed a lot of character in their faces. The work was sincerely and impressively done. At the close of the degree, the father of Jim stepped forward and said, "Jim, come up here to the east." Jim was long, lanky, awkward and ungainly. He looked like Icabod Crane. He walked bashfully up to the front blushing all the way. His father stepped forward and took hold of Jim's hand and looked him straight in the eye with the pride that only a father has on such an occasion and said, "Jim, this is one of the happiest moments of my life to be your father and to be the Master of this Lodge and to confer upon you the Master Mason's degree. It naturally gives me a great thrill. It teaches you, Jim, to meet men upon the level and part with them on the square. There isn't anything finer in all the world than that philosophy. All of the brothers in the room tonight are men, who meet upon the level and part on the square. It is something your mother taught you, Jim. It is something that your father has always tried to do—to meet men upon the level and part with them on the square."

As he said this, he released Jim's hand, put his thumb up to his eye and wiped away the tears. Jim stood there—he couldn't say anything—he gulped and kinda choked. Then all the brothers in the lodge came around and shook Jim's hand as if they really meant it. Later they went down stairs and had a great big turkey dinner. Jim's mother and the local ladies had roasted the turkey, they had two kinds of pie, apple and pumpkin, and plenty of cranberry sauce. Everything was homemade. Just about midnight everybody left for their homes, some of them drove many miles. For days afterward when anybody saw Jim outside the store they would wave their hand or get out of their old car or carriage and greet him.

It is a great story, nobles, this story of meeting men upon the level and parting with them upon the square.

A boy was born on a farm near Belair, Maryland. When he was young his father gave him a pet lamb. He grew to manhood and seemed to be imbued with the gentleness of that lamb. Coming from a theatrical family he

went on the stage. His name was Edwin Booth. He was five feet seven and a half inches in height. He had coal black hair, streaked with grey, and a face that seemed to be the masterpiece of God. His voice sounded like the majestic tones of a pipe organ mingled with the harp. He could say, "To Be or Not To Be, that is the question" better than anybody else in the entire world. He was an ideal Hamlet. Like Jim he became a Master Mason and met men upon the level and parted with them upon the square. He wanted to be the Master of his Lodge but felt that he couldn't because he was traveling in the theater. The lamb skin and its beauty appealed to him immensely. One night in a certain city in the middle west, four hundred Master Masons gathered in their hall at midnight and gave him a dinner. After the feast was over one of the brethren present stood up and said, "Mr. Booth, recite the most beautiful verse in the English language." Edwin Booth stood up and with all the power of his personality and that splendid voice recited "The Lord's Prayer" so effectively that each one of the Master Masons present in the room that night did like Jim's father, put their thumbs up to their eyes and wiped away their tears.

Edwin Booth had a friend, a boy that was born in Albany, New York. A garage stands on the spot where this friend was born. When the lad was young his father died and left a large family. The boy went down to New York City and got a job in a printing office. He loved to act and at noon he'd entertain the people working in the shop. He'd dance, he'd whistle, he'd imitate and he'd make everybody happy with his talents. His name was William Jermy Florence. They called him Billy Florence for short. He took part in amateur plays and finally went on the stage. Like Jim and Edwin Booth he became a Master Mason and met men upon the level and parted with them upon the square. He married a dancer. He and his wife traveled in many places here and abroad. One night in Liverpool, England he was acting in a play called, "The Almighty Dollar." After the show was over a corpulent man with a gray crinkly beard walked down the aisle, across the stage and rapped at the dressing room door of Mr. Florence. Mr. Florence opened it. He was just taking off his goatee. This man clasped Billy Florence's hand and said, "Mr. Florence, you did a great job tonight—it is one of the greatest interpretations I have ever seen of that play." Folks, that man's name was Charles Dickens, the man, who, with pen and pencil, hand and imagination and literary ability wrote some of the world's greatest novels. Later Florence traveled with his wife in Europe and finally came back to America. They lived in the Fifth Avenue Hotel in New York City, New York. One day he left his residence and walked down the street and went to see a friend of his by the name of Walter Fleming. Fleming was a physician and had treated many actors and actresses for their ills. Both Florence and Fleming were affable, kind, friendly and lovable in their natures. They liked human beings and their fellowmen. In some ways they were like Will Rodgers, who once said he never saw anybody that he didn't like. Fleming usually had a cap upon his head when he was in his office. When Florence came into the room, Fleming was seated beside a table. They greeted each other and then Billy Florence reached down into his inside coat pocket and pulled out a manuscript and threw it on the table and said, "Walter, see what

you can do with that—see whether you can make a ritual out of it.” Well, nobles, Walter went to work and that is the way the Shrine was born. Fleming wrote the beautiful ritual and Florence gave it its color, its pageantry, its glamour and its theater. Little did those two men ever think that today, in North America, there would be one hundred and fifty-nine temples—nine in Canada, one in Honolulu, one in the Panama Canal Zone and one in Mexico City and one hundred and forty-seven in the forty-eight states in the Union. Little did they dream that here would be over four hundred thousand Nobles in North America, men, who, like Jim and Jim’s father and Edwin Booth, meet upon the level and part upon the square.

The Shrine is the humanizing agency of Masonry. Its aim is to stimulate joy in the lives of men, women and children everywhere. It would rather see a smile on a face than a frown. It believes that laughter shakes the cussedness out of individuals. It aims to keep alive the spirit of the boy in a man. It pities a man who has lost all of the boy in him. When he does, life becomes dull and uninteresting. If the Shrine does nothing else in the world but keep that spirit of the boy in man it will have performed a great service to society.

I have a hand, a right hand just like yours. It is symbolical to me of a fraternal family. I often look at it. The first finger, the thumb, represents nearly three million Masons in our country—three million men, who, like Jim, meet upon the level and part upon the square. Then I look at the next finger and see about five hundred thousand Chapter Masons who believe in placing the Keystone in the Arch. Then when I look at the next finger I think of over two hundred and fifty thousand Knights Templars, men who wear the white plumes, men who believe in religious liberty, Knights who hope some day that swords will be beaten into plowshares. Then I look at the next finger and I think of over four hundred thousand Scottish Rite Masons belonging to the Northern and Southern Supreme Councils of the Scottish Rite, folks who are trying to find out the hidden life forces that are in all of us through the beautiful philosophical degrees of the Scottish Rite. Then I look at the last finger and think of four hundred thousand Nobles of the Mystic Shrine who are trying to make the world happy. As I look at this fraternal family I know that all of them have been doing a great work and will continue to do so in the future. Then I look at that right hand again and I think of a blacksmith I know. I used to go to his shop and watch him put his hand around the handle of a hammer. He co-ordinated the strength in each one of his fingers as he grasped the hammer. Then with all the power and might of the hand, the arm and body he made the iron do what he wanted it to do. I have often thought that when the various members of this fraternal family co-ordinate and cooperate they can help make and mold the destiny of North America in a most effective way. Nobles, what are we fighting these battles around the world today for and what have we always fought them for if it isn’t to teach men to meet upon the level and part upon the square, to teach them to build and put the Keystone in the Arch, to show them the spirit of religious liberty, to teach them that this precious existence between birth and death called life is really worth living and, above all, to make men and

women and children happy? I am proud to belong to this great fraternal family as I stand here as your Imperial Potentate and tell this story. I had a doctor friend once—he is dead now. He used to hold up a glass of water and say, "Arvold, there is enough energy in that glass of water to propel a ship." I say to you that there is enough energy in this fraternal family to make a safer, a happier and better life in this world.

Sometimes at night when I leave my home out there in the Land of the Dacotahs I turn around and look at it. It is where my sweetheart, the mother of my son and daughter presides over the destinies of one of the citadels of civilization. Then I go on a ways toward The Little Country Theater, my work shop. I stop and look up at the blue sky. In it I see the moon in the shape of a crescent and near it a star. I say to myself, if the sky can show that star and crescent to all the world, why shouldn't I be proud to wear them upon the lapel of my coat, the star and crescent, the emblem of the Shrine that seeks to bring sunshine into the souls of people everywhere. When you see a person walking down the street and somebody says there goes a Mason, somebody else says there goes a good man; when you see a Noble of the Mystic Shrine going around the corner somebody says there goes a Shriner, somebody else says there goes a good fellow. What is worth more in life than to be a good man or a good fellow?

Folks, I bring you greetings from the Land of the Dacotahs, with its sweeping prairies, its sloping buttes, its cattle kings, its cowboys, its Indians and its seven hundred thousand people. Just as you love your state so do I love this Land of the Dacotahs. All of us belong to a country called America the Beautiful. Illustrious Sir, when I left the University of Wisconsin as a graduate nearly forty years ago I only weighed one hundred and thirty-seven pounds. Today it is nearly twice that amount. I had hair in those days, auburn hair. Somebody over in Birmingham, Alabama once told me that when I reached Atlanta, Georgia not to take my hat or fez off because somebody would say "Gone With the Wind." A great many of you here tonight may think that I have gained weight by over-eating, but that isn't the entire reason. In my student days at the University of Wisconsin I had stooped shoulders. There was a man in the theater there we called, "Frankie." I asked him if he knew how I could get rid of those stooped shoulders and he told me to bend over at the knees every morning and night and touch the floor as if I were rowing a boat. I did this for two years and my shoulders became straight. One night, however, when I stooped over and straightened up, this "durn" thing (my stomach) stuck out and it has never gone back. Your laughter, Nobles, is the sweetest music that greets the human ear. I sometimes think that the Shrine is the show window of Masonry. I believe in keeping that show window as clean and as clear as crystal for in it we see four hundred thousand Nobles laughing and smiling. I can also see one hundred thousand crippled children, cured. They have thrown away their crutches, burned up the splinters that encased their legs and arms and discarded the plaster paris casts that were around their bodies all because of the Nobles of the Mystic Shrine. The Shrine has made North America Crippled Children conscious.

I have a friend who is a poet. He lives in the east. His name is Percy Mackaye. Some years ago he sent me a poem which runs as follows:

"Neighbors and Friends—we have been singing together:
Wherever friends sing together out of their hearts
There God sings with them.
We believe many different ideas, many different creeds—
Tonight let us forget how we differ
Let us remember only how we believe in one great thing—
One Spirit in common—and this is its holy name:
Singing Together."

Nobles, that is the philosophy of this fraternal family—it is the creed of the Shrine. As your Imperial Potentate for the year Nineteen hundred forty-four and five, I stand here tonight a Noble of the Mystic Shrine as one whose heart bubbles over with the spirit of wanting to make everybody happy, one whose soul has been inspired with the great teachings of this fraternal family and as one whose mind is ever thinking and always building with the supreme thought of making this order of ours one of the dynamic forces in shaping a happier and better world. Thank you.

ALFRED G. ARVOLD.

Over a quarter of a million people heard the thought expressed in the above address during the past year. It was never written out—always given extemporaneously.

VISITATION OF SHRINE CLUBS

Nearly every Temple in North America has Shrine Clubs. Most of them are located many miles from the Temple. They are an asset to the Shrine. The Imperial Potentate has visited and spoken to clubs in California, Oregon, Canada, North Dakota, Minnesota, Wisconsin and Michigan. Over forty of them have received visitations. Just as charters are given to Temples so should certificates be given to Shrine Clubs approved by the local Potentate and The Imperial Potentate. Occasional meetings add interest to the club and to the Shrine at large.

ALL MASONIC NIGHTS

Al Kader Temple, Portland, Oregon, Osman Temple, Saint Paul, Minnesota, El Zagal Temple, Fargo, North Dakota and many other temples staged All Masonic Nights during the year. It was my happy privilege to address these meetings. At Portland the crowd was estimated at over three thousand —at Saint Paul over sixty-five hundred and over a thousand at Fargo. All Masonic Nights sponsored by the Shrine are becoming extremely popular thruout North America. They are an asset in fraternal orders everywhere.

FIRST ANNUAL SHRINE PRO-BOWL FOOTBALL GAME

On December 17, 1944 Al Malaikah Temple at Los Angeles, California, staged its First Annual Shrine Pro-Bowl Football Game in Gilmore Stadium. Over fifteen thousand people were present. It was my privilege to help inaugurate this particular game. It is the aim of this splendid temple to build up this attraction so that eventually the Colosseum, with its ninety thousand seating capacity will have to be used. It was an elegant beginning.

THE EAST-WEST GAME

Sixty-five thousand people crowded Kezar Stadium in San Francisco, Monday, January first, nineteen forty-five, to enjoy the Twentieth Annual Game, The All Star East versus The All Star West American Football Classic sponsored by Islam, Aahmes and Ben Ali Temples for the benefit of Shriners Hospitals for Crippled Children, San Francisco Unit. Nearly ninety thousand dollars was realized for the unit. Between halves one of the most colorful patriotic pageants, in which thousands participated, was presented. The world's largest American flag in the center of the arena with the glorious sunshine from a clear blue sky made it an unforgettable sight. Forty-eight

soldiers direct from the battlefields overseas representing forty-eight states in the Union, the Governor of the State of California, and the Imperial Potentate of the Shrine were the guests of honor. Those in charge of this great affair deserve the congratulations of every Noble of the Mystic Shrine in North America.

ATTENDANCE AT MASONIC MEETINGS

It was my privilege to be the guest of the Northern Supreme Council Ancient and Accepted Scottish Rite of Freemasonry at its annual meeting held in Cleveland, Ohio the last week in September. The fine courtesies extended to me by the Thirty-third Degree Masons and the Grand Commander in the person of Melvin Johnson, naturally make me grateful to this fine organization. Among those to receive the Thirty-third Degree was our Imperial Oriental Guide, William Heim. I shall never forget the expression on his face when I congratulated him.

At Saint John, New Brunswick it was my good fortune to witness the Rose Croix Degree. It was the first time I had ever seen Scottish Rite work in Canada.

On Friday evening May eighteenth, nineteen forty-five I attended a beautiful dinner given to the Grand Imperial Council, Red Cross of Constantine of the United States of America held at the Union League Club in Chicago. Saint John's Conclave was the host. Two Past Imperial Potentates Thomas Law and Albert Fiebach were present. Both are Line officers in this great order.

During the year the Red Cross of Constantine tendered breakfasts in my honor at Portland, Oregon; San Francisco, California; Fargo, North Dakota; Sheridan, Wyoming; Salt Lake City, Utah and Denver, Colorado. They were greatly appreciated.

IN OLD MEXICO WITH ANEZEH

Anezeh Temple, Mexico City, Mexico is a great host. It leaves nothing undone when one visits that beautiful country chock full of romance, color and friendship. They not only show you the scenic grandeur, the sunny skies and the fruits and the flowers, but they explain many other traditions. It has been often said that the country is the golden link that connects the two Americas. While there the opportunity was given me to establish a mobile unit of fourteen beds in the Hospital Infantil for the crippled children. If the project is successful it will be continued on a yearly basis. Anezeh Temple is to be commended for its efforts in this humanitarian work. Naturally, the Imperial Potentate wishes to thank the people of Mexico for their genuine hospitality. The Address establishing the mobile unit follows.

"The spirit of the Shrine is felt in every home where there is a crippled child. It is sympathetic with every boy and girl who is handicapped by twisted limbs, a bent back and other physical defects. For over a quarter of a century it has aided, comforted, and cured thousands of children in the United States and Canada. Today it opens another Shriners' Hospital for crippled children in this land of romance and color—Mexico. In its great humanitarian work,

the Shrine knows no boundary. The heart of our Order beats its truest when it can bring a ray of sunshine into the homes of mothers and fathers of crippled children. I, Alfred G. Arvold, Imperial Potentate of the Ancient Arabic Order of The Nobles of the Mystic Shrine for North America, on this tenth day of March, nineteen hundred forty-five do hereby establish in Hospital Infantil, Mexico City, Mexico, a mobile unit of the Shriner's Hospital. May Anezeh Temple ever guard its welfare and give to it loyal and genuine support."

WITH NILE TEMPLE AT KETCHIKAN, ALASKA

It was a source of great pleasure to accompany the Divan of Nile Temple to Ketchikan, Alaska and stage a ceremonial where nearly fifty candidates were initiated in our Order. It was a glorious affair and one that will linger long in the memory of the Nobles who live in that far-away country. The scenic grandeur of the journey naturally made me think of the beautiful fjords that I saw in Norway in the year nineteen hundred and thirty. The hospitality shown by the people of Alaska could not be surpassed. The ceremonial was beautiful. Alaska has a great future for Masonry and Shrinedom. We are grateful to Harold Gray, Illustrious Potentate of Nile Temple and to many other fine Nobles who made this ambition of a life time real. We had always wanted to stage a ceremonial in that great and glorious country, called Alaska.

It was the first time an Imperial Potentate had ever given the obligation to the candidates in Alaska. There are at present four Shrine Clubs in this great northwest country—one at Ketchikan, one at Juneau, one at Fairbanks and one at Anchorage. All of them are in thriving condition.

NAJA'S CEREMONIAL AT MOUNT RUSHMORE

Naja Temple, Deadwood, South Dakota staged a spectacular outdoor ceremonial at the foot of Mount Rushmore National Memorial often called "The Shrine of Democracy" of Friday, June 29, 1945. Twenty-five novices were initiated into the order. A large rock was used for the altar. An invitation was extended to me to give the obligation. It is something I shall never forget. With the faces of George Washington, Thomas Jefferson, Theodore Roosevelt, all Master Masons, and Abraham Lincoln looking down upon us together with the colorful costumes of the divan and uniformed units especially the chanters from El Riad Temple made a lasting impression upon every-body present.

CONFERENCES—ROUND TABLE DISCUSSIONS

In practically every temple visited conferences were held with members of the divans, past potentates, heads of uniformed bodies, chairman of committees and other nobles relative to the state of the order. Subjects discussed included topics such as—The Attitude of the Masonic Bodies Toward the Shrine—The Membership—What Do You Do with the Newly Created Nobles—The Financial Condition of the Temple Assets and Liabilities—Crippled Children Hospitals—War Activities and Rehabilitation—Ceremonials—Parades—Arab Patrol and Mounted Patrols—Bands—Martial and Oriental—Chanters—A National Shrine Song—Merrymakers—Circuses—News Sheets, Notices and Temple Journals—Radio Talks—Social Functions and

many other topics. The interest manifested in these round table discussions was splendid. Every Noble present took part and expressed himself freely in building a bigger and a better Shrine.

Every temple had something that contributed toward the betterment of the spirit in the Shrine. Enthusiasm ran thru all the discussions. It was evident that the one hundred and fifty-nine temples in North America are growing not only in numbers but in activities which will make for a greater order. Personally, we believe these conferences and round table discussions should be made a vital part of the itinerary of every Imperial Potentate. They are so well worthwhile and arouse a pride in our membership.

A brief review of the subject matter discussed at these conferences and round table discussions follows.

CEREMONIALS

The more impressive we make the ceremonials in the Shrine, the greater the interest will be among the general Nobility. Every ceremonial should be different in order to rid ourselves of the criticism that it's "the same old thing everytime." A change of costume, more spectacular stage settings, more lighting effects will all aid to bring out the splendour of the ritual. New songs by the Chanters, different selections by the Bands, changed maneuvers of the Patrol, different Grand Entries will help build up the ceremonial and make it the greatest show on earth. The Shrine is a great show and should be made one. A real mirth-provoking second section adds zest and enthusiasm to a ceremonial. It is the philosophy, the theatre and the glamour in the Shrine that attracts men. Ceremonials can be made so attractive that no one will want to miss them. Albert Pike once said that a certain amount of theatrical display was necessary to put over any show. In the portraying of characters in the ritual, the human voice plays a great part. It can be developed to make the rendition of the beautiful first section more effective. Edwin Booth, the great actor and a Master Mason, when approached for advice, always quoted from Hamlet—"Speak the speech, I pray you, as I pronounced it to you, trippingly on the tongue . . . suit the action to the word, the word to the action . . ."

PARADES

In normal times there is nothing like a Shrine Parade. It not only attracts great crowds, but it also stimulates pride in the uniformed units and the others who participate in the gala affair. There is no other organization in the world can give to the public a parade like the Shrine. The parades staged at Imperial Council Sessions are extraordinary and attract national attention. They are well worth-while and should be encouraged by all Temples in North America.

AN ARAB PATROL MANUAL

Noble Frank Roundy of Medinah Temple, Chicago, Illinois, has been requested to select a group of men to edit an Arab Patrol Manual. If the patrols change their drills a bit at every ceremonial they naturally create a new interest in the Shrine. The more spectacular they make their movements, the better.

MOUNTED PATROLS

Mounted Patrols are becoming increasingly popular throughout Shrine-dom. Everybody loves a horse; there is no animal so human. A spirited horse possess a tremendous dramatic instinct. Abu Bekr's White Horse Patrol is not only the pride of Sioux City and the state of Iowa, but also the pride of the Shrine everywhere. Each Noble owns his own horse, loves that horse, and cares for it with his own time and money. Twice a week this equestrian group assembles and rehearses. They own their own clubhouse near the stables where the horses are kept. Their spectacular shows have attracted nation-wide attention.

Al Bedoo Temple, Billings, Montana, has a Black Horse Patrol. It likewise makes an impressive showing. Ararat, Boumi, Lu Lu, Osman, and several other Temples have one of these significant organizations. They add color to any Shrine, especially its parades.

BUILD YOUR BANDS

All the world loves band music. Folks kinda think they understand a band. A good band adds something to a Shrine—it makes people happy.

CHANTERS IN EVERY TEMPLE

"On the Wings of Song the World Moves Along" is a significant statement. Everybody loves male voices. Every temple has singing talent. A song leader and a few voices can start chanters. Does your temple have chanters? If not—why not?

A NATIONAL SHRINE SONG

It is a well known fact that William Florence, one of the co-founders of the Shrine, composed many songs of a fascinating character. One of them he called, "Bobbing Around." It had a sale of more than one hundred thousand copies. It was sung by his wife to the delight of millions. It might be well to revive the song and see how it would take today. Then, too, maybe some Noble could offer a five hundred dollar prize for the best Shrine Song; one that would have a popular appeal and be played and sung wherever a group or crowd might congregate. It is through music that humanity is relieved of its daily cares; it brings joy into the world.

NEWS JOURNALS

The many news sheets published by the various Temples are commendable. Nearly ninety Shrines have publications of their own. A central news agency to send stories and pictures would be invaluable to the development of the Shrine. This is more than a passing thought and should be given serious consideration.

RADIO TALKS

The radio is playing a significant role in the development of the spirit of the Shrine throughout the country. The Chanters and the Bands are giving popular concerts over local stations in many sections of the nation. Each year the East-West football classic is listened to by millions everywhere. The

Crippled Children's Christmas Party at Philadelphia attracts a large radio audience. It would be splendid if local temples would build more programs for broadcasting from the talent within their local membership.

During the past year the Imperial Potentate, has broadcast to millions through various stations located in cities where there are Shrine Temples. The future of the radio in the Shrine is tremendous.

CIRCUS DAYS

Nearly forty percent of the Shrine Temples in North America stage indoor and outdoor circuses each year. Their efforts are to be commended. Thousands of children—orphans, under-privileged, and crippled children are always given free tickets. Practically all profits, are donated to some philanthropic cause. More temples should present a circus; it is one of the finest projects our order can encourage. The circus, like the Shrine, is a national institution; everybody, everywhere, enjoys it.

THE MEMBERSHIP COMMITTEE

The fine work accomplished by the membership committee under the leadership of its chairman, Munger Ball is appreciated more than mere words can tell. Today, we have an membership of over four hundred and fourteen thousand nobles in North America. We likewise have seventy-one thousand, two hundred and twelve crippled children's memberships which speaks well for the future endowment of our hospitals.

THE SHRINE RECORDERS

In the operation of the activities of the different temples nobody feels the pulse of the membership like the recorder. When they meet at their next annual session, we suggest that they discuss both pro and con the subject of uniform records. They are to be commended for their fine efforts in building better temples.

THE SHRINE DIRECTORS

The splendid service rendered by the Shrine Directors in staging ceremonies is to be commended. The possibilities of this organization are tremendous. We believe their annual meetings are of untold value to the nobility thruout North America.

THE WAR ACTIVITIES COMMITTEE

The persistent efforts of the chairman of this particular committee in the person of Noble George H. Rowe our Imperial Chief Rabban in carrying on this elegant work during the country's gigantic struggle is something extraordinary. The many activities and especially in the War Bond Drive show that the committee did a very effective piece of work under his leadership. We commend him most highly.

THE MASONIC SERVICE ASSOCIATION

A contribution of fifty thousand dollars was made to this association to carry on its activities in the different centers thruout North America. Thousands of soldier boys took advantage of the genuine hospitality shown in these centers.

THE BOARD OF DIRECTORS MEETING

At the Board of Directors Meeting held the third week in January at the Palmer House in Chicago several matters of importance relative to the welfare of the Shrine were discussed. A report on the revision of the ritual by Hubert Poteat was thoroly discussed. The Imperial Council is indeed fortunate in having a man of his type in charge of the ritual. He made many valuable suggestions. The Imperial Potentate was instructed to appoint two committees, one on Public Relations and one on the Mystic Shrine Room. Rex Hammers, Harold Lloyd, Roland Baldwin, William Woodfield, and Harvey Beffa were appointed on the committee on public relations. The committee on the Mystic Shrine Room consisted of the following: Alfred G. Arvold, Hubert Poteat, Galloway Calhoun, Everett W. Jacocks and Leonard P. Steuart. The mid-year meeting of the Board of Directors was well worth while.

The subject of the Pictorial Review was brought up and it was decided to publish a few issues of the same.

THE PUBLICATIONS COMMITTEE

The last week in September a meeting of the Publications Committee was called to discuss the Shrine News and publicity in general.

APPOINTMENT OF AN AUDITOR

Believing that it is a good idea to change auditors every six years I appointed Haskins and Sells, nationally known certified public accountants. The same was unanimously approved by the Board of Directors. I likewise appointed Robert P. Smith as general counsellor.

THE MYSTIC SHRINE ROOM

The George Washington Masonic National Memorial
Alexandria, Virginia

At three o'clock on Monday afternoon, May twenty-first, nineteen hundred and forty-five THE MYSTIC SHRINE ROOM in the George Washington Masonic National Memorial at Alexandria, Virginia was dedicated. The MYSTIC SHRINE ROOM is located on the north side of the memorial overlooking the Washington Monument and the Nation's Capitol. Eventually the room will contain the original documents on the founding of the Shrine, jewels of the first officers, all the proceedings of The Imperial Council since it began, fezes from the hundred and fifty-nine temples in North America, pictures of all the Past Imperial Potentates and Imperial Recorders, paintings of the three Presidents of the United States—Nobles Harding, Roosevelt and Truman, and Vice President-Noble Fairbanks, and many other paintings, pictures and documents. It will also contain models of the fifteen Shriners' Hospitals for Crippled Children. One of the features of the dedication exercises was the unveiling of a life size oil painting of William Jermyn Florence, one of the founders of the Order (a gift of Noble Lou Donnatin of Mecca Temple, New York City.) Mecca and several other temples have presented documents on the Shrine.

It will be a place every Noble in North America can be proud of and something that will add warmth and color to the beautiful building. It will attract thousands of visitors and be worthy of a pilgrimage in the future.

It may be of interest to know that the Shrine made a contribution of one hundred sixty-eight thousand dollars to the George Washington Masonic National Memorial during its construction.

THE SHRINERS' HOSPITALS FOR CRIPPLED CHILDREN

When one enters one of our hospitals and sees the smiles on the children's faces and hears their laughter even though their limbs and their bodies are encased in plaster paris casts, one often asks the question: why should I ever go around with anything but a smile on my face and laughter in my voice? The spirit of these children is the embodiment of the philosophy of the Shrine. They want to be happy and cheerful. To restore their bodies, their arms and their legs so they can play and frolic like other boys and girls is one of the great aims of the Shriners' Hospitals for Crippled Children. Twenty-five years have come and gone in the life of these humanitarian laboratories. One hundred thousand boys and girls have been cured and thousands of others aided. It is a remarkable work and those who have steered its destinies for over a quarter of a century are to be congratulated upon their herculean efforts. The Shrine made North America crippled children conscious. Today we find other organizations, states, provinces and governmental agencies taking an interest in this splendid work, all because of the vision of the Shrine. People are asking the question: if you can take care of the deaf and dumb and the blind why can't you aid and comfort the crippled children? The fifteen Shriners' Hospitals in North America and, now, the sixteenth in Mexico have done a great job. In the future they can even do a greater piece of work. They can not only carry on as they are at present, but they should go into the field of research as several of the hospitals already have. The training of child nurses is a great field and can be encouraged by the Shrine throughout North America.

HARRY S. TRUMAN
President of the United States

MEDICAL FELLOWSHIPS

With the scarcity of orthopedic surgeons in America a thought came to me in Yellowstone Park last summer: why wouldn't it be a fine contribution to medical science to establish ten medical fellowships in the different medical schools in our land? Each fellowship would carry with it a stipend of twenty-five hundred dollars. The young doctor selected for this fellowship would be chosen by the National Board of Orthopedic Surgeons and naturally be approved by our Board of Trustees. He would spend one year at one of our leading medical schools and then be required to serve as an interne in one of our hospitals for a period of one year. While this is given simply as a suggestion we felt that the Shrine would make a still greater contribution to medical science in the Crippled Childrens' work in North America by this effort. We believe that it is worthy of serious consideration and the sooner it is done the greater the results will be eventually.

The fifteen Crippled Childrens' Hospitals visited (it was not possible to go to Honolulu) were rendering splendid services to the crippled children of America. The sooner these are endowed, the better it will be for all concerned. A crippled childrens' membership in the Ladder of Baby Smiles should ever be encouraged. We are happy to announce that there are over seventy thousand of these memberships today. We expect to see one hundred thousand of them soon.

OTHER HOSPITALS VISITED

The fine work sponsored by Shriners in the hospitals at Louisville, Kentucky; Houston, Texas; Erie, Pennsylvania; Atlanta, Georgia; Dallas, Texas (the last two are sponsored by the Scottish Rite Bodies); Birmingham, Alabama and several other places is to be commended. All of them should be encouraged to continue their efforts though they receive no funds from the National Board. It shows their hearts are in this great Crippled Childrens' movement.

The Shriners' hospitals were not born to save the Shrine. The Shrine gave birth to these crippled childrens' hospitals in order to glorify that spirit of wanting to make not only the fortunate but the unfortunate happy. It is doubtful whether any other fraternal order could have brought these into the world. It is when peoples' hearts bubble over with joy, when they are smiling and laughing, that they are generous and give.

FREELAND KENDRICK

The remarkable work done over a period of twenty-five years by Freeland Kendrick is a story that will be told and re-told for generations to come. His keen interest, coupled with his energy and enthusiasm have given a great impetus to the movement thruout North America. His leadership has been a great asset to this splendid outstanding humanitarian work. The Nobility of North America owe him a great debt of gratitude.

THE BOARD OF TRUSTEES

The devotion of Jack McGilvray to this noble work deserves unstinted praise. As vice-chairman of the Board he, too, is to be commended for his

extraordinary efforts in behalf of the Crippled Children of North America. In short, all of the members on the Board are to be complimented for their intense interest in crippled children everywhere.

THE JOHN COWLES GIFT

The generous contribution of one thousand dollars given to the Crippled Childrens' Hospitals by John H. Cowles, Sovereign Grand Commander of the Scottish Rite Bodies in the Southern Jurisdiction is deeply appreciated.

EULOGY AT THE GRAVE OF ILL. NOBLE JAMES H. PRICE

STAUNTON, VIRGINIA

Jim—Al's standing here in the Valley of the Shenandoah. He is thinking of you and your delightful personality. A lot of your old neighbors, your friends are around this bed nature made for you. Mother Earth has placed a blanket of green grass dotted with beautiful white clover on you. The fragrance coming from the clover is just as sweet as your disposition. The willow of white lilies we are laying at the head of your bed are as pure as

your soul. Jim the sun is shining down on the lilies, on the clover and on all of us as we stand and look at you. It's brightness makes us think of the smile on your face, the kindness in your eyes and the generosity in your heart. You were the embodiment of the spirit of the Shrine. Jim you are not here—you are just away—

Alfred G. Arvold.

"We Shall Meet—But We Shall Miss Them"

VISITATIONS TO THE SICK

In our travels we paused and called upon the following Nobles and extended our greetings—Phil Erbes of Islam Temple, San Francisco. Everybody knows Phil—Zac Tyrell, owner of Cole Brothers Circus who was ill

in a hospital at Helena, Montana—naturally talked circus. Al Leimbacher, Past Potentate of El Zagal Temple, Fargo, North Dakota, a real Noble in every sense of the word—Harry Haskins, in his home at Des Moines, Iowa—cheerful as ever—called Walter Morrison, Emeritus Recorder of Aleppo Temple, Boston over phone and enjoyed a delightful conversation. A word of cheer to a man in a sick room is part of every Noble's creed.

WIDOWS OF PAST IMPERIAL POTENTATES

We took time out of our busy schedule and paid our respects to Mrs. Alvah Clayton, wife of Past Potentate "Pet" Clayton and Mrs. George Olen-dorf, wife of Past Imperial Potentate George Olendorf—both now living at Saint Joseph, Missouri and Mrs. Esten Fletcher, wife of Past Imperial Potentate Esten Fletcher at Rochester, New York. The visits were delightful.

We regret to announce the death of Mrs. Andrew Rahn, wife of Past Imperial Potentate "Andy" Rahn. We extend our sincere sympathy to the family.

HIGHLIGHTS OF THE YEAR

We visited one hundred and twenty-two temples—forty-eight states in the Union, eight provinces in Canada, Alaska and Mexico.

Fourteen governors representing the states of California, Ohio, Nebraska, Oregon, Arkansas, Minnesota, North Dakota, Vermont, Kansas, Wisconsin, New Jersey, Montana, Illinois and Tennessee extended an official welcome to us. Nearly all of them were Nobles of the Mystic Shrine.

LaGuardia, Mayor of New York City, Mrs. Thomas Edison, wife of the inventor, Charles Coburn, the movie actor and a Noble, Walter Hampden, President of the Players Club, Howard Lindsay, the playwright whose

comedy *Life With Father* has become a classic, Randolph Ray, Rector of The Little Church Around the Corner, Charles Keck, sculptor and a Noble, Edward Johnson, of The Metropolitan Opera Company, John Charles Thomas, famous American baritone, Charles Rann Kennedy, author of *The Servant in the House* and many other notables were most gracious in receiving me.

The North Dakota Legislature in Joint Session gave me a rousing welcome on January 16, 1945.

Galloway Calhoun's Sunday class folks at Tyler, Texas were genuine in their treatment—paying rapt attention to my remarks.

The Los Angeles Breakfast Club gave me a gold card and made me a life member.

The Governor of Arkansas created me an Arkansas Traveller.

On my official visit to Anezeh Temple, Mexico City, Mexico, the City Government made me an honorary citizen. The ceremonies were colorful and elaborate to say the least.

The two homecomings, one at Whitewater, Wisconsin and the other at Fargo, North Dakota were largely attended and genuine in every respect.

The Imperial Potentate's Pheasant Hunt in The Land of the Dacotahs was a real success. Representative Nobles from ten temples participated in the two-day sojourn.

THE IMPERIAL POTENTATE'S BIOGRAPHY

Alfred G. Arvold was born in the City of Whitewater, Walworth County, Wisconsin, the son of Louis and Caroline Arvold. He attended the public schools in that place and was graduated from the high school in nineteen hundred and one. After graduation he spent four years at the University of Wisconsin at Madison and received his Bachelor of Arts degree from that institution in the year nineteen hundred and five. He was one of the five commencement orators chosen out of a class of over four hundred graduates, a rare honor in those days. From nineteen hundred and five to nineteen hundred and seven he taught school in Eau Claire, Wisconsin. During the summer of nineteen hundred and seven he was telegraph editor on the Eau Claire Daily Leader and was offered several fine positions in various parts of Europe—England, France, Russia, Norway and Italy—by the Associated Press. Instead of accepting the offers he went to Fargo, North Dakota, as a member of the faculty of the North Dakota State College. On February tenth, nineteen hundred and fourteen he founded "The Little Country Theater," a country life laboratory which has become known throughout the world because of its work in country neighborhoods. He is today recognized as one of the most fascinating characters in the American Theater. Thousands of people yearly visit his workshop known at The Little Country Theater. Many of the world's celebrities as well as representatives from

twenty-five nations have journeyed to it and become very enthusiastic about it because of its vision and its contribution to American life. In the years that he has lived in the Land of the Dacotahs he has travelled in fourteen foreign countries studying neighborhood activities in country districts as well as festivals, spectacles, pageants, plays and theaters. When he was in Malvern Hills, England, fourteen years ago this summer, he met George Bernard Shaw who became fascinated with his work. Shaw introduced him to his English friends, as—"A Minister of the Fine Arts to the Country Communities of America." During that summer when he was in England and Europe he spoke at the International Country Life Conference in Liege, Belgium. The address was translated into seven different languages. He not only met Shaw in his travels but was presented to the late King Albert of Belgium who became very enthusiastic about The Little Country Theater as did Sir Horace Plunkett the great Irish agriculturalist and Selma Lagerlof, the Swedish novelist and Nobel Prize Winner.

Many of the leading magazines in the country have contained write-ups upon his life work. The Saturday Evening Post, The Ladies Home Journal, The Country Gentleman, The American Magazine, The Readers Digest, The Theatre Arts and others have featured him. Scarcely a year goes by but what two or three million people read the story of his theater. He knows country people and does everything in his power to encourage them to build finer and better neighborhoods. He is a member of The Players, Sixteen Gramercy Park, New York City, a club founded by Edwin Booth, Lawrence Barrett and Mark Twain. William Florence, one of the co-founders of the Shrine, was a member of this club. He belongs to several other literary organizations. He has talked in many of the leading universities—Harvard, Yale, Cornell, Columbia, Chicago, Wisconsin, Minnesota, California, Montana and others, as well as to many clubs and to thousands of country people. He has written magazine articles and is the author of two or three books as well as pageants, spectacles, festivals and plays. His name appears in Who's Who in America.

Next to his home and his life work, he has given many spare moments to Masonry and the Shrine. The philosophy of it and the theater in it appeal to him immensely. He is a member of the Eau Claire Blue Lodge, Number One Hundred and Twelve, Eau Claire, Wisconsin; Keystone Chapter, Number Five, Fargo, North Dakota, Fargo Council Royal and Select Masters, Number One; Auvergne Commandery Knights Templar, Number Two; Dakota Consistory Number One; El Zagal Temple, Ancient Arabic Order Nobles of the Mystic Shrine for North America; Royal Order of Jesters, Grand Forks Court Number Fifty-one and Saint Felix Conclave, Number Forty-five, Red Cross of Constantine. He has served as High Priest of his chapter, Eminent Commander of his commandery, Commander-in-Chief of his consistory, Illustrious Potentate of the Shrine and Director Grand Forks Court of Jesters. He was Sovereign of Saint Felix Conclave Red Cross of Constantine—he is a Thirty-third Degree Mason and a Past Grand Sovereign of the Red Cross of Constantine for the United States of America. When he was in Europe he was officially received by Edda Blue Lodge in Reykjavik, Iceland. He visited Masonic lodges in London, England; Oslo, Norway; Stockholm, Sweden; Copenhagen, Denmark, and Glasgow, Scotland.

On June sixteenth, nineteen hundred and nine he married Mildred Mason Tolles at Eau Claire, Wisconsin. They both belong to the Episcopal church. With his son, Alfred Mason Arvold, his daughter, Mary Caroline Arvold, and his wife, he enjoys life to the fullest extent. All four of them have travelled extensively. His residence address is Eleven Ten Broadway, Fargo, North Dakota.

THE OLD HOME TOWN

"It's the place where I was born: Within a stone's throw from where I stand tonight Mother brought me into the world. She sleeps across yonder pond on a hillside near my father. The corner over there is where I turned to go to the public school. On a little hill not far away stands old Saint Luke's Episcopal Church—it's where I pumped the organ—carved my initials on it—sang in the boys' choir and finally carried the Cross. It's where my son and daughter were baptized.

"Over on Main Street stood Billy Pester's popcorn and peanut stand—it's the shack in which I packed many sacks and took them over to Bower's Opera House to sell them at the shows. Man's sweetest memories are his boyhood memories. The Shrine, folks, seeks to keep the boy in a man.

"It pities a man who has lost all the boy in him. As I look into the many faces here tonight I am grateful to all of you for the interest you have always shown me in my yesteryears. Just as you are proud of me, so am I proud of the Old Home Town."

Excerpts from an address delivered by Alfred G. Arvold, Imperial Potentate, at Whitewater, Wisconsin, July 10, 1944. Nearly three thousand people were present at the homecoming celebration.

THE HOME STRETCH

"The open road goes on an on. It is only men who fall by it's wayside. It is only men who lose strength or spirit and call an end to the journey. But all those stouter spirits pick up their packs before dawn and trudge on whistling. Or if song fails them, they think the sturdy thought that Long-fellow set down so splendidly:

"What then? Shall we sit idly down and say
The night has come; it is no longer day?
The night hath not yet come; we are not quite
Cut off from labor by the failing light;
Something remains for us to do or dare;
For age is opportunity no less
Than youth itself, though in another dress;
And as the evening twilight fades away
The sky is filled with stars invisible by day
So march the strong into the twilight and take
Fresh courage from the everlasting stars."

—W. B. Pitkin.

(Great applause, the Nobles present rising.)

President ARVOLD: Nobles, we will stand adjourned. (11:40 A. M.)

SPECIAL INFORMATION

The Officers of Subordinate Temples are again earnestly urged to familiarize themselves with the By-Laws and Code of the Imperial Council. If this request is followed, considerable unnecessary correspondence may be eliminated.

Each year considerable correspondence is addressed to the Imperial Potentate direct by individual Nobles, and attention is called to Section 119, Article XVI, of the Imperial By-Laws, which reads as follows:

"Sec. 119. Complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate, but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate."

In requesting Dispensation for special meetings your letter should be addressed to the Imperial Potentate with copy to the Imperial Recorder's office.

Potentates are requested to encourage and follow up the work of each local War Activities Committee. This is an important activity, and you are requested to report quarterly to the Chairman of the General Committee, Hon. George H. Rowe, 88 Highgate Avenue, Buffalo, New York.

It is directed that this General Orders No. 1 be read at the head of each Temple at the first session following its receipt, and record made of the same upon the minutes of the session at which it is read.

Given under our hands and the seal of the Imperial Council, this 25th day of July A. D., 1944, and of the Order A. H. 1363.

GENERAL ORDERS No. 2,
SERIES OF 1944-1945.

To the Representatives of the Imperial Council, Potentates of Subordinate Temples, and the Nobility of the Order:

"Es Selamu Aleikum"

We have been patiently waiting, hoping and thinking that certain restrictions would be lifted in order that we might hold a stream-lined Session of the Imperial Council. At present it does not seem possible that we can hold a Session. We realize that every Representative is desirous of attending an Imperial Council Session. Under present rulings of the O.D.T., no hotel can accept a large convention over fifty. In consequence of the same and under emergency powers granted the Board of Directors under Section 127, Article XIX, (which is quoted below)—

**THE REGULAR 1945 SESSION OF THE IMPERIAL COUNCIL
IS OMITTED.**

In accordance with resolution passed by the Board of Directors January 25th, 1945, (which is quoted below), the Board of Directors will meet for the transaction of such business as may properly come before it—all in accordance with emergency powers delegated to the Board of Directors under Section 127, of the By-Laws.

ARTICLE XIX

Emergency Powers of Board of Directors

Sec. 127. Whenever the existence of a national emergency renders impracticable the holding of a regular annual meeting or meetings of the Imperial Council as prescribed by the charter and by-laws of the Iowa Corporation, the Board of Directors thereof may order, by resolution, that such annual meeting or meetings be omitted, stating in such resolution the reasons therefor. A separate resolution, with the reasons therefor, shall be passed with respect to each annual meeting so omitted.

During the year or years for which it is necessary so to omit the regular annual meeting, all duties and powers ordinarily exercised by the members of the Imperial Council shall vest in and be exercised by the Board of Directors, whose actions in the circumstances above stated shall be of like force and effect as if done by the members of the Imperial Council at a regular annual meeting.

The powers and duties which may thus be exercised by the Board of Directors shall include, amongst others, the following:

(a) To adopt an annual budget of appropriations in such sums as may be necessary to meet the current expenses of the Imperial Council and of the Iowa Corporation for the ensuing year, and all such sums so budgeted for such expenses are hereby appropriated; provided, however, that no budget shall be adopted by the Board of Directors unless it shall first be approved by the Committee on Finance and Accounts.

(b) To elect all officers of the Imperial line, and of the Corporation, for a period of one year; provided, however, that the office of Imperial Outer Guard shall not be filled by the Board of Directors, but shall remain vacant until the next regular meeting of the Imperial Council when an election shall be held as provided by Article VI of the By-Laws. In the event the power thus to elect officers is exercised by the Board of Directors for more than one year, an additional office at the end of the Imperial line shall be left vacant for each year that the regular annual meeting is omitted, such offices to be filled by regular election at the next annual meeting.

In addition to the foregoing, the Board of Directors, in the circumstances above stated, shall have and exercise the power to do all things necessary or desirable to carry on the affairs of the Iowa Corporation, and of the Imperial Council, and to properly protect and conserve its property and fraternal interests in all respects.

The Board of Directors shall call a regular annual meeting of the Imperial Council, to be held at a time and place to be designated by said Board, within twelve months after the termination of such national emergency shall be proclaimed by the Federal Government. The emergency powers of said Board hereby created, shall cease and determine upon the expiration of said twelve months period.

RESOLUTION ADOPTED BY BOARD OF DIRECTORS JANUARY 25, 1945

Whereas, the effective promotion of the War has caused a strain on the Nation's transportation facilities, adding greatly to the exigencies of the present National Emergency, and

Whereas, it is the duty of our citizens to forego traveling during this emergency unless absolutely necessary;

Therefore, be it resolved, that by reason of the National Emergency existing, it is hereby declared impractical to hold the regular annual meeting of the Imperial Council during 1945, and the holding of said meeting is hereby ordered omitted.

Be it further resolved, and it is hereby ordered, that the Board of Directors, under authority specifically granted in Section 127 of the By-Laws and as specifically authorized by the Imperial Council Session in 1944, meet at the Palmer House in Chicago, Illinois, July 10, 11 and 12, for the transaction of such business as may properly come before it—all in accordance with the emergency powers delegated to the Board under Section 127 of the By-Laws.

SPECIAL NOTICE TO RECORDERS

As is usual during the summer months, you are requested to forward your monthly report and remittance for June promptly July 1st. A combined report for the months of July, August and

OFFICE OF THE IMPERIAL POTENTATE,
FARGO, NORTH DAKOTA, JUNE 15, 1945.

*To the Representatives of the Imperial Council, Potentates of Subordinate
Temples and the Nobility of the Order:*

"One by one we miss the voices
That we loved so well to hear:
One by one their kindly faces
In the darkness disappear.
No one knows the door that opens
Through which they pass beyond recall
Soft as loosened leaves of roses,
One by one our loved ones fall."

Tuesday, May 8, 1945, V-E Day, witnessed the passing from this life one of the most loved Mason and Shriner of recent years. Called to his reward in the full vigor of useful manhood, few of us even yet fully realize that the genial and loving spirit of Illustrious Noble William Heim has winged its flight to the realms of life and life eternal, and we find ourselves almost unconsciously visualizing him in the various contacts and relationships in which he was known, loved and honored by his fellow Nobles. Even now his spirit seems to hover over us to bless us and bid us God-Speed. Among his many friends he was affectionately known as "Bill," and his generous, responsive nature invited the most intimate confidences. To his everlasting credit it can truly be said that no one appealed to him for any kind of help without receiving the fullest possible measure of aid and encouragement. The genuine, worthwhile things in life attracted him; he loved simplicity and sincerity. There is now left a memory of one who was faithful to every trust, who enjoyed the respect of the community for his integrity and loyalty in every relationship of life. He will be greatly missed in the various activities of the Imperial Council, to which he had given so generously of his time and talents.

Illustrious Noble Heim was born in Philadelphia, Pennsylvania, on October 10, 1886, the son of Christian and Mary Heim. He laid the foundation of his successful business life in the public schools of Philadelphia. Early in life he became interested in the publishing and distribution of books. As his business grew in volume, he organized numerous branch offices in many different cities throughout the country, and at the time of his death was one of the most successful publishers' representatives in the United States.

On December 27, 1933, Illustrious Noble Heim was married to Miss Emma Engle, who survives him and who was always his constant and faithful traveling companion. He is also survived by one sister and three brothers.

Illustrious Noble Heim was greatly interested in Masonry, but the record fails to disclose any desire for official perferment. He preferred to serve as an humble member of the Craft, and his fraternal career covered a period of thirty-four years. He was made a Master Mason in William L. Elkins Lodge No. 646, F. and A. M. on April 6, 1911. He was exalted to Royal Arch Mason in University Chapter March 18, 1913, and later demitted to Signet Chapter.

He was also a member of Philadelphia Council No. 71, Royal and Select Masters. On April 23, 1915, he was knighted in St. John's Commandery No. 4. He was also a member of the Scottish Rite Bodies in the Valley of Philadelphia, and was crowned an honorary 33° at a meeting of the Supreme Council of the Northern Jurisdiction at Cleveland, Ohio, on September 27, 1944.

The Shrine career of Illustrious Noble Heim was particularly notable. He was created a Noble of the Mystic Shrine in Lu Lu Temple December 4, 1915, holding various minor offices, and was elected High Priest and Prophet in Lu Lu Temple January 3, 1927. He advanced through the chairs and was elected Illustrious Potentate on January 3, 1934. He was unanimously re-elected to the office of Potentate for eleven consecutive years. His far-sighted vision, tireless activity and sterling character made him an invaluable leader, especially during those dark days of the 1930's when the full force of the depression was holding almost every activity in our nation within its grasp.

Illustrious Noble Heim was first elected by Lu Lu Temple as a Representative to the 58th annual session of the Imperial Council held in San Francisco, California, July 26, 1932, and he served on various committees with distinction. He was elected Imperial Outer Guard of the Imperial Council at Baltimore, Maryland, in 1939 and regularly advanced each year until he was chosen Imperial Oriental Guide, which office he held at the time of his death.

Illustrious Noble Heim's interest in and sympathy for the needy and underprivileged is best shown by his years of service as a member of the Board of Managers of the Masonic Home of Pennsylvania. He also was a member of the local Board of Governors of the Philadelphia Unit, Shriners Hospitals for Crippled Children. His service to these two institutions covers a period of many years, and his great personal interest is shown by his many benefactions to both of these deserving charities.

Always deeply interested in all civic matters affecting the life of Philadelphia, Illustrious Noble Heim was for many years a member of the former Penn Athletic Club of Philadelphia, and was also a member of the Union League Club and the Lu Lu Temple Country Club of Philadelphia. Other memberships included the Lancaster County Shrine Club and the Royal Order of Scotland. He was a charter member of Philadelphia Court No. 72, Royal Order of Jesters.

He was a member of the Wharton Memorial Methodist Church and a prominent layman for more than twenty years. Illustrious Noble Heim was interested in the religious life of his community and for the past several years had made it possible for the evening services of his church to be broadcast locally to the residents of Philadelphia and vicinity.

The funeral services were held from the Wharton Memorial Church on Saturday afternoon, May 12th. Illustrious Noble Heim laid in state from Friday evening until the close of the services, and a guard of honor picked from the membership of Lu Lu Temple's Uniformed Units was in constant attendance. His funeral services were conducted by the pastor of his church whom he had dearly loved, Reverend Harold Paul Sloan, who was assisted in the services by Reverend William Barnes Lower, who had served as Chaplain of Lu Lu Temple during the entire administration of Potentate Heim. The Chanters of Lu Lu Temple sang several selections during the service, including a favorite hymn of Noble Heim, "Jesus Lover of My Soul."

Immediately following this service, a Masonic service was conducted by the William L. Elkins Lodge No. 646, Free and Accepted Masons.

A wealth of beautiful flowers added to the demonstration of admiration, respect and affection shown, and large numbers of personal and fraternal friends attended the last rites of this distinguished Mason. The Imperial Council was especially represented through appointment of the Imperial Potentate by Illustrious Nobles George H. Rowe, Imperial Chief Rabban, Karl

Rex Hammers, Imperial Assistant Rabban, Everett W. Jacocks, Imperial Recorder, and W. Freeland Kendrick, Past Imperial Potentate. Every branch of Pennsylvania Masonry was represented by many of their leaders, and the Shrine Recorders' Association was represented by President Edward A. Miller. The interment took place immediately following the church services, and Illustrious Noble Heim was laid to rest in beautiful Laurel Hills Cemetery.

Illustrious Noble Heim will be greatly missed by an affectionate family and a continent-wide circle of admiring friends. His sympathy for the needy, his loyal friendship and his many philanthropies will never be forgotten.

Let this memorial be read at the next session of your Temple following its receipt and let the same be made a matter of record.

Given under my hand and the seal of the Imperial Council this 15th day of June, A. D., 1945.

AFTERNOON SESSION

President ARVOLD: The Board of Directors will take the first two rows of seats here, please.

Nobles, I will ask Noble Grover Nolte, chairman of the Jurisprudence and Laws Committee, to read that part of the By-Laws giving the Board of Directors emergency powers to perform all duties and powers ordinarily exercised by the members of the Imperial Council during the emergency.

Noble NOLTE: Imperial Sir, this meeting is called in accordance with the provisions adopted at the 1942 session and under said section of the By-Laws, Section 127.

In compliance with that the Board has passed a resolution, and the Call that went forth recited the passage of that resolution and also quoted the emergency powers of the Board of Directors as set forth in Section 127. The resolution of the Board declaring an emergency reads as follows:

Whereas, the effective promotion of the War has caused a strain on the Nation's transportation facilities, adding greatly to the exigencies of the present National Emergency, and

Whereas, it is the duty of our citizens to forego traveling during this emergency unless absolutely necessary;

Therefore, be it resolved, that by reason of the National Emergency existing, it is hereby declared impractical to hold the regular annual meeting of the Imperial Council during 1945, and the holding of said meeting is hereby ordered omitted.

Be it further resolved, and it is hereby ordered, that the Board of Directors, under authority specifically granted in Section 127 of the By-Laws and as specifically authorized by the Imperial Council Session in 1944, meet at the Palmer House in Chicago, Illinois, July 10, 11 and 12, for the transaction of such business as may properly come before it—all in accordance with the emergency powers delegated to the Board under Section 127 of the By-Laws.

It is in accordance with this resolution that you are now meeting, and the Board of Directors are exercising their powers under this emergency legislation.

President ARVOLD: How many are satisfied that we go ahead with the meeting? I think the only wise thing to do was to have the law read. The members of the Board of Directors consist of the Imperial Divan, and our Junior Past Imperial Potentate Morley E. MacKenzie, who have the power to vote upon legislation that is brought up at this meeting.

Noble JACOBS: The following is a letter I think should be a part of these proceedings.

WAR COMMITTEE ON CONVENTIONS

WASHINGTON 25, D. C.

June 25, 1945.

Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America,

Mr. Everett Jacobs, Imperial Recorder,
Richmond, Virginia.

Dear Mr. Jacobs:

Mr. C. C. Fleming, Railway Department, O. D. T., Richmond, has forwarded to this Committee a copy of General Orders No. 2, Series of 1944-1945, by which your organization announces the cancellation of your Imperial Council Session and also the deferment of the regular annual meeting of the Shriners Hospitals for Crippled Children.

This Committee is most appreciative of this constructive action upon the part of your group and recognizes this is a major contribution towards lightening the load upon our transportation facilities.

Very truly yours,

FRANK PERRIN,

Secretary.

President ARVOLD: Noble Rowe, Chairman of the War Activities Committee will you kindly render your report.

REPORT OF THE WAR ACTIVITIES COMMITTEE

of
THE IMPERIAL COUNCIL, A. A. O. N. M. S.
FOR THE YEAR 1944-45.

The Imperial Potentate, Officers and Representatives of the Imperial Council:

This is the third report made by the Imperial War Activities Committee to this Imperial Body. The Area Chairmen, who are members of this Committee, have made possible the great service rendered by the Temples of North America during the past twelve months of World War II. Too much praise cannot be given their prodigious efforts in keeping in contact with each Temple

and its local War Activities Committee. Your Committee realizes that it is not practical for this report to set forth in detail what each Temple has accomplished in its immediate jurisdiction. It follows, therefore, that only unusual activities will be referred to in this annual report. It is contemplated that at the close of the war a final report will be prepared for future reference, and that in this report a detailed statement of the service rendered by each Temple, from December 7, 1941 to the date of declaration of peace, will be set forth.

Special attention was given by your Committee in promoting blood plasma donors' campaigns, receptions and entertainments for returned servicemen, either on furlough or after discharge from active service, and in promoting the Sixth and the Seventh War Bond Drives. Many Temples provided entertainment at veterans' hospitals where wounded and convalescent servicemen were stationed. Band concerts, boxing matches, dances, circuses and miscellaneous charity shows were not only appreciated by the servicemen for whom they were given, but were highly commended by officers in charge of the hospitals.

WAR BOND DRIVES

Your Committee reports that in the Sixth War Bond Drive more than \$50,000,000.00 worth of bonds were sold by the Temples to members of the Temples and their friends and to the public in general. Great efforts were made by your Committee in a similar promotion for the Seventh War Bond Drive. Many bulletins of various types were printed and forwarded to the Potentates, Records and Chairmen of Temple War Activities Committees, urging them to enlist the Nobility of their Temple in the promotion of sales of War Bonds. To stimulate interest in this great effort, the Committee prepared citations to be awarded to those Temples whose sales exceeded one million dollars each in Bonds, the original citation to be presented to the Temple whose sales exceeded that of any other Temple.

Aleppo Temple, of Boston, Mass., had a goal of \$10,000,000.00. This was over-subscribed by fifty-three percent, with the remarkable total of \$15,385,203.00. No other Temple exceeded this sum, and it is the largest amount ever subscribed in any fraternal bond drive in the history of the country. To Aleppo Temple there will accordingly be presented the original hand-colored citation issued by this Committee.

The following Temples have been credited with sales in the Seventh War Bond Drive in excess of five million dollars each:

Aleppo	Boston, Mass.
Khedive	Norfolk, Va.
Oleika	Lexington, Ky.
Syria	Pittsburgh, Pa.
Nile	Seattle, Wash.
Al Malaikah	Los Angeles, Calif.

The following Temples have each been credited with sales in this Drive in excess of one million dollars of War Bonds, several of them exceeding two million dollars each. To these Temples an appropriate replica will be presented:

Maskat	Wichita Falls, Texas
El Zaribah	Phoenix, Arizona
Karem	Waco, Texas
Ismailia	Buffalo, New York
Islam	San Francisco, Calif.
Mahi	Miami, Florida
El Maida	El Paso, Texas
Alhambra	Chattanooga, Tenn.
Zamora	Birmingham, Ala.
Ainad	East St. Louis, Ills.
Al Kader	Portland, Oregon
Khiva	Amarillo, Texas

All other Temples which have made an effort in this Drive will be presented with a citation, printed in black and white, for "Valiant Service Rendered".

Boumi Temple (Baltimore, Md.) consolidated its efforts with the Grand Lodge of Maryland, and during the period of this report sold \$4,150,950.00 worth of War Bonds.

Al Chymia Temple (Memphis, Tenn.) participated in six official bond rallies with a 50-piece band, speakers and entertainers. With the use of buses its War Activities Committee covered more than 2,100 miles within its jurisdiction, and sold in excess of \$300,000.00 worth of Bonds to its Nobles.

El Zaribah Temple (Phoenix, Arizona) sponsored a "Meet The Navy" Bond Day, at which over nine thousand attended. This was the largest and most colorful show held in Phoenix in years, and more than \$2,000,000.00 worth of Bonds were sold to those who attended.

El Maida Temple (El Paso, Texas) held a grand parade on May 26th; and during the week of May 21st to 26th inclusive \$544,750.00 worth of Bonds were sold. The grand total for the Temple in the Seventh War Loan Drive was \$1,234,000.00. Over \$200,000.00 were in "E" Bonds. This Temple sponsored newspaper advertisements, and made an all-out effort as the principal promoter of the Bond Drive in El Paso, Texas.

Khediye Temple (Norfolk, Va.) conducted a War Bond ceremonial on June 20th, the total sales aggregating \$5,213,468.00, which was almost one quarter of the quota assigned by the Treasury Department to the city of Norfolk.

Wahabi Temple (Jackson, Miss.) dedicated its summer ceremonial to the sale of War Bonds by the novel scheme of chaining Nobles to posts and not releasing them until each had sold \$1,000.00. This campaign resulted in the sale of more than \$300,000.00 in Bonds.

Rajah Temple (Reading, Pa.) held a Bond Premier on June 20th, 1945 at The Rajah Theatre, at which meeting the United States Infantry Band gave a concert to more than 2,100 persons, and which resulted in the sale of \$371,875.00 in Bonds.

Ben Hur Temple (Austin, Texas) has not as yet reported the total amount of bonds sold in the Seventh War Bond Drive, but has indicated that the total will exceed the amount sold in the Sixth War Bond Drive of \$1,126,600.00.

Irem Temple (Wilkes-Barre, Pa.) sponsored in connection with the Treasury Department a 14-act all-soldier stage performance, and sold considerably more than \$350,000.00 in War Bonds.

Mahi Temple (Miami, Florida) sponsored a boxing match in Miami with admittance only by the purchase of bonds. More than one million and a half dollars of bonds were sold during this Drive.

Morocco Temple (Jacksonville, Florida) reported that every member of its Temple purchased at least one \$100.00 "E" Bond, the total amount exceeding \$100,000.00.

Numerous other Temples, as previously stated, made unusual and successful efforts in the Sixth and the Seventh War Bond Drives.

The efforts of the Temples in respect to the Seventh War Bond Drive have been most gratifying and successful. The total sales in dollars thus far credited to this date in that War Bond Drive is more than \$100,000,000.00, and it is expected that late reports will bring the total sales to approximately \$150,000,000.00.

BLOOD PLASMA

Al Kader Temple (Portland, Oregon) through its Committee conducted a campaign for blood plasma during the fiscal year of 1944-45, as a result of which it secured 2,888 pints of blood.

Boumi Temple (Baltimore, Md.) reports having approximately 1,400 blood subscribers.

Kosair Temple (Louisville, Ky.) ran full page ads in its monthly magazine asking for co-operation in the blood plasma drive.

Orak Temple (Hammond, Ind.) with the co-operation the local Red Cross and Government mobile unit sponsored a blood bank in its Temple building. This effort resulted in a total of 8,380 pints of blood.

Al Malaikah Temple (Los Angeles, Calif.) dedicated a mobile unit at its ceremonial at the Rose Bowl in Pasadena and secured a very substantial contribution to the blood bank.

Crescent Temple (Trenton, N. J.) co-operated with the American Red Cross by giving free access to its mosque. More than 6,121 pints of blood have been credited to the Temple.

Media Temple (Watertown, N. Y.) had a group of fifty Nobles who reported consistently at each six-week period.

Hella Temple (Dallas, Texas) was the first Temple in the United States which started activities in connection with Red Cross blood donor centers. Through its officers it provided to the Red Cross furnishings and equipment, including two mobile units, a specially equipped station-wagon, and a specially built mobile unit at a cost of \$16,500.00. Radio broadcasting and band concerts were also promoted to secure blood donations from members and their families. The publicity given by this Temple was outstanding.

Many other Temples created Committees and actively co-operated with the American Red Cross. Some of these Temples are as follows:

Acca	Richmond, Va.
Antioch	Dayton, Ohio
Almas	Washington, D. C.
El Hasa	Ashland, Ky.
Islam	San Francisco, Calif.

Al Kader Temple (Portland, Oregon) sponsored, through Area Chairman, R. R. Adams, a tremendous campaign for waste paper, and received from War Production Board an official commendation and citation. More than 1,700 tons of waste paper were collected, and from the sale of the same the proceeds of \$21,000.00 was contributed to the Portland, Oregon Cripple Children Shrine Hospital. In this effort Chairman Adams, through his associates, Meyer & Frank Co., caused to have newspaper publicity of 206 pages for War Bond Drives, 91 pages for blood donations, and 93 pages for Red Cross.

Noble POTEAT: I move that the report be adopted, with the sincere thanks of this body for a magnificent piece of work well done. (Motion seconded)

President ARVOLD: All those in favor, please stand. I think it is a very fine report. Motion Carried. (Applause)

Noble WOODFIELD: I would like to offer a resolution that the standing committees be increased from five to seven. The resolution is that the second paragraph of section 63, Article VIII of the Code be amended to provide that all of the committees shall consist of not more than seven members—of the Imperial Council, except those otherwise specified, instead of the present number of five members. And I move that this may be referred to the Committee on Jurisprudence and Laws. (Motion seconded)

President ARVOLD: You have heard the resolution, and the motion that it be referred to the Committee on Jurisprudence and Laws. All in favor of this say, "Aye." Motion Carried.

Noble JACOBS has something.

Noble JACOBS: I think I have a report here that will affect most of those present. It refers to

MILEAGE AND PER DIEM

for those requested to attend this Session. I would like to move you, Imperial Sir, that the Board of Directors authorize an expense of ten cents a mile one way—of course we all understand it is the nearest way—and \$25 a day for three days for members of the Imperial Divan, Past Imperial Potentates, the Jurisprudence and Laws Committee, the Finance and Accounts Committee, and the Jurisdictional Lines Committee, and Stephen S. Jones, who was requested to come here and attend this meeting. Also that the Committees on Jurisprudence and Laws and Finance and Accounts be allowed one extra day, and that Thomas S. Rishworth be allowed one additional day in addition to the one already allowed, for attendance as a member of the Investment Committee. That will mean four days for members of the Committees on

Jurisprudence and Laws and Finance and Accounts, with five for Noble Rishworth. That is in accordance with the law of the Imperial Council. I so move. (Motion seconded)

President ARVOLD: Are there any remarks? If not, all those in favor will please say "Aye." (Motion Carried.)

Noble BALDWIN: Fifty years of services to this Imperial Council is a long time. We have a Past Imperial Potentate that has reached that milestone today, and tomorrow night I believe Medinah Temple is going to give a little

banquet of some kind, in honor of the individual I am about to mention; and I think it only proper that the Imperial Council recognize fifty years of service. This organization is 77 years old at this meeting, so 50 years is a long time.

I move you, Sir, that this Imperial Council present to Past Imperial Potentate Frank Roundy an "E" Bond in the amount of \$1,000 face value. (Seconded by Noble Woodfield)

President ARVOLD: Are there any remarks? If not, all in favor say "Aye." Opposed? The motion is carried.

It is an inspiration to me to come up on the stage and present this lovely couple that will be received throughout North America during the coming year. I am sorry we cannot ask you to stay on during our proceedings. As soon as this little demonstration is over we shall ask you to retire in the same gracious spirit in which you came into this particular room.

Bill Woodfield and his gracious wife are up here, and it gives me great pleasure as Imperial Potentate for the year 1944-45 to now introduce to you from the Knickerbocker Cottage on the sidewalks of New York, William H. Woodfield and Lila Woodfield.

This voice will no longer sound over the destinies of this particular Order, but a new voice, a voice from the Capital of the World, a voice that will not only be heard throughout North America but all over the world, and, William Woodfield, the stage and the sidewalks of New York are yours.

Imperial Potentate-elect WOODFIELD: Sit down, everybody, please. I trust that the stupendous applause which greeted the mention of our names was entirely spontaneous. I would hate to find myself in the position of a certain Austrian composer, who had reached middle age after a severe struggle to keep both body and soul together. His hopes were at the lowest ebb when he received word from the emperor of Austria that he would be permitted to appear the following Tuesday evening at the Vienna Grand Opera House and play his latest composition, a piano concerto. Gleefully this middle aged musician called his five children together and said to them, "My children, as illy as I can afford it I shall buy each one of you a ticket for Tuesday night's

performance, and when I reach the andante movement I want each of you to yell out 'Bravo!' That will not only stimulate the interest of the audience, but what is most important, the interest of His Majesty, the Emperor."

The following Tuesday night the performance took place. All of the elite of Vienna were present. The emperor and his consort sat in the royal box. In due time our middle aged musician appeared upon the stage, and as he finished playing the allegro of his concerto the audience was silent. But when he finished the final andante he was astounded to hear five voices yell out as if they were one voice, "Bravo, Papa!" (Applause)

We are very grateful to you boys for electing us to this high spot. After a command from the Imperial Council last year I have a long speech and a short speech of gratitude for an occasion of this kind, but I think today I will give my long speech of gratitude. My short speech of gratitude is "I thank you." My long speech of gratitude is "I thank you very much." (Applause)

I am going to give you the lowdown. In 1932 we had the Shrine convention in San Francisco, which kept me away from home for approximately a year, flying all over the nation, to try and put over the convention, because I was afraid that if it was a flop people would not remember the condition of the times but would hold it against me personally as Director General. So at the end of that year my wife said, "Don't you ever go to another Shrine meeting." I had been flying all over North America and covered 60,000 miles. So I agreed. I was just too exhausted, so I said "All right, we will take no more active part in the Shrine."

But we got letters from around the country, and a couple of years later some of the boys suggested that Islam Temple should have an Imperial Potentate once in every fifty years. So the boys got together and urged me to run for the job—Jack McGilvray, Ernie Hueter and George Filmer. But I said, "No, nothing doing." I came home that night and told my wife. I said, "The boys wanted me to run for the Imperial line and I turned it down." She said, "What did you do that for?" I owe the spot I am in today to my darling wife. (Kissing her.)

Potentate POYNER: May I in behalf of Islam Temple congratulate you? I know you are going to have a wonderful year. Your ship is going to sail on a happy voyage.

Noble WOODFIELD: Thank you, Bill. I sure appreciate all that you as Potentate have done for us, and the Temple. Fortunately I was not present when the action was taken or it would probably would not have gone over. But they put over a resolution to spend \$10,000 on a reception to us when we get back. But we don't want the Shrine to be run on that basis, so we will cut it down to about a \$10 reception.

Noble MCGILVRAY: I am glad to see you Imperial Potentate. It has been a pleasure to have been associated with you during the years. I know you are going to do as we all do in California, make good.

Noble WOODFIELD: Thank you very much. You are all my best friends. I am not going to try to make a speech as to policy. We will try and let our program unfold itself. You members of the Imperial Divan have some idea of what we have planned. Thank you.

President ARVOLD: Now if the ladies will come forward you will have an opportunity to congratulate the Imperial Potentate. Come around on this side, and then as you go out you can pass through Knickerbocker Cottage where the first Shrine meetings were held.

Noble WOODFIELD: Imperial Potentate, I just want to say one word to you in behalf of the Divan. I express their appreciation for your great effort and the great work that you have contributed to Shrinedom. You have contributed to the spiritual as well as the showman side of this great institution. The way the Shrine was presented here last night almost brought tears to my eyes, and also your Annual Address moved me deeply. I am proud to have you sit on the Board with us for another year and help us out in our problems.

President ARVOLD: Nobles, I declare the Iowa corporation open. At this time we will have the report of the Committee on Necrology.

Noble STANTON A. BRUNER: (Al Malaikah Temple): Imperial Sir and Directors, I herewith offer the report of the Necrology Committee and request that it be incorporated in the Proceedings of this meeting. (Reading)

REPORT OF THE COMMITTEE ON NECROLOGY

*To the Imperial Potentate, Officers and Members of the Imperial Council,
A. A. O. N. M. S.:*

Again we pause in the deliberation of our Imperial Council to pay a tribute of lasting love and affection to those of our loyal band of Nobles who have served long and well, and now have passed through that portal which is incorrectly known to us mortals as Death, but which in fact is passing to a home on high which our Savior has prepared for us.

Your committee would direct your attention to the thought that life is a progressive enterprise, that progress would not be achieved if ended with the grave. Our Masonic teaching is that life is eternal and we as Masons have the utmost faith that this is correct.

Of all the creations of God, none comes into the world more helpless and none continues as helpless for so long a period as mankind. For existence the babe is entirely dependent upon others. After some weeks, it begins to notice the things around it, then it can grasp something in its hands and finds its fingers and toes. Finally, it can utter a word and take a step and progress continues until we see the adult with the greatest degree of independence. Knowing this mortal progress in life, it would truly tax our credulity beyond the breaking point to believe that this progress just continued to a point and then abruptly ended with what we call Death. We know this is not the fact. We do not accept life as a ship that passes in the night or as a fading flower. We know that Jesus said "I go to prepare a place for you and if I go and prepare a place for you, I will come again and receive you unto myself." Therefore, we know that life goes on beyond the grave. Paul said "This corruptible must put on incorruption—this mortal must put on immortality." He knew that life was without end and that the grave had no terror, but that life progressed into that world, to us unseen.

So with the teaching of our Savior, plus the admonition of our Order, we say to you that, in the loss of our beloved friends, we do not have the least tinge of despair. To be sure, we have the heartache and the reality of the burning of the tears as we lose for a time those whom we love but we have the firm, childlike faith that we shall see them again, where all are united and live in the realm of the eternal.

Since the last Imperial Council Meeting, the following of our well-loved friends have, with a smile and a wave of the hand, journeyed on where they await our coming:

We presume that most of you have seen the picture "Mark Twain." We mention it only because in its closing seconds, it more beautifully illustrates what we are trying to say than anything in the world of which we can think. It was simply Mark Twain marching up the trail to the sunrise rather than down the trail to the sunset. That is the message of this hour; that is the message, the hope and the life of Masonry—that life continues and progresses, not for just a while, but for eternity. Our friends live on; they are just away. We shall only say "Good Night" for they and we are marching up to the trail to the sunrise—they are only a few steps ahead.

"We cannot say, and we will not say
 That he is dead, he is just away!
 With a cheery smile and a wave of the hand
 He has wandered into an unknown land
 And left us dreaming how very fair
 It needs must be since he lingers there,
 And you—oh you, who the wildest yearn
 For the old time step and the glad return.
 Think of him faring on, as dear
 In the love of There, as the love of Here,
 Think of him still as the same; we say,
 He is not dead—he is just away."

WILLIAM HEIM

Born—Philadelphia, Penna., October 10, 1886.

Died—Philadelphia, Penna., May 8, 1945.

God's messenger on earth is a gentle and kindly man, such a man was Illustrious Noble William Heim. He was born and lived his entire life in the City of Philadelphia, where he put forth his many energies and radiated a personality that will long be a guide to his many friends and acquaintances.

Early in life he became interested in the publishing business and distribution of books. In this, his life's venture, he became eminently successful.

Many years ago he developed a deep interest in all of the branches of Masonry, and in this field he threw his full weight and smile, which was the outlet among friends for his personality.

He was entered in William L. Elkins Lodge No. 646 F. and A. M., on January 5th, 1911; crafted February 3rd, 1911, and raised, to the sublime degree of a Master Mason, April 6th, 1911.

His capitular Degrees were received in University Chapter, R. A. M., March 18th, 1913; resigned from that Chapter May 17th, 1921, and admitted as a Member of Signet Chapter, June 24th, 1921.

He was Knighted in St. John's Commandery, No. 4, Knights Templar, April 23rd, 1915. He was also a member of Philadelphia Council No. 71, Royal and Select Masters.

Scottish Rite Masonry next attracted his attention. He received the 14th Degree, in the Lodge of Perfection, March 17th, 1916; the 16th and 17th Degrees, Princes of Jerusalem; the 18th Degree, Chapter of Rose Croix and the 32nd Degree, The Consistory, in the Valley of Philadelphia, Scottish Rite Masonry, later known as "The Benjamin Franklin Consistory." Because of his tireless activity in behalf of Scottish Rite Masonry, he was Crowned an Honorary Member, Supreme Council 33°, in Cleveland, Ohio, on September 27th, 1944.

Noble Heim was elected to membership in Lu Lu Temple, A. A. O. N. M. S., December 4th, 1915, and here he found full play for his dramatic talents, as well as his leanings toward philanthropic activities. He immediately became very active, filling many minor offices and then was elected High Priest and Prophet in Lu Lu Temple, January 5th, 1927. Advancing through the Chairs, until he was elected Illustrious Potentate of Lu Lu Temple, January 3rd, 1934. For the succeeding eleven years, he was unanimously re-elected, until he retired January 3rd, 1945.

In June, 1939, the Representatives to The Imperial Council of The Shrine, elected him as Imperial Outer Guard, in the Imperial Council Session, held in Baltimore, Maryland. Through the various Offices of The Imperial Council, he advanced, until, at the time of his death, he was Imperial Oriental Guide. Had he lived, he would have become Imperial Potentate in 1950.

Although Noble Bill had been failing in health for the past two years, his friends had hoped that he would be spared and be allowed to continue to enrich their lives by his kindly associations. Never has a more generous and tolerant man in his judgments and dealings walked this mortal earth. His every action was prompted by high ideals and noble impulses. His love and devotion to the Imperial Council endeared him to all of the Nobility.

So, let us look upon his life as a wonderful story, not yet fully told. Let us dedicate it to the eternal and to the glory of all mankind. His spirit is always with us. Nothing can separate it from us. Good Night "Bill," we will see you in the morning.

We are, therefore, thankful that we have for many years had the privilege and pleasure of friendly companionship with our esteemed Brother, Friend and Neighbor, Garnet C. Cowan. This calls for a motion for the adoption of the report and the amendment of the Code.

Noble ROWE: I so move. (Motion seconded)

President ARVOLD: All in favor respond by the usual sign. Contrary? Motion Carried.

I will ask Illustrious Nobles Woodfield and Lloyd to escort Noble Sig Chakow to the altar.

At three different sessions, Nobles of the Mystic Shrine, this Noble of Medinah has been a human dynamo in staging these different affairs. I not

only want to say to you but to him that the Shriners of North America appreciate the fine work that you have done in painting the scenic drop of the Knickerbocker Cottage and the many fine courtesies extended just because you have an interest in the Shrine and because you have a mind that has imagination. Sig, we appreciate it. We appreciate it from the depths of our hearts.

Not only that, we want to congratulate you on being President of the Shrine Directors' Association of North America. It is an honor that all of us wish you well in. And I congratulate you on your service to Medinah Temple here in Chicago. Probably we won't be here for some years to come, and I want this opportunity to just shake your hand, and as I shake it, remember that 414,000 Nobles of the Mystic Shrine are shaking it. Sig, you have a heart of gold and a mind just chock full of imagination, and a soul that is filled with the spirit of fraternalism. Thank you. (Applause, the Nobles present rising.)

I think that he has done a great work, and I would like to have you, Imperial Recorder, write a letter to him expressing some of the thoughts that I have uttered this morning. Send it to him so he can keep a copy of it and frame it.

Noble BEFFA: I would like to express a personal observation. Being a new man on this Board of Directors, sitting in on yesterday's sessions and this morning, I am of the opinion there seems to be a lack of knowledge of the workings of the Iowa and the Colorado corporations.

If I am right in that I would like to offer a resolution that the General Counsel be delegated, with the aid of such other officers as he deems advisable, to prepare a business organization working chart of the Iowa and the Colorado corporations; that it be placed in the Proceedings and in the hands of the directors of the corporations so they may become thoroughly familiar with the business operations of the two corporations, and I so move.

President ARVOLD: You have heard the motion. Any questions? All those in favor say "Aye." Contrary? Carried.

Noble HAMMERS: Imperial Sir, I would like to present a resolution to the Finance and Account Committee that the Imperial Council appropriate \$25,000 to be used in Public Relations during the ensuing year.

Noble WOODFIELD: (In the chair): Do I hear a second? (Motion seconded) All those in favor say "Aye." Contrary? Carried.

Next order of business.

Noble JACOBS: To conform to the resolution which was passed by the Board of Trustees in which they appropriated \$6,250; \$3,750 is for three Fellowships in Orthopedic Surgery and \$2,500 for Fellowships for nurses, I move you, sir, that we appropriate \$6,250 for this purpose.

Noble WOODFIELD: Do I hear a second? (Motion seconded) All those in favor say "Aye." Contrary. Carried.

Next order of business.

Noble HAMMERS: Imperial Sir, may I add to the resolution originally made and incorporate with it, that two members of the Colorado corporation

be made members of the Public Relations Committee, and two members of the Iowa corporation be made members, and the Imperial Potentate-elect become the fifth member of the committee. (Motion seconded)

Noble WOODFIELD: All those in favor say "Aye." Contrary? Carried.

Next order of business.

Noble POTEAT: Imperial Sir, I suppose this body wants to approve or disapprove the suggested changes in the Ritual which were read to you yesterday. So far as I heard there is no serious disagreement on any of these points except as to the salute. Several of the Past Imperial Potentates believe that all Shriners should execute a right-hand salute when wearing the fez. A good many others seem to think that uniformed bodies should execute a right-hand salute, but others should remove it and hold it over the heart. Now would you like for me to move that the changes I suggested yesterday be adopted and let us have that one for discussion, or include it in the general motion?

Noble WOODFIELD: What is your pleasure? Anybody any objection?

Noble POTEAT: Last time there was any action taken by the Imperial Council on this matter it was voted all Shriners should execute a right-hand salute and not remove the fez, but I read you yesterday the order of the War Department secured by Imperial Recorder Jacocks. If this regulation were applied to our Order it means that the fez should be removed during the salute to the flag. I have no preference in the matter at all, Nobles.

Noble JACOBS: Imperial Sir, I did not obtain that regulation from the War Department. It was simply a copy of a ruling of the War Department. When this matter was previously under discussion, General Fries who at that time was an active Major General in the Army, had a ruling from the War Department that the fez was an official regalia of the Shrine, and that therefore it was not necessary to remove the fez in saluting the colors.

President ARVOLD: Could we do this, that you make a motion that we follow the War Department's ruling? I can appoint a committee to ascertain what that is.

Noble POTEAT: We have the ruling.

Noble BALDWIN: I would just like to make this one observation. If there is any argument how we will salute the colors, whether we wear the fez or don't wear the fez, suppose there is a parade and I am a Noble standing on the street. There may be 50 other people there that are not Nobles. The customary thing for a civilian to do when the colors pass is to take his hat off and place it over his left breast. Now the 50 civilians will see the Shriner salute with his fez on. The civilian does not know whether it is the order of the Shrine to wear his fez and salute that way or not, but he does know that a civilian should take his hat off and put it over his heart.

Noble WILSON: So far as the uniformed units are concerned, I disagree and feel very strongly that a man that is in full Shrine uniform not only as a matter of patriotism but as a matter of convenience, with the regalia that he ordinarily has on, should salute with his fez on. Frequently he may be carrying side arms or he may be carrying flags of some kind, and by the time he

gets himself oriented and has divested himself of whatever he is carrying, whether a scimitar or flag, and gets his fez off, he makes himself ridiculous; and I personally very strongly believe that uniformed units should salute the flag with the fez on, a right-hand salute. I so move. (Motion seconded)

Noble WOODFIELD: All those in favor say "Aye." Contrary? Carried.

Noble POTEAT: There is one other point.

Noble ROWE: What about the Noble with the fez?

Noble POTEAT: We will get to that in just a minute.

Noble JACOBS: I don't think the regulation was supposed to affect the man standing on the sidelines. All these regulations I am talking about came up years ago for the regulation of a meeting. It had no reference whatever to a Noble standing on the sidelines in the street.

Noble ROWE: At Milwaukee I recall last year when we had a display some of the Nobles took their fezzes off, and others stood at attention. We ought to have a definite rule.

Noble WOODFIELD: That has all been settled so far as the uniformed units.

Noble ROWE: I am talking now about the Imperial officers.

Noble POTEAT: There is one other point about uniformed units. Some of the men carry sabers or scimitars. We ought to put in a provision that they shall salute with the scimitar instead of executing a right-hand salute, or is that necessary. Are there enough of them who carry those things to make a specific recommendation necessary.

Noble POYNER: May I ask a question? At each of our business sessions we have a flag ceremony, and we have adopted the policy in our Temple of saluting with our fezzes remaining on, executing the right-hand salute. We ourselves have been uncertain.

Noble POTEAT: It is my understanding that whatever rule we adopt this morning is supposed to be applicable to all situations, meetings of Temples, men standing on the sidelines, and all the rest of it. I don't see any use in attempting to make any distinction.

Noble WILSON: I personally believe that a man who has a fez on should salute with his right hand. The point I am most insistent upon is the uniformed units. As to the other I believe they should salute with the right hand whether in uniform or not. I don't think it is even questionable if they are in uniform.

* Noble POTEAT: I don't care to make any motion. I think we decided that the one voted on applied to uniformed bodies.

Noble WILSON: That having passed, I will now move—just to bring it up for action—that Shriners when wearing a fez salute by right-hand salute without removing the fez; and you can then vote it either up or down.

Noble WOODFIELD: All those in favor say "Aye." Contrary? Carried.

Noble POTEAT: Now, Imperial Sir, there is only one other matter, and that is the oath of allegiance. This matter was brought up yesterday morning.

Our Canadian brethren agree that it would be good policy for us to have in the Shrine ritual the oath as it is commonly given: "I pledge allegiance to my Flag and the Republic for which it stands; one nation indivisible, with Liberty and Justice for all." I would like for somebody to move that that be adopted as the official Shrine oath of allegiance.

Noble MACKENZIE: May I suggest that there be an option as far as Canada is concerned. We salute the King. It might be that you should take it up with our Department before that is printed and they will send you the proper phraseology.

Noble POTEAT: Thank you. I think then that we do not need any vote on that point. I move that the suggested changes in the ritual be approved and that the Imperial Recorder be directed to prepare new rituals when they are necessary in accordance with these suggestions, always subject to the counsel, advice and instructions of the Imperial Potentate. (Motion seconded)

Noble WOODFIELD: Any question? All those in favor say "Aye." Contrary? Carried. Hubert, is that all?

Noble POTEAT: We ought to have a vote adopting this form of pledge of allegiance, the one that I read.

Noble HAMMERS: I so move.

Noble FOLGER: Might I inject a word? The one read is not the official oath of the United States. The official oath is: "I pledge allegiance to the Flag of the United States of America" instead of "my Flag."

Noble POTEAT: I am glad you brought that up. "I pledge allegiance to the Flag of the United States of America and the Republic for which it stands; one nation indivisible" etc.—

Noble WOODFIELD: You have heard the question. Is that all right? We all understand that our brethren in Canada and Mexico will, of course, be allowed to use the form that fits their needs.

Noble JACOBS: I think it should be stated in the ritual.

Noble MACKENZIE: He is going to so state in the ritual.

Noble JACOBS: Canada and Mexico should have the right to use their own phraseology.

Noble WOODFIELD: The Imperial Recorder raises the point it should be in the ritual.

Noble MACKENZIE: My understanding is it is going to be.

Noble HAMMERS: I will amend the motion to include that the form for Canada and Mexico be also included in the ritual.

Noble WOODFIELD: Are you ready for the question. All those in favor say "Aye." Contrary? Carried.

Noble SMITH: On the George Washington Memorial Association Noble Arvold has something to say.

Noble ARVOLD: Imperial Potentate, I would like to make a report to the Board of Directors on the Mystic Shrine Room in the George Washington National Masonic Memorial at Alexandria. Many years ago the Shrine from

time to time gave a certain amount in order to construct that building. They donated \$168,000 over a period, if I am not mistaken, of about five years. Is that true, Noble Steuart?

Noble STEUART: It was not all at one time.

Noble ARVOLD: Last year Noble MacKenzie, then Imperial Potentate, made a motion to the effect that we have headquarters in that particular Memorial. This year at the Board of Directors' meeting held in January we set aside the sum of \$15,000 to help remodel those rooms, and a committee was appointed consisting of Nobles Galloway Calhoun, Everett Jacocks, and the Imperial Potentate—it was not possible for me to be at Washington at that time. Nobles Calhoun and Jacocks looked over the place and they selected one of the north rooms in that gorgeous structure for the Mystic Shrine Room. Then your Imperial Potentate visited that particular building and that memorial the middle of April and had with him Noble Steuart and other Nobles. We decided that the choice made by Nobles Galloway Calhoun and Everett Jacocks was splendid.

We decided that the best time to officially dedicate would be on May 21st. Naturally we heard a great many people who said it could not be done and it "can't be done". Of course they didn't know my personality. When you put "can't" in front of me I begin to work. Sometimes I stumble a little, or a lot of times, but we went ahead with the fine cooperation of Almas Temple, Boumi Temple and Acca Temple. The rooms were prepared and on the 21st day of May they were dedicated. Boumi brought over its uniformed bodies, Almas brought its uniformed bodies, and Acca Temple brought one of its units from Alexandria, Virginia. On the steps of the Memorial we gave the Pledge of Allegiance to the Flag, had a band concert, a Chanters' concert, and had hundreds of people looking on.

After that was done the Imperial Divan, the members who were present, some of the members of Congress, some of the members of the United States Senate, (for there are 27 Senators of the United States who are Nobles of the Mystic Shrine, and I think there are 80 to 100 in the House of Representatives)—marched into the Mystic Shrine Room. I think every delegate received notice to that effect. I would just like to give you personally a description of my impression of it. As you enter it from the front on the north side there is a lobby. It is not a large room, but it is a room that has possibilities in it in the future. Then you turn to your right and you go into a room 29 feet 8 inches wide and 80 feet long, and there are three windows. You stand in front of those windows, and out of those windows as you look you can see the Washington Monument, you can see the dome of the nation's Capitol, you can see that City of Washington, your capital and my capital.

It is a gorgeous room and it has some fine opportunities in the future to make it an outstanding contribution to Masonic life and Shrine life in America. There is a hall back of this, and back of that there is another room. And I decided to go ahead and finish up those rooms, and this is what we have intended to put in:

A large glass case, probably in the lobby—would contain the fezzes of the 159 Temples, properly mounted and properly displayed. And then at the end of the lobby there is an opening about the size of a large door. There is a chance for a vault back of that door. In front of the vault a glass door could be put in for display purposes.

Noble Lou Donnatin signed over to the Imperial Potentate, in his custody until everything is placed, the first ritual written by Walter Fleming. It is in longhand, a leather covered book. He turned over the jewel that Billy Florence wore, which I judge is about the size of these fingers with an inch on each end, and several other jewels that he had. The first charter that was granted to Mecca Temple, we have a photostat copy which could be placed in that particular glass case. These particular jewels and relics are invaluable to the history of the Shrine, the origin of this Order that you and I belong to.

On the walls we already have the beautiful painting of Billy Florence—I should judge it is five feet wide by eight and a half feet high. He has been called William James Florence, but his name was William Jermyn—William J. Florence. Noble Lou Donnatin turned that over. It was his personal property. Somebody had given it to him. Some day we want to get a painting of Walter Fleming and put it on the wall, beside Florence. A large life sized painting of Noble Warren G. Harding, given by the Nobility of Ohio to the Mystic Shrine Room, as well as paintings of Nobles Franklin D. Roosevelt and Harry S. Truman—three Presidents, Nobles of the Mystic Shrine would enhance the value of the room.

I am happy to say that Ararat Temple has already started to organize a campaign—to put a painting of Harry Truman in that room.

The Shrine Temples in the State of Indiana might give a painting of Charles W. Fairbanks, former Vice-President, who was a Noble of the Mystic Shrine.

All the pictures of the Past Imperial Potentates, Past Imperial Recorders and Past Imperial Treasurers, would add color. The Shrine Temples in the State of Pennsylvania might give 10 or 15 models of our Shrine Hospitals, and put them in glass cases so that they could be placed in the Mystic Shrine Rooms.

We have all the Proceedings since the Imperial Council began. They are all there in Washington. We believe that as the years go on every one of us will be proud of the contributions that the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America have made towards fraternalism in this country.

We naturally want to get a couple of Oriental rugs and probably will ask somebody to give them. However, it takes money to go on with the work, and we feel that the Shrine has a home there and the Mystic Shrine Room will be a gorgeous place to visit. Last year over 200,000 persons went through that Memorial, and we predict that in another year or two there will be a million people go through that particular building from year to year. This place will be the show window of all Masonry, as I have often called it in my talks. We

believe in it heartily, and if we can in the future give the energy and give the enthusiasm, and a little vision, a little imagination, we will be only too happy to do it.

But we will have to have certain funds to finish certain things in there—not a great amount. We believe that every Noble that we have talked to in different places in the country is whole-heartedly back of that particular project, and we are proud, Imperial Potentate-elect, to make this report. We are happy to do it.

The dedication was attended by our Illustrious Nobles Hammers, George Rowe, Len Steuart, Everett Jacobs, and a great many other Nobles. It was an elegant occasion, and Dr. Arn, president of that Memorial was there. We had what we think was a glorious dedication.

I haven't anything else to say, but I am proud to be one of those who helped establish this particular room in the Masonic Memorial.

Past Imperial Potentate FIEBACH: I would just like to say in answer to what Al, our Imperial Potentate has said—I cannot speak for the other Temples of Ohio, but when I get back home I think I can get the six Temples in Ohio to join in the enterprise and furnish you with a painting of Warren G. Harding, a Noble of Aladdin Temple, of Columbus, for that Memorial.

But in all his enthusiasm, in his research, our Imperial Potentate has covered the situation with Mecca Temple quite perfectly. But we in Al Koran, No. 4 of the Temples of North America, have particular pride in the early history of the Mystic Shrine. Dr. Walter Fleming was not a dramatist. Billy Florence was busy in his engagements in the theater. And it so happens that the dramatization of the ritual that Billy Florence furnished was first put on in ceremonial form by Noble Sam Briggs, the founder of Al Koran Temple, and Mecca Temple sent its candidate to Cleveland to get the work. Dr. Walter Fleming reported that in his Annual Report in 1879.

I have a photostatic copy of a History of the Shrine that was produced by Al Koran Temple at its Golden Jubilee quite a number of years ago, and that is very fully reported in the History of the Founding of the Shrine. I believe if you approach him our Potentate could get Al Koran Temple to donate for this collection in Alexandria a painting that we have of Sam Briggs, one of the great Nobles of the world.

Noble Briggs was not only the founder of Al Koran Temple; he served as Potentate for 25 consecutive years, and six years during that time he was Imperial Potentate. He succeeded Walter Fleming. During Walter Fleming's ten years 30 Temples were created or instituted. During Sam Briggs' six years 33 Temples were instituted. Sam Briggs was the only Potentate who instituted more Temples than any other man that ever held the office. He instituted your Temple.

Noble ARVOLD: We have that record. We are gathering all the data we can. We know the fine work Sam Briggs has done. I think you showed us that picture on our official visitation there. We want to get that data. But since this project was started, Nobles, we have been getting letters from all over

the country. Out there in Nile Temple there is a man 85 years old who was one of the children in "The Almighty Dollar" a play Billy Florence put on in New York City.

What we want to do is dig up everything we can on the origin and put it in the vault and keep it there. I think the Imperial Potentate-elect will find considerable joy in doing this.

I think an appropriation of say not to exceed \$20,000 a year for a period of three years should be made at this particular time.

Past Imperial Potentate RAHN: I have no voice here. Can I be permitted to say a word?

Noble WOODFIELD: Go ahead.

Past Imperial Potentate RAHN: The subject matter before you is very dear to me. As your Imperial Potentate in 1938-39 I made the recommendation at that time to consolidate the offices of the Imperial Council, instead of having the Recorder at one point, the Treasurer at another point, and so on. Your organization has gone to a point where it is a very large corporation. It is necessary that you have your offices where the records can be kept, where it is not necessary to travel two, three or four days to reconcile figures and return. The recommendation was made.

The next Imperial Potentate, Walter Cline, did consolidate the office of the Hospitals and the Recorder's office, saving money—thousands of dollars. It saved a double set of entries in bookkeeping, three or four employees. The result of that one particular move was a saving to the Imperial Council, and placed under your Imperial Recorder the responsibility for the records.

We have just gone through a situation in which I am vitally interested, in the changing of our counsel. Some years ago we found that the records were almost everywhere. Today, with the hundreds of wills that you have under the jurisdiction of your legal counsel, it is necessary to have those records in one spot.

You have that opportunity in the Washington Memorial to have offices with the type of a safety vault in which these records can be kept. The management of the Crippled Children's Hospitals under its present operation has been most efficient, but the time is coming, and when it takes place it will be necessary to have that office of the Colorado Corporation as well as the Iowa Corporation in one spot. That office should be the office of the Imperial Potentate and all others that have work to do.

The records of the Imperial Council should be kept intact in a safety deposit vault so that a hundred years from now they will be there. There is no reason why that cannot be done. The distance is not great. The George Washington Memorial is not much further from the city than where I live at the Union League Club to the Palmer House or the Hotel Sherman. You can go out in ten minutes. It is a wonderful site.

Why not begin now in your postwar planning to make efficient operation complete by establishing offices of counsel, the Imperial Recorder, the Imperial

Treasurer there, and make the office at Washington the Imperial Potentate's office as well in the postwar program of the Imperial Council?

These are things we think of in the Crippled Children's work, with which I am quite familiar. If it had not been for the war, control of your hospitals would have been taken away from the—

Noble WOODFIELD: May I break in? We have had three or four Divan meetings in the middle of the year, and this matter has been very much under consideration, the combining of all this, by the Board of Directors, that you initiated in 1938. They have discussed it and they are talking very seriously about it.

Past Imperial Potentate RAHN: I shall close with this one remark. You expect in every state in this Union during the postwar effort that you are going to have your way of running your hospitals, which you cannot. Their program today in Washington is that your hospitals would probably come under national social security, to conform to the Government's rules and regulations for taking care of them from birth to the grave.

Noble WOODFIELD: Thank you, Noble Rahn. The chair recognizes Noble MacKenzie.

Noble MACKENZIE: Imperial Sir, in reference to Andy's remarks relative to the consolidation of offices, there is a resolution on the statutes today dealing with this matter, but, as I recall it, while it was passed it cannot be handled until after the war is over; and, as the Imperial Potentate-elect said, it has been up for discussion many times.

Now to revert to the present order, the George Washington Memorial, which some of us call a museum, I should like to call it the show room of Shrinedom. As outlined, this is a very elaborate thing and I think in the years to come we are going to be justly proud.

To be brief, and bring this to a head, you have approved this, considerable work has been done, but a great deal more has to be done, and when work is at stake money is required, and I think that is what you are waiting for now, whether or not you see fit to appropriate sufficient money to carry out the development of this project.

It has been estimated that in order to carry out the plans already established over a period of three years it will be necessary to appropriate, if you will, a sum of money approximately \$20,000 per year.

I don't know the details. But I do know this, that it is going to be and will be one of the greatest steps forward the Shrine has ever taken. I would say it would probably be the greatest show window that Shrinedom has ever had.

It is something that must be well directed. I think Past Imperial Potentate Freeland Kendrick threw out a very wise suggestion the other day in the Trustees' meeting when we were dealing with this matter, that it should be directed in such a way that only those historic things relating to Shrinedom will find a place there, because God knows as time goes on we all may want to

contribute something to it. But there is always a place for the right sort of things.

So I am now offering a motion—there is more detail that the Imperial Potentate did not take time to give you—that we appropriate the sum of \$20,000 per year for a period of three years to carry on this development and complete it. (Seconded by Noble Arvold.)

Noble WOODFIELD: It has been regularly moved and seconded. You have heard the motion. Anybody want to speak to it?

Noble ROWE: I should like to speak to the motion. I want to say to you, Nobles, that every time I stand up I seem to be against something, but I feel this way about this Mystic Shrine Room.

I agree with everything that the Imperial Potentate has stated about the wonderful affair that we had at the dedication. I think we should continue on and finish it. But I think we should have some committee to determine just exactly how far we are going with appropriations for the finishing of this Mystic Room.

Now the appropriation, as I understand it, was \$15,000, and I understand also that that appropriation was exceeded in order to proceed as far as we have. I don't think that many of the members of the Imperial Council know very much about the plans and specifications that are to be proposed in completion of this room. I understand that the Imperial Recorder and Imperial Potentate and Imperial Treasurer were the three members of this committee.

It would seem to me that before we begin to make appropriations for something elusive and in the air we should have a plan and we should know exactly how much this thing is going to cost us. I am for the project.

Noble STEUART: We have that.

Noble ROWE: Let us have it. We are going to vote here on something we don't know what it is all about.

Noble BALDWIN: I would like to say one thing in reference to this. We are spending money for the future and we have no idea what we have planned except that we are having a room and we are going to put some things down there, as remembrances of the Shrine, records of the Shrine, and so forth.

When we start spending money we are spending money of the Imperial Council, and that is a very important thing. I feel that there should be a committee appointed to handle this matter and that you should have a budget presented as to how the money is going to be spent and in what manner, it is going to be spent, and then we can pass on that budget intelligently. But just to stand up here and say we are going to spend \$20,000 a year for the next three years, I don't feel that I can vote for it in that form.

Noble BEFFA: You are absolutely right.

Noble SMITH: Imperial Sir, I was assigned the duty of negotiating with the proper officers of the George Washington Memorial a proposed contract to carry out the wishes of the Board of Directors and the Imperial Potentate as stated in the Board of Directors' meeting held in January of this year.

Now preparatory to drawing up such a contract I ascertained from the Imperial Potentate's dedicatory address the list of things that he thought should go in there, and I had the architect for the building, who is experienced in drawing up such plans prepare an estimate of the outside cost of placing those things which the Imperial Potentate suggested and which I understand everybody is agreed should go in. There may be other things. Some of these things may be contributed by certain Temples. For instance, the Hospital exhibits, and the case for the Temples' fezzes.

I have the outside cost of everything that has been outlined that should go in, and including what we have already spent it amounts to a total of \$62,316, which, of course, as you know, will not be expended all at one time. It will require some time to get this project in order.

I have also here, in line with Judge Rowe's suggestion, resolutions which I have submitted to the Jurisprudence and Laws Committee to set up the machinery to carry this project forward. One resolution empowers the proper officers of the Iowa corporation to negotiate a contract. I want to speak about that in a moment. Another resolution sets up a committee of not more than five and not less than three of the Imperial Divan or members of the Imperial Council to adopt regulations and to govern the materials that shall be put in the Mystic Shrine Room.

You cannot get interested in a project like this unless you have some way to control the size of the exhibit and how the arrangement is going to look; and you have an artist's point of view of what is eventually going to go in there. This architect has prepared that, but he hadn't it finished and I was unable to bring it with me.

But in order to carry out your wishes in this I have the machinery arranged here, the proper resolutions, which will put this in effect. It cannot be done all at one time. It will have to be done over a period of years, and of course it will cost some money. But, as I understand it, you appropriate \$20,000 a year here for three years. That is the outside figure. Plus what we have already spent, \$12,000.

It might not be necessary to spend a great deal of the money. I understand there are already promises to the Imperial Potentate for donations of these Hospital unit exhibits, which is the most expensive item, and it may be that the greater part of these exhibits will be contributed by the various Shrine Temples.

But in the event it is not contributed, to carry forward the wishes and to complete the project which is already started, you have got to do something; and so you must provide the necessary authority for, as and when it is necessary to use it.

This estimate I have here covers everything that is in the mind of your committee at present. As to the contract, the George Washington Memorial Association is a Virginia corporation and they have established their exemption from taxes. We ran into this problem in Virginia. A contract with respect to real estate or occupancy of real estate is no good unless it is in writing, and

it must be a lease. It is a tenancy under the Virginia law. So under their scheme of things it is impossible to draw up an enforceable contract; it would have to be in the form of a lease or tenancy of some nature to be enforceable. However, they have such a contract with the George Washington Alexandria Memorial Lodge. That is a Masonic body.

There is nobody to object. The George Washington Memorial Association and our organization are both fraternal bodies. And the only thing that we could legally do under such a contract as they wish us to accept, is to protect us to the extent of the chattels so that we can remove the chattels when and if we leave the premises. I say to you that I have investigated that thoroughly. We can by a contract, without entering into a lease, protect ourselves to the extent if we want to leave there we can remove our chattels or property. That is about all we are interested in. As long as we stay there we are all right. Nobody is going to raise any question. If we want to get out, we will want to take our possessions with us. That can be done by contract. Such a contract would be enforceable under the laws of Virginia as to chattels it will not be within the Statute of Frauds.

Noble ROWE: What about the item of maintenance?

Noble SMITH: Since you have taken such a large part of the building, you are to contribute \$1,800 a year, or \$150 a month, towards maintenance. In addition it will be necessary for us to employ a custodian, because you have got a lot of property there. And I might suggest that that custodian, whoever it is going to be, should be under the Imperial Recorder's office, because he is the paid administrative officer of this corporation, and you have to provide some way for some supervision.

Noble ROWE: Have you made an investigation as to exactly how much it is going to cost this Imperial Council to finish the project?

Noble SMITH: I have the estimated cost.

Noble ROWE: You talk about contributions, you talk about a custodian, got to pay rent—do we have to pay for light?

Noble SMITH: No, they furnish all of that. We merely pay \$150 a month towards the maintenance of the building. We will have to pay the custodian, which I would imagine would cost not less than \$150 a month.

Noble HAMMERS: I am wondering if the recommenders of the resolution would not be happy to present this on an annual basis instead of a three-year plan, allowing the matter to come before perhaps the entire assembly at the next meeting, but allow the matter to proceed as is with hearty approval of what has been suggested?

Noble SMITH: Noble Hammers, there are a few unpaid bills. It will cost about \$23,000 to put the building in shape, and apparently we are obligated to go that far. How much farther you go is up to the Imperial Council each year.

Noble ARVOLD: Imperial Potentate, you know when a man spends his life in various projects of an artistic nature, a historical nature, a theatrical nature, he naturally bumps up against what he has bumped up against this

morning from Nobles Rowe and Baldwin and Smith. If you haven't sufficient faith in the one that is standing here to carry that out and carry it out with the least expense possible, he naturally feels that probably he hadn't better continue to ask for this project.

Before me you see Knickerbocker Cottage. Somebody said here a month ago, or two months ago, "How do you expect to get Knickerbocker Cottage?" Knickerbocker Cottage is here. A man of my type and temperament cannot work if you are going to have these particular things thrown at you. As a Noble in the Mystic Shrine for North America I think it is time that we preserved these records, that when we do these things, we glorify the Shrine. What is wrong with a painting or paintings of three Presidents that belonged to our Order, and a Vice-President that belonged to our Order, paintings of men like William Florence who did a lot for the theatrical profession, pictures of the Past Imperial Potentates, replicas of the 15 Children's Hospitals? What is wrong about that?

I would rather not say another word. If the Nobility of North America haven't enough faith in my vision and my imagination that I would not do anything but what was for the best interest of this Order, I would rather remain silent in this Imperial Council for years to come.

We donated to this George Washington Building years ago \$168,000. Andy Rahn did a beautiful piece of work; he talked about that building. Along comes Morley MacKenzie and he does the same thing. And we thought it was time to stop talking. Perhaps we better forget it entirely.

But there in the nation's capital are your records, and we didn't get those records very easily. But take Lou Donnatin. We have a letter that you have seen where he said he would give them to us. He knew that we had the right idea in mind.

We don't intend to spend money. That has not been our way at any time. We have not built a life that way. If anybody in this room wants to go out in the State of North Dakota and there in their ranch homes, farm homes, homes made out of sod, homes that are just as palatial as any that you have in Chicago or New York, find out if we have ever done anything out there but what has been for the best interest of that particular state and its population.

There are men who say we should never have put \$168,000 in that building. And others have said we could not get these rooms. Noble Rowe was there. He saw it all. There wasn't anything wrong. Going to let it stand? All right, let it stand there. That does not do our Order any good. It is these things that we construct that stand up, that we complete.

In a few moments you will have a project before you of appropriating \$25,000 for Public Relations, just as the Board of Trustees appropriated \$25,000 the other day—\$50,000—to spend for Public Relations, and we are for it. We believe in it. But we believe that this project demands consideration, not only demands consideration but demands unanimous support of this Board of Directors.

But the records are there. They are in the vault there, on the origin of this Shrine, and the painting of Florence is there, in the George Washington National Memorial.

You cannot tell how many articles you are going to have, any more than when you start a library how many books you are going to have or how many shelves you will need. You can't put that down. You can't in any historical project of any kind.

We feel keenly about this. If you don't want to go ahead, if you don't want to set aside \$20,000 it doesn't make any difference. Bill, you have the appointment of a committee if you want to go ahead with it.

Each delegate received one of the letters describing that room. We haven't much else to say. We feel that we have established something in this memorial, something that is going to benefit the Shrine for years to come.

Noble WOODFIELD: We will recess at this time (12:05 P. M.)

WEDNESDAY, JULY 11, 1945

AFTERNOON SESSION

President ARVOLD: (2:00 P. M.) Members of the Board of Directors, kindly take your seats. I shall ask Ill. Noble William Woodfield, Imperial Potentate-elect, to take the chair and continue this discussion, or end this discussion, of the Mystic Shrine Room.

(Noble Woodfield assumed the chair.)

Noble BALDWIN: In order to get the record straight in reference to the Washington Memorial, if my previous remarks were misconstrued, or if anyone thought I was against the Mystic Shrine Room, I would like to have that corrected. I am not against the Shrine Room at all. But I do feel that when we go into a proposition of this kind we should find out how much it is going to cost and how far we are going to go. That is the only thing that I was objecting to.

Noble WOODFIELD: All right. That is all understood and in the record.

Noble BEFFA: Imperial Sir and Members of the Board—I am of the opinion that following the Imperial Potentate's remarks, generally speaking we are all for this project to preserve the records of this great fraternity of ours. As I viewed it, we appropriated some \$15,000 to begin this project. That expenditure has run beyond the \$15,000 I am told. I don't know how much this project is going to cost in its entirety when it is completed, what the cost will be.

There is also a resolution, I believe, that there is to be a committee appointed to go into these facts of this Memorial. Now we are a big business, and we are not operating as such. I believe that it would be good policy—there is no emergency existing—that after this committee has been appointed and instructed—I am sure it will receive instructions to investigate the matter and look into it thoroughly, prepare plans and specifications, and bring in the costs to this organization over the period of time.

I heard some conversation about rental, about the employment of a custodian, and all that will be brought in by your committee. And then when the committee has brought these facts in, like any big business, we will pass upon the merits of it.

I believe there is a resolution on this floor. I hope that the Noble who presented it can see the light to withdraw that resolution. We are operating under an emergency. Let's wait until this committee brings in full report of what this project is going to cost, and then we can intelligently pass on what we are going to decide.

Noble SMITH: Imperial Sir, we are in this situation. There has already been an obligation in my judgment to go ahead with the improvements in those rooms. To date there has been expended a total of \$17,161.68. There has been a payment on account of \$12,000. The total cost of placing those rooms in condition is \$21,497.13, which we have promised that we would pay to the George Washington Memorial Association. At least there is an implied promise. Now to that extent I believe that you are obligated to appropriate. Beyond that it is just a question of the cost of what is going into the Memorial. This cost is the improvement and completion of the rooms for occupancy. The total is \$21,497.13.

Noble WOODFIELD: How much have we paid—twelve?

Noble SMITH: We have paid twelve thousand against that, but the work is not all done.

Noble BEFFA: Might I ask Noble Smith a question? How much work has been done to date from the standpoint of dollars and cents?

Noble SMITH: The total work done to date which we are obligated to pay is \$17,161.68.

Noble BEFFA: As I understand, you mentioned that 21,000 figure.

Noble SMITH: That is the ultimate cost of putting the rooms in shape, \$21,497.13. The difference between \$17,161.68 and \$21,497.13 is the work that has not yet been done.

Noble BEFFA: Imperial Sir-elect, after this committee is appointed and they are functioning I don't know what their decision might be, or recommendations might be for the additional work that Noble Smith mentions.

Noble SMITH: I have not recommended anything, just giving you the facts.

Noble BEFFA: I mean the difference between the seventeen that has not been incurred or the work has been completed. The work has been completed up to 17,000?

Noble SMITH: The work has been completed up to \$17,161.68, and we have made a \$12,000 payment against that. That leaves \$5,161.68 which we owe for work done.

Noble BEFFA: There is a suggestion further to pay in addition to that \$4,000. Who is recommending that?

Noble SMITH: To put the rooms in condition, finish the plastering and

what other work is necessary to match the rest of the building, it will cost a total of \$21,497.13, including the vault.

Noble WOODFIELD: This building was not plastered inside?

Noble SMITH: That is right.

Noble BEFFA: Is that an emergency, Noble Smith, that has got to be done to put the room in presentable condition, or is the room presentable at this time?

Noble SMITH: Nobles, I feel that there is an obligation to go ahead with this total of \$21,497.13.

Noble BEFFA: In other words, we have obligated ourselves to proceed up to that amount?

Noble SMITH: That is right. Beyond that there is no obligation.

Noble ROWE: Noble Smith, you say that we have spent twelve thousand. We have three thousand left out of that appropriation?

Noble SMITH: I think the entire appropriation is spent, because the dedication cost something. I believe the difference went into the cost of dedication.

Noble ROWE: We are committed here and so I am for this project, but in an orderly manner. I think we should stand behind our commitments 100 per cent. Now then the counsel has said that some \$3,000 of this 15,000 was used for the dedication. That is all right. It should have been dedicated, and it was dedicated, and it was a fine occasion and it had a great deal to do with the uplifting of Shrinedom.

Now if you will permit me to make a suggestion. We are committed to \$21,000 in order to finish the completion of whatever has been ordered up to date. Let's make an appropriation now of \$25,000 and then have the new Imperial Potentate appoint his committee and then determine from that committee's report what further action shall be taken.

Noble ARVOLD: I would not take the floor again, but I do not care to have Noble Beffa or anybody else stand up here and give the impression that I in any way obligated this Shrine. \$15,000 was asked for. In regard to the plastering of that room, I was the one that was in Akron, Ohio at the luncheon with Noble Elmer Arn, who is the president of the George Washington National Masonic Memorial, and he said to me, seated beside me, "It is going to take more." I said, "We cannot go over \$12,000." He said, "It is going to take a bit more than that." I said, "We will have to stop where we are." And he said, "No." "I have a fund that I can go ahead and use to finish that up so it will be ready for dedication." I in no way obligated this organization.

We are not obligated to improve that entrance to the hall. We only obligated ourselves to see that the floor was laid, that the room was plastered, and that the ceiling was finished, and the light fixtures installed. We are not obligated to fix the windows or to put bars over the windows. We did not obligate ourselves that way. I was not obligating this Shrine or anybody else.

You know it is a strange thing that a man that is in the field I am in never has any business judgment. I wonder how many Nobles here during their term as Potentate bought 53 acres of land, a beautiful bowl, and lived to see the day that the project was paid in its entirety. Today it is worth over \$200,000.

I have not gone into this project in a way that would reflect on the integrity of this Imperial Council. I think the appropriation year by year as Noble Rowe has suggested would be a much better way. I never obligated this Imperial Council to put a custodian in there, never obligated them to an annual appropriation for maintenance.

If it is going to be a bone of contention I think the greatest thing that we can do is to probably give them the \$5,000 and forget about it. We have dedicated the rooms; we can turn the rooms over to them. They are beautiful rooms. They all have cement floors. I conferred with the architect, Harvey Wiley Corbett, in New York—had conference after conference with him. Went over it with Carl Schondeau, Assistant Secretary. We went into every detail about these rooms.

These rooms today are beautiful rooms just as they are. You will admit that. You will too, Noble Rowe, they are beautiful rooms the way they are, aren't they?

Noble ROWE: Yes, they are.

Noble ARVOLD: There is nothing so strange about what we are doing. The windows are open so that the plaster will thoroughly dry out. The ceiling has a specially treated plaster upon it. These rooms are in perfect condition. They lack nothing.

We could take over today if the plaster and floors have dried out and hang the picture of "Billy Florence." We can take the extra money and put in a vault.

You know when you are putting over a project, Nobles, for the public and for civic betterment or national betterment, you do it a little bit differently than you do in a business institution. You have to educate people. I know that from over 40 years' experience.

I think as soon as we can get that picture of Billy Florence in there when that plaster is dry, as soon as we can put that glass case in there, as soon as we can get these other things in, that is when the public will get interested. That is when they can see it; that is when they can visualize it.

In view of the fact that the Imperial Potentate-elect has power to appoint who he wants on that committee, it makes no difference to me. If the Shrine doesn't want to use 40 years of experience, in 14 foreign countries, experience in the American theater, experience in going out here, there and everywhere with nothing at all and putting on spectacles witnessed by 2, 15 and 20,000 people, if they don't want my experience in there I am not going to go away from this room peeved or hurt.

I think you should appropriate \$25,000 as Noble Rowe recommends.

Noble ROWE: Total.

Noble ARVOLD: Just for a year—

Noble ROWE: Total.

Noble ARVOLD: If we are going to go through this every year you will never put it over; that is all. It will just hang and hang. I think, George, it needs some action now. I think now we have it in shape—it is in perfect shape, isn't it, when it dries up? We can hang the picture. We don't have to finish all those walls with different colors now. We don't have to put the light fixtures in now. This project should take a period of five or ten years. Some years probably we would not need a penny. I know that the Nobility of North America today wherever I have talked about it, have just stood up and applauded it and thought it was fine, as fine a thing as we could do. That is why I feel about it; as I do.

Noble BEFFA: Imperial Sir, I am sure that you have got the wrong impression. I have not challenged your judgment. To the contrary, I have admired it. You are a showman. You certainly demonstrated it last night. You have demonstrated it through your year as Imperial Potentate. I am merely bringing to you and to the Board the fact that there seems to be a difference of opinion as to what should and could and will be done in this great room. I would like to make that clear.

You have made some reference to some gentlemen that said he had a fund that would pay the additional over the \$12,000. That is a new one that has just come to light. We never knew anything about that. The General Counsel mentioned that we are to expend some \$21,000 by recommendation of someone. I am merely trying to get the matter straightened out in my mind. We might need more than \$20,000 when your committee comes in with a report following some of your thoughts and incorporating them in their report. So allow me to correct any impression that you might have had.

Noble ROWE: I think some of you misunderstood when I referred to \$25,000 as an appropriation. I meant to include in the appropriation the \$15,000 which has been appropriated, so that between now and the next meeting of the Imperial Divan the appropriation is \$10,000. And then to receive a report as to further developments. Did you understand that, Imperial Sir?

Noble ARVOLD: It is all right.

Noble ROWE: Is it satisfactory to you now?

Noble ARVOLD: I don't think there is a committee in the Imperial Council that can see ahead and give you a figure on what this is going to be and that is going to be. Give them so much. If they don't go over it that is the end of it. That is the way it is in your home. I would prefer that you just—if they want to take \$10,000 and feel they are obligated—I didn't obligate them that way. He said, (Dr. Arn), "Some time if the Imperial Council felt rich enough they could repay the difference." That is all. But I think the thing to do is just to make the appropriation.

Noble WOODFIELD: Morley, you made the original motion.

Noble SMITH: You cannot leave this matter, Nobles, up in the air like this. You have got to either make a donation of the money or else we will

have to make a contract with the George Washington Memorial Association. We are in no position to stop. I am of the opinion you have obligated yourselves to the extent of \$21,497.13. That is the cost of finishing the rooms. We have paid \$12,000 against that. That leaves \$9,497.13 to be paid.

Now part of that work is done, but the work that is done is only temporary, Nobles. They have temporarily put pine or some kind of woodwork in there, and later on when the walnut or type of finish that meets with the approval of the architects of the building is available, which may be two or three years from now, that will replace this present woodwork. We have to pay them for what they consider the estimate of doing the ultimate work now. It is not costing that much right now to put this temporary work in.

We have to deal with the George Washington Memorial Association, which is a corporation, putting the finished work in, and enter into some kind of an arrangement or else make a contribution to them for the expenditure for this work which we have agreed to do, \$15,000 of this was authorized at your January meeting and at that time you authorized us to enter into a contract. I assumed that at some time or other someone would give me such facts as were necessary to go into that contract. But after the dedication and after a large part of the work was done I gathered together these facts here which I have and which I will present to you for your information to act upon.

That includes the ultimate cost of putting these rooms in condition, including the walnut material that will be in line with the present architecture of the building. And I also obtained estimates of the cost of the exhibits that were intended to go in, and the maximum, which is entirely under your control. The George Washington Memorial Association don't care what you spend on the exhibits.

I also ascertained for you that it would be necessary when you are taking this much space to contribute towards the maintenance of the building, and they fixed that at \$150 a month, or \$1,800 a year.

Noble WOODFIELD: That describes the discrepancy.

Noble SMITH: The reason for that is you were going to take two small rooms. Now you are going to take a large part of the building. They can't afford to let you have it without a contribution for maintenance.

Noble WILSON: I don't like to delay the discussion, but are there any other tenants of the building?

Noble SMITH: The Alexandria Washington Lodge.

Noble WILSON: They also pay for maintenance and for custodian?

Noble SMITH: They have some similar arrangement as this. I have seen that contract.

If you appropriate \$25,000, including the fifteen, that will leave us about \$600 over the present obligations.

Noble ROWE: That is right. In other words you have \$600, and \$25,000 will pay for all the work we are committed for.

Noble SMITH: Yes. There is no contract yet, but you should decide here

right now, and then empower the officers to enter into a contract. Otherwise we are spending this money, in my opinion, without proper authority.

Noble ROWE: We are committed, you said a few minutes ago.

Noble SMITH: We don't have to enter into a contract. We can make a contribution.

Noble ROWE: Before we sign a contract shouldn't we find out just what we are committed to?

Noble SMITH: To the best of my knowledge I have found that out for you and I have presented you the facts.

Noble ROWE: You were talking about a committee. Who was on that committee?

Noble SMITH: I don't know. I understood Noble Galloway Calhoun and the Imperial Potentate and the Imperial Recorder. Isn't that right? Noble Galloway Calhoun was the one that made the original investigation.

Noble ARVOLD: I would like to ask Noble Robert Smith, who made the obligation out there for the other \$5,000, or whatever it was. Who made it? I never made it.

Noble SMITH: Imperial Sir, as far as I know you must have made it.

Noble ARVOLD: No, I didn't make that.

Noble SMITH: Asst. Secretary Schonreau advised me that with your authorization, he entered into contracts with builders to do this work. We have entered into no written contract, and Dr. Schonreau advised me that we had to make a decision on the advance of the \$12,000. There is no contract thus far entered into with the George Washington Memorial Association.

Noble ARVOLD: I just stood up here and told you about my conversation with Dr. Arn. I told him we would not go over \$12,000. That is what I said, and said it as a member of the proper committee and as Imperial Potentate. And he said to me, "Why, I have a fund I can use and probably some time the Shrine will reimburse that fund." That is what I said here before, gentlemen. I never obligated us to them.

Noble SMITH: We will have to see what they think.

Noble ARVOLD: Nobles, let's just speak about this contract a little bit more. You Noble Smith are the one to represent us as our attorney. Dr. Arn has appointed Melvin Johnson, an attorney from Boston, and the head of the Scottish Rite bodies of the Northern Jurisdiction to represent them. You two are to get together and draw up an agreement. You don't have to obligate this Shrine to have a custodian and to enter into the present upkeep. It is not necessary if you don't want to, and it is not the spirit of this Board. You don't have to obligate us that way. I am sorry that this thing has come up as it has, because I think it is going to be a tremendous contribution to the Shrine over North America. I think the wisest thing to do is to take the amount that you want to contribute to them. I don't think we should contribute with the idea that we are obligated to do it. I think we should contribute with the idea that we just want to do it as a matter of good will.

Dr. Arn is one of the outstanding 33rds in the country. I know he will agree with what I have said. He just said, "Some day the Shrine may feel that it wants to reimburse us." I personally feel keenly on it. I don't want anyone in this room to feel that I have gone ahead and done something that is not for the betterment of this Order, because that is not in me.

I believe that we should go ahead and in the month of September when the plaster and floor is dry, and hang that picture of William J. Florence on the wall, and do certain other things, so people, if they want to go in, can see what it looks like. If we are going to postpone this until January or next June—you should not delay things like that. I would like to see these pictures hung, and I would like to see a picture of Sam Briggs and others hung on the walls. This project is going to grow, just like things do in your garden.

I believe I have said what I think is right. I think it should be brought before the Board and settled one way or the other. (Calls for the question)

Noble WOODFIELD: What is the motion?

Noble MACKENZIE: This is rather a peculiar setup at this meeting—an emergency meeting. Outside of the active Imperial officers there is only one man probably legally permitted to offer resolutions, and I won't have that responsibility in a few hours from now. I am a member of the Board as Junior Past Imperial Potentate, and it was suggested to me that I was the logical one to present the resolution. I was under the impression that this had been thoroughly gone into by the committee that was there at the dedication.

I think it is a very healthy thing that this has come up in the way it has. Everybody has had an equal chance to discuss it. There is a difference of opinion. I think there are weaknesses both ways. Whether it will require the amount of money suggested to finish this project the way it was originally intended, I don't know. Maybe it will cost more. But the opinion I have conceived from the discussion that has taken place is that it is a matter of system, a matter of committee conduct more than anything else, and I at this time would like to withdraw the suggested resolution that I presented, (presumably on behalf of this committee,) which asked for an extended period over three years. I understand that you are going to appoint a committee with authority to act.

I am now going to make a motion that probably will clear this matter up, and that is that you vote at this time sufficient funds to meet the commitments that evidently we are committed to, whether it is by committee or by someone, the Shrine is evidently committed no matter which way you look at it. I believe there has been \$12,000 paid. You have another \$9,000 odd, and I am wondering if we should not ask now that \$10,000 be appropriated. That is in addition to what we have already committed ourselves to. And the whole matter will be in the hands of the committee that will be appointed to investigate it thoroughly, with the assistance they require, and bring in a report at the next meeting as to what the actual requirements if any are.

Noble WOODFIELD: Is that your motion?

Noble MACKENZIE: I am withdrawing the other motion, and that is the motion. (Motion seconded)

Noble WILSON: I think it should appear on the record, as it no doubt does, as I understand from the attorney that included in this figure are prospective items such as a vault and the replacement of the present woodwork.

Noble WOODFIELD: There is a dispute as to what our obligation is. It seems that it would be better probably—this is only my opinion—that in the future if we all tried to get things in contract form in any dealings then there wouldn't be any possibility of misunderstanding. It seems to me that that is the only trouble here. Everything was not committed in writing between the parties.

Noble ROWE: I should like to say our Imperial Potentate has stated that he made no commitment.

Noble WOODFIELD: That is what I mean.

Noble ROWE: Well, as I understand the present resolution creates an appropriation of \$10,000 to take care of our alleged commitments. That word "alleged" should be put in there, so that we completely stand behind our Imperial Potentate 100 per cent, because if Dr. Arn agrees with him then of course we have that additional amount of money to use or spend.

Noble MACKENZIE: I am quite satisfied to do that.

Noble WILSON: Would you be willing to say "alleged commitments or expenditures made in our behalf?" I am most interested in Imperial Potentate Arvold's statement, which puts an entirely new light upon it.

Noble WOODFIELD: How are we going to put this motion in an orderly manner? What is the actual motion so everybody will understand it?

Noble MACKENZIE: I don't know whether I can give that over again.

Noble WOODFIELD: There have been a couple of amendments.

Noble MACKENZIE: I agreed to the "alleged." You remember I suggested when I sat down that if anyone could thresh what I said into the form of a resolution I would like them to do it. In substance I moved that an additional \$10,000 to take care of the commitments—how those commitments were made I am not prepared to say—the alleged commitments for this year can be appropriated and paid, and finally that your committee will give this matter a thorough examination and bring in a report at the proper time as to whether further funds are required, and if so how much.

Noble WOODFIELD: Has that motion been seconded?

Noble SMITH: You ought to have this motion referred to the Jurisprudence and Laws committee, so we do it regularly. We have got to deal with an outside corporation. You have got to have a contract. At the January meeting we were to make a written contract before anything was done. They went ahead and did these things without making a written contract.

Noble WOODFIELD: You want to have the resolution referred to the Jurisprudence and Laws Committee.

Noble SMITH: Now we are making a motion to appropriate \$10,000. If you are going ahead with it, before we do anything we ought to have a contract with the George Washington Memorial. Dr. Schondeau, who represents the Memorial Association, has already contracted to have this work done. He has advised the Imperial Potentate authorized him to do it.

Noble BEFFA: He said he didn't.

Noble SMITH: This committee will have to have authority. Are you going to give them authority to make a contract?

Noble WILSON: How much, \$21,000?

Noble SMITH: \$21,000.

Noble WILSON: We are reimbursing. You can go up to 21, up to \$25,000, as a matter of fact.

Noble MACKENZIE: There is part of the work that has not been completed yet.

Noble WILSON: For our alleged commitments.

Noble WOODFIELD: Do I understand that you want the committee to have full power to try to see whether settlement can be made?

Noble MACKENZIE: No, the committee does not have full power to do that. The committee has full power to investigate.

Noble ROWE: Up to the extent that they have this \$10,000 appropriation.

Noble WOODFIELD: Do you mean to include adjustment of claims, if there is disagreement.

Noble MACKENZIE: Yes.

Noble WOODFIELD: All right. You all understand the motion?

Noble ROWE: I think the Counsel should prepare this and submit it in resolution form.

Noble MACKENZIE: I present the following motion prepared by the Committee on Jurisprudence and Laws.

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

VI

Whereas, there has heretofore been appropriated the sum of \$15,000.00 for the preparation of rooms in the George Washington Memorial building, and

Whereas, expenditures in the amount of \$15,000 have already been made and there are additional obligations outstanding for work done and to be done in the amount of \$9,497.13;

Now therefore, be it resolved that there be and is hereby appropriated the sum of \$10,000 for the purpose of paying the alleged obligations aforesaid.

And be it further resolved, that a committee of five be appointed by the Imperial Potentate to further investigate the entire proposition of this museum and determine the amount necessary to complete the project and to report back to the Imperial Council at its next session.

Noble WOODFIELD: You have heard the motion. Ready for the question? Those in favor say "Aye." Contrary? Carried.

Noble SMITH: There is just one further thing. This George Washington Memorial Association is not in shape to go forward. There are two resolutions here which I think ought to be passed, which I have prepared, to set up the proper machinery. All this resolution which you have already passed does is appropriate money to pay the bills. Now there is material on storage down there. If we want to go forward with this project we have got to have power to make a contract, and we have got to have power in this committee to make regulations as to how the material is going to be placed in this room, what shall go in and how it is to be taken care of. We need to carry insurance. The minute we put this material in the Mystic Shrine Room we are going to obligate ourselves to make a contribution to the maintenance of this building. This committee ought to have the further power to go into this matter and get it all together. It has all been conversation since the January meeting. We ought to pass these different resolutions here, and the committee ought to be empowered to make regulations. If you are going to quit, the committee ought to be empowered to stop, and not make this additional expenditure of \$4,000 when there are no contracts made. If we are not going ahead they can probably cancel their contract with the builder for the additional \$4,000. The contractor is a person in Alexandria, very much interested in this Memorial building. They may get out of that if you don't want to go ahead. I think all of this authority ought to be placed in the hands of this committee. I have a couple of resolutions which the Jurisprudence and Laws Committee have approved and which I think ought to be passed in addition to the resolution you already have passed.

Noble NOLTE: There are the two resolutions that have been prepared by the General Counsel and have been submitted to us and been signed by the committee. The first resolution reads:

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS VII

Be it Resolved, That the proper officers be and are hereby empowered to negotiate and sign an agreement with the George Washington Masonic National Memorial Association, after approval by the General Counsel, for the occupancy of Rooms A, B, and C on the north side of the first floor in the Memorial Temple, or such other space that may be submitted, such rooms to be used for the purpose of establishing The Mystic Shrine Room.

Be it Resolved, That the Imperial Potentate be and is hereby authorized to appoint a special committee to consist of not more than five or less than three members of the Board of Directors to adopt regulations to govern the kind, size, character, placement, and arrangement of exhibits to be placed in the Shrine Rooms to be located in the George Washington Masonic National Memorial Association Temple, and also regulations governing the supervision, use, and occupancy of said Shrine Rooms.

May I inject a word in regard to the materials that are in the George Washington Memorial? I have in my possession a letter from Noble Lou Donnatin. He gave these particular things to the particular place with the idea that they would be preserved for all time to come. They are now locked up on the second floor in the office of Dr. Elmer Arn, in a fireproof place, and under the personal custody of the one speaking to you. In fact Noble Donnatin brought them and has seen that we placed them in the second floor vault. That is the way he gave them. That is the way he gave that \$10,000 oil painting. I have that letter. Any Noble that wants to read that letter, or if they want to publish it, I will gladly send a copy. He has got a great thrill out of presenting these relics to us. I shall never forget Ill. Noble Donnatin as long as I live when he stood there and unveiled that painting of William J. Florence.

Is there any other matter to come up?

Noble SMITH: The letter that you have referred to should be made a part of the Proceedings.

President ARVOLD: I will see that it is.

Noble BALDWIN: I move that the letter be made a part of the Proceedings. (Motion seconded)

President ARVOLD: Any suggestions or anything further to be said? If not, all those in favor of the motion as stated and seconded please say "Aye." (Carried.)

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

V

Noble LOMBARD: Imperial Sir, I offer a resolution, leaving the explanation for the necessity of it to the Imperial Chief Rabban. There is a situation existing, particularly in his Temple, which would require an amendment to the Code, which I will now read:

Resolved, that Articles XXIX, Sec. 252, of the Code of the Iowa corporation be amended by adding the following proviso at the end of the first sentence of the second paragraph thereof:

"Provided however, that if written notice of the candidate's application has been given to the membership not less than 10 days before the date set for the balloting upon his application, no such objection or protest can be made unless made at least 48 hours before the time specified in the notice for the obligation of such candidate."

So that the section as amended shall read as follows:

"Sec. 252. If, upon the balloting for a candidate, subsequent to a favorable report, three black balls shall appear, another ballot shall immediately be had, but no more. Upon the appearance of three black balls a second time the candidate shall be declared rejected and disqualified to make a second application for thirteen (13) weeks. A written objection, signed by at least three (3) members of the Temple in good standing, presented to the Potentate, shall have the same effect as an adverse ballot.

"After a candidate has been declared elected, any subsequent objection or protest must be presented to the Potentate in writing, signed by at least three (3) members of the body and must stand. Provided however, that if written notice of the candidate's application has been given to the membership not less than ten days before the date set for the balloting upon his application, no such

objection or protest can be made unless made at least 48 hours before the time specified in the notice for the obligation of such candidate. The fact that said objection has been made, but not the written objection itself, shall be entered upon the minutes and shall have the same force and effect as an adverse ballot, and shall prevent a reconsideration of the matter for thirteen weeks."

Respectfully submitted,

Noble HAMMERS: Imperial Sir and Nobles, we are perhaps the only Temple that I know of that publishes a list of candidates at least 15 days prior to the meeting, and this whole business has created a very embarrassing situation in this respect. At 3:30 in the afternoon—our classes are quite large, some very prominent men have been elected to receive the Order and when all ready to go in, letters have been presented to the Potentate and we had to take them out of the class.

Now this resolution harms no Temple in the way they run their business, but will help us greatly to avoid a very embarrassing situation.

Noble WOODFIELD: Do you make a motion?

Noble HAMMERS: I move that this resolution as read be approved. (Motion seconded)

Noble WOODFIELD: Ready for the question? All those—

Noble ROWE: I want to make a statement. There is a certain Temple in New York that had the same situation which Noble Hammars speaks of, but an unusual occurrence took place. Within an hour or two before the time for election three Nobles signed objections and deposited them with the Recorder. Immediately, of course, this candidate was notified and his sponsors went up to the Recorder's office and demanded to know the names of the three, and the Recorder disclosed the names of the three.

Now then it has been held, as I understand it, that the names of the objectors were supposed to be confidential and secret.

Noble WOODFIELD: Ready for the question? All those in favor say "Aye." Contrary? Carried.

We have forgotten to take up the little matter of Time and Place. I think I might say to that committee that San Francisco invites you in 1946 if the war is over and we are able to have a full convention. I would like to have somebody make a motion that the convention go to San Francisco if conditions are favorable.

Noble SMITH: If not, it should be placed with the committee with power to act.

Noble WOODFIELD: That is the sense of the idea. We want to be able to tell San Francisco they have got the convention. We don't want it left to the mid-year meeting. Suppose the war is over in two months, we want to be in a position to go ahead and make preparations.

Noble JOHNSON:

Resolved, that with due consideration of existing conditions which might make it impossible or inadvisable to hold a session of the Imperial Council in 1946, the matter of calling such a session be left to the discretion of the Imperial Potentate, the place to be San Francisco, California.

Noble POTEAT: I so move. (Seconded by Noble Hammers)

REPORT OF THE COMMITTEE ON FINANCE AND ACCOUNTS

I

To the Imperial Potentate, Imperial Divan, and Members of the Board of Directors of the Imperial Council, A. A. O. N. M. S.

Your Committee on Finance and Accounts have examined the report of the Imperial Treasurer and Auditor's Report and have examined the cancelled vouchers for the fiscal year beginning March 1, 1944 and ending February 28, 1945.

In examining these reports we find that in some cases actual expenditures were in excess of the appropriations as approved at the last annual meeting. Your Committee endeavored to budget as nearly as possible what we considered would be the requirements for the year, but emergencies arise which require in a few cases adjustment.

We recommend that the expenditures as shown in the Auditor's Report for the fiscal year ending February 28, 1945 be approved, and, assuming, the Auditor's Report to be complete and correct, we recommend that it be placed on file and printed in the proceedings.

Respectfully submitted,

TOM S. RISHWORTH
LOUIS A. CORNELIUS
J. MILTON RYALL
ROBERT L. REISINGER

Noble BALDWIN: I move the adoption of the report. (Motion seconded)

President ARVOLD: Any remarks? If not, all those in favor will respond by the usual sign. (Motion carried.)

Noble BALDWIN: I move the adoption of the report. (Motion seconded)

President ARVOLD: Any remarks? If not, all those in favor will respond by the usual sign. Motion Carried.

Noble WOODFIELD: I just want to present Noble Washington Kohnke who will become Potentate of Islam Temple in January, 1946, so you will know him when we have the convention there next year. (Applause)

Noble-MACKENZIE: For the last two years you have been kind enough to appropriate in this body \$10,000 for the Canadian War Funds. Those funds have increased tremendously over the period in which they have been in existence, and we think we are pretty well along now and we are not going to ask for a donation this year. This year the British War Victims Fund far exceed their expectations in the drive. I want you to know at this Imperial Session that those to whom these moneys were paid, for the British War Victims

Fund and for the British Red Cross War Victims Fund, very greatly appreciate what the Shrine has done during the last two years. So that if, as we hope, the war is over, we will have no occasion to ask again. So I just say thanks on their behalf. (Applause)

President ARVOLD: Is there anything further from the Jurisprudence and Laws Committee?

Noble NOLTE: Our desk is clear, Imperial Sir.

President ARVOLD: Anything further from the Committee on Finance and Accounts? Any member of the Imperial Council anything he wishes to offer? If not, Nobles, this is the last time I shall lift this gavel to preside over the destinies of this organization.

It is a gavel made of wood, but it is chock full of authority. It has wrecked, it has ruined, it has ruled a great many different organizations—a great many countries. The one that is holding it now has always tried to use that gavel in the upbuilding of the Shrine. He feels, as he has often said, that we haven't even scratched the surface on what we may do in the future. What has been in the past we will read about. It is fine to be seated in reverie and think about it.

I have had a year that has been filled with anxious moments, with great moments, with moments that will always remain with me as long as life lasts, and as Gertrude Artherton said in her book "The Conqueror," we are like ships that pass in the night; and when the Imperial Potentate lays down his gavel he feels like a ship that has passed in the night.

You have been genuine in your treatment of me. You have differed with me, you have agreed with me, and I appreciate it from the bottom of my heart, and it is a big heart. All the fine treatment that has been accorded me from Ketchikan, Alaska to Miami, Florida, from up there in St. John, New Brunswick over to San Diego, California, down in Mexico—400,000 Nobles, over that in the Mystic Shrine, have been gracious in their handclasp, friendly in their smiling eyes, and musical in the laughter that has come out of their voices. It is one of the finest moments of my life to feel in my conscience and in my personality that I have served the best that is in me. (Applause)

Noble JOHNSON: One other little matter of business. I would like to offer a resolution that all of the acts of the Imperial officers and the acts of the Board of Directors of the Imperial Council, and of the officers and committees for the past year be ratified, confirmed and approved.

Noble WILSON: I move the adoption of the recommended motion. (Motion seconded)

President ARVOLD: All those in favor say "Aye." Contrary? Carried.

Now I want to call to the platform Past Imperial Potentate Frank C. Roundy. If the officers will kindly take their stations upon the stage, we will close this session of the Imperial Council as soon as the officers are installed.

No Temple can add to or take from the prerequisites for membership in Temples as fixed by the Imperial Council. A Temple shall not adopt a rule, regulation or resolution, requiring that a candidate must be both a Thirty-second degree Mason and a Knight Templar in order to petition for initiation in a Temple of Nobles of the Mystic Shrine.

No Temple shall initiate or obligate a candidate except at a regular or ceremonial session, unless a special dispensation is granted by the Imperial Potentate. Application for such dispensation must be made at least ten days before

such dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuing thereof. Penalty for violation of this Article shall be the suspension of the Charter of the Temple so offending until the next session of the Imperial Council.

ARTICLE XI.

Initiation Fee—Dues—Per Capita Tax

Sec. 90. Effective January 1, 1945, the Order of "Noble of the Mystic Shrine" shall not be conferred upon any one for a less sum than Seventy-five Dollars (\$75.00), but Temples may increase the amount if desired. Where two or more Temples exercise concurrent jurisdiction over the same territory, they shall charge the same initiation fee upon all petitions received from such concurrent territory, which fee shall be the highest fee charged by any Temple in such territory, but not less than Seventy-five Dollars (\$75.00). No portion of any fee shall in any manner be rebated or refunded, either in money or material. No Temple shall provide for the forfeiture of said fee, or any portion thereof, in the event that such applicant for membership shall not present himself for initiation.

Sec. 91. In each Temple of the Order the annual dues shall not be less than Ten Dollars (\$10.00), to be paid in advance by all members of the Temple on or before the first day of January of each year, except life members and including candidates received during the year.

In every Temple candidates admitted and members reinstated or affiliated, shall pay dues in at least the following proportions: Candidates admitted and members reinstated or affiliated between January 1st and March 31st, 100 per cent; between April 1st and June 30th, 75 per cent; between July 1st and September 30th, 50 per cent; between October 1st and December 31st, 25 per cent, which proportionate amounts shall constitute the dues to December 31st of the current year.

The membership of any Temple may provide a different rate of dues for the membership according to proximity to the location of the Temple, provided that the minimum dues for all members shall be not less than Ten Dollars (\$10.00).

A Temple may, by affirmative vote of the Temple, remit delinquent dues of a member or members, for good and sufficient cause shown either to the Temple or to such committee of the Temple as the Temple may elect for that purpose.

A Temple may, by affirmative vote, remit the dues of any member in the armed services of the United Nations during the present conflict.

Sec. 92. In addition to the above annual dues each Temple shall collect Two Dollars (\$2) per capita annually from each of its members, including candidates received during the year, life members, and members reinstated or affiliated, to be paid in advance, for the Shriners' Hospitals for Crippled Children, and no card shall be issued to any member, including candidates received during the year and life members, also members reinstated or affiliated, unless this per capita is paid, together with the annual dues required by the Temple. The per capita received from candidates during the year shall be remitted to the Imperial Recorder immediately after the initiation, reinstatement or affiliation, and the per capita upon the membership shall be remitted to the Imperial Recorder by separate check, fifty per cent (50%) thereof upon the making of the annual returns to the Imperial Recorder, but not later than March 1st of the year in which the per capita is due; thirty-five per cent (35%) thereof not later than June 1st of the year in which the per capita is due; and the remaining fifteen per cent (15%) not later than October 1st of the year in which the per capita is due. The membership on which this per capita shall be based shall be the membership of the Temple at the end of the fiscal year as reported to the Imperial Recorder, provided, that the Temple may take credit for and deduct from its remittance all unpaid assessments of the preceding year occasioned by deaths and suspensions. And provided further, that the Temple shall not be required to make payment to the Imperial Recorder of any such unpaid assessments or arrearages in the event of subsequent reinstatement of a member suspended for non-payment of dues. And provided further, that no Noble so reinstated to good standing shall upon a second suspension from membership be entitled to a reinstatement except upon payment by him in full of all delinquent hospital assessments.

The two dollar (\$2) per capita tax for said Shriners' Hospitals for Crippled Children, is a trust fund and it shall be the duty of each Temple to segregate said per capita tax in a separate and distinct account and to remit the same to the Imperial Recorder as herein provided.

Any violation of this provision shall subject the Temple and its officers to such discipline as the Imperial Council shall impose. Any and all infractions or violations of this

section shall be reported to the Imperial Council by the Imperial Recorder.

Provided, however, that any member or candidate upon the payment of Sixty Dollars (\$60.00) shall receive a certificate therefor from the Recorder of his Temple, and shall be exempt from any further assessments for the Shriners' Hospitals for Crippled Children. And provided, further, that any candidate or reinstated or re-affiliated member who, before becoming an active member by initiation, re-instatement or re-affiliation has donated \$60.00 to the Board of Trustees, Shriners' Hospitals for Crippled Children and who has been issued, and who produces, a Certificate of Voluntary Permanent Subscription from the Board of Trustees, Shriners' Hospitals for Crippled Children, in an minimum annual dues as fixed by the Imperial Council; nor amount of at least \$60.00, shall be also exempt from any further assessments for the Shriners' Hospitals for Crippled Children. Upon the payment of said sum of \$60.00 to the Recorder, or the production before him of such Certificate of Voluntary Permanent Subscription, he shall cause his record to show the exemption of such member from future hospital assessments.

Said sum of \$60.00, when so paid by a member or candidate to the Recorder of the Temple shall be by him paid to the Imperial Recorder, who shall transfer the same to the Imperial Treasurer, and the Imperial Treasurer of the Iowa Corporation shall forthwith pay the same to the Treasurer of the Colorado Corporation.

Sec. 93. Temples may create life members, but no Temple shall create a life member or issue a life membership certificate for a sum less than fifteen (15) times the grant a life membership for having paid dues for a less term of years than thirty-five (35) continuous consecutive years; provided, however, that a Temple may grant life membership for meritorious services.

ARTICLE XII.

Fees and Revenues.

Sec. 100. The revenues of the Imperial Council shall be derived from the following sources:

For every dispensation to form and open a Temple there shall be required and paid One Hundred Dollars (\$100), which must accompany the application for dispensation, and when a charter is granted an additional sum of Fifty Dollars (\$50) shall be paid before the charter is delivered.

Sec. 101. Each subordinate Temple shall pay to the Imperial Council the sum of Two and 50/100 Dollars (\$2.50) for each and every candidate receiving the Order of "Noble of the Mystic Shrine" within such Temple, which sum shall be forwarded immediately to the Imperial Recorder, who shall forthwith issue a diploma of the Imperial Council to each and every candidate.

The Imperial Recorder shall, upon the request of the Recorder of any Temple, issue to every member who joins a Temple by affiliation, a diploma, free of charge, upon the return to the Imperial Recorder of the diploma issued by the Temple in which the affiliate received the Order.

Sec. 102. Each subordinate Temple shall pay annually to the Imperial Council per capita in accordance with its membership, the following: For each member sixty (60) cents. Such sums shall be remitted to the Imperial Recorder. That ten (10) cents of each per capita so paid shall be segregated and used exclusively for such aid to the Host Temple or its (order) organization, entertaining the Sessions of the Imperial Council, as may be ordered by the Imperial Potentate. Provided, that the expenditure in any one year shall not exceed the amount collected that year. Said sums shall be remitted to the Imperial Recorder. Fifty (50) per cent shall accompany the annual return of every Temple to the Imperial Recorder, thirty-five (35) per cent shall be remitted on or before June 1st, and the remaining fifteen (15) per cent on or before October 1st.

Sec. 103. For every copy of the Oriental Ritual the fee shall be Five Dollars (\$5). They shall be issued only upon the application of a Temple, and no more than six (6) copies shall be issued to any one Temple. Additional rituals may be issued upon application to, and order of the Imperial Potentate.

Sec. 104. For every charter issued to an association of Shrine Temples there shall be required and paid Twenty-five Dollars (\$25.00), which must accompany application for charter.

ARTICLE XIII.

The Ritual

Sec. 108. The Ritual as promulgated by the Imperial Council for the use of the Order shall be literally followed by every Temple, and no alterations or additions shall be made to the Ritual, except by authority of the Imperial Council, and every departure therefrom shall subject the

offending Temple and its officers to censure and such punishment as the Imperial Council may inflict.

Sec. 109. All Temples, members of the Order, and officers shall strictly observe and adhere to the emblems, jewels and costumes for every office in the Order, as promulgated in the Ritual.

ARTICLE XIV.

Regalia, Emblems and Jewels.

Sec. 110. The Red Turkish Fez with Black Tassel, bearing only the name of the Temple of which the Noble is an active member, with a facsimile of a scimitar, and that portion of the jewel of the Order consisting of the crescent, sphinx head, and star combined, embroidered thereon with gold and silver bullion or silk, is hereby adopted as the exclusive type of head covering to be worn by all Nobles of the Mystic Shrine when appearing as such. The fez is to be worn in its proper shape and without creasing or alteration; provided, that it is permissible for Potentates, Past Potentates and Recorders of Temples, as well as official uniformed organizations to have their titles embroidered in small letters on the front of the fez, near the bottom.

Sec. 111. The emblems and jewels are the characteristic insignia of the Oriental nation from which the order emanates. They are the Crescent, Pyramid, Sphinx Head, Panther-bodied Female Sphinx, the Urn, Sun, Moon, Stars, and are used to decorate its Tombs, Banners, Draperies, Costumes, Regalia. Mourning drapery is a combination of the Sun, with rays, the Moon and Stars. The official colors of the Order shall be red, green and yellow.

Sec. 112. CRESCENT. The original and universal Emblematic Jewel is the Crescent, formed of two nails from a tiger's paw, united at their base with a band of gold, and a ring at the base to suspend it as a charm or jewel, and to be hung points downward. The gold band should be decorated with the Sphinx Head on one side, a Pyramid with Urn upon it on the other side; the name of the owner and the date of his receiving the Order engraved upon the sides, and inside the circle "Allah" or God, and the motto of the Order, which is "Robur et Furor." Every Noble of the Mystic Shrine is entitled to wear this jewel. The combining of the emblems of other secret orders with the Jewel of the Shrine is inappropriate, and is prohibited. The combining of Masonic emblems with the Jewel of the Shrine is inappropriate and should not be worn so combined.

Sec. 113. The wearing of the Fez and the Jewel of the Order on occasions other than meetings of the Temples or gatherings of Shriners under the authority of some legal body of the Order is ill advised, and Potentates shall prevent such action by their members.

Sec. 114. Past Imperial Potentates only shall be privileged to wear a special pin or button indicative of their rank if they so desire, said button or pin to consist of the crescent and scimitar of white gold or platinum with three stars above it, the scimitar to be of sapphires and remainder of design to be of diamonds.

ARTICLE XV.

Cards

Sec. 115. The Imperial Recorder shall, previous to the first day of October of each year, furnish to each subordinate Temple a card, which card shall be substantially in the following form:

“..... Temple, A. A. O. N. M. S. of.....
This is to certify that Noble is a member
of Temple and declared to be in good
and regular standing during the year.....
.....
..... Recorder.
.....
Signature of Member.”

All Temples shall secure their card from the Imperial Recorder, who shall charge each Temple the cost of such cards including the printing of the same, and it shall be the duty of the Recorder of each Temple to furnish to the Imperial Recorder the facsimile signature of such Recorder and copy of the seal of his Temple.

ARTICLE XVI.

Improper Circulars, Publications and Practices.

Sec. 118. The Imperial Council emphatically condemns all immoral and vulgar practices or allusions in the initiation of candidates or in the printed notices issued by Temples to members of the Order.

The Potentate or presiding officer for the time being of each Temple shall be held personally responsible for failure immediately to arrest any act of vulgarity or obscenity.

No officer or member of any Temple shall furnish a list of the names of the members of his Temple to any one for the purpose of having the members circularized or solicited for business purposes; nor shall any Temple issue appeals for aid to Nobles not members of said Temple, unless they bear the endorsement of the Imperial Potentate. No Temple shall issue with any official notice of the Temple, or as a part thereof, any announcement or other paid advertisement of a business character; provided, that Temples issuing at regular intervals an official publication, may issue as a part thereof paid advertisements of a business character; and provided further, that any Temple may, in its discretion, furnish to any national Shrine magazine, a roster of the membership of the Temple, if it wishes to do so, for the sole and only purpose of soliciting subscriptions, but the same shall not be mandatory or obligatory on the Temple.

For any violation of this law the Imperial Potentate may suspend the offending officer or officers from office or arrest the work of the offending Temple until the next session of the Imperial Council.

Sec. 119. Complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be addressed in the first instance to the Potentate of the Temple of which the complaining Noble is a member, and through him to the Imperial Potentate, but a member of the Imperial Council may communicate directly with the Imperial Potentate. In case the Potentate of the Temple refuses or neglects to forward the communication as herein provided, the complainant may transmit the same directly to the Imperial Potentate.

ARTICLE XVII.

Title to Property—Surety Bonds.

Sec. 122. The title to all real estate and property of every kind and character now vested in any other name for the use of Shriners' Hospitals for Crippled Children, and all real estate and other property hereafter acquired for the use of Shriners' Hospitals for Crippled Children, shall be vested in the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, a Colorado corporation.

Sec. 123. Before the execution and acceptance of any contract of surety, guaranty, fidelity, depository or other bonds or indemnities, they shall be submitted to the Impe-

rial Potentate and Chairman of the Jurisprudence and Laws Committee for examination and approval as to form, sufficiency and manner of execution.

Sec. 124. The premium on all bonds required to be given by officers or committees shall be paid by the Imperial Council.

ARTICLE XVIII.

Amendments.

Sec. 125. A proposed amendment to the By-laws may be submitted to the Imperial Council at any time during the session, and may be adopted by a two-thirds vote of the accredited representatives to such session; provided, it shall first be referred and reported upon by the Committee on Jurisprudence and Laws of the Iowa Corporation.

Sec. 126. All proposed amendments to the By-Laws shall be offered in writing by a member of the Imperial Council. They may be modified in any manner by the Imperial Council while the same are under consideration, but such modification must be germane to the subject-matter of the proposed amendment. The entire section to be amended must be fully written out as the same will be read, with the proposed amendment incorporated therein.

ARTICLE XIX.

Emergency Powers of Board of Directors.

Sec. 127. Whenever the existence of a national emergency renders impracticable the holding of a regular annual meeting or meetings of the Imperial Council as prescribed by the charter and by-laws of the Iowa Corporation, the Board of Directors thereof may order, by resolution, that such annual meeting or meetings be omitted, stating in such resolution the reasons therefor. A separate resolution, with the reasons therefor, shall be passed with respect to each annual meeting so omitted.

During the year or years for which it is necessary so to omit the regular annual meeting, all duties and powers ordinarily exercised by the members of the Imperial Council shall vest in and be exercised by the Board of Directors, whose actions in the circumstances above stated shall be of like force and effect as if done by the members of the Imperial Council at a regular annual meeting.

The powers and duties which may thus be exercised by the Board of Directors shall include, amongst others, the following:

(a) To adopt an annual budget of appropriations in such sums as may be necessary to meet the current expenses of the Imperial Council and of the Iowa Corporation for the ensuing year, and all such sums so budgeted for such expenses are hereby appropriated; provided, however, that no budget shall be adopted by the Board of Directors unless it shall first be approved by the Committee on Finance and Accounts.

(b) To elect all officers of the Imperial line, and of the Corporation, for a period of one year; provided, however, that the office of Imperial Outer Guard shall not be filled by the Board of Directors, but shall remain vacant until the next regular meeting of the Imperial Council when an election shall be held as provided by Article VI of the By-Laws. In the event the power thus to elect officers is exercised by the Board of Directors for more than one year, an additional office at the end of the Imperial line shall be left vacant for each year that the regular annual meeting is omitted, such offices to be filled by regular election at the next annual meeting.

In addition to the foregoing, the Board of Directors, in the circumstances above stated, shall have and exercise the power to do all things necessary or desirable to carry on the affairs of the Iowa Corporation, and of the Imperial Council, and to properly protect and conserve its property and fraternal interests in all respects.

The Board of Directors shall call a regular annual meeting of the Imperial Council, to be held at a time and place to be designated by said Board, within twelve months after the termination of such national emergency shall be proclaimed by the Federal Government. The emergency powers of said Board hereby created, shall cease and determine upon the expiration of said twelve months period.

The exclusive right to make and sell this flag shall be vested in the Imperial Council, and the Imperial Council shall, through its trustees, arrange for the manufacture thereof, and sell the same to the Temples upon their application therefor at such price as shall be fixed by said trustees.

ARTICLE XXII.

Charters of Temples.

Sec. 203. The authority of a Temple of the Ancient Arabic Order of the Nobles of the Mystic Shrine to meet and work is evidenced by a charter or dispensation from the Imperial Council, which shall be exhibited at every session of the Temple. Should the charter be lost or destroyed the Temple shall immediately apply to the Imperial Council for a duplicate. A fee of Twenty-five Dollars (\$25) shall be charged therefor.

ARTICLE XXIII.

Subordinate Temples—How Constituted.

Sec. 204. All subordinate bodies of the Ancient Arabic Order of the Nobles of the Mystic Shrine are termed Temples, and shall consist of the following officers:

I.	ILLUSTRIOUS POTENTATE	<i>Shayk</i>

and as many members as the Temple may admit.

The first seven officers shall be elected annually by ballot. The remaining officers shall be appointed by the Illustrious Potentate.

A quorum in a Temple shall consist of seven (7) members entitled to vote therein, one of whom shall be the Illustrious Potentate, Chief Rabban, Assistant Rabban, or a Past Potentate of the Temple.

ARTICLE XXIV.

Election of Officers

Sec. 205. Each Temple shall elect its elective officers and representative, or representatives, by written ballot and by a majority vote in each case. Said election shall take place at the regular session held in January of each year.

Each elective officer except representatives shall be elected separately by a separate and distinct ballot. The use of a blanket ballot for the election of officers is prohibited. If there is but one representative to be elected the foregoing rule shall prevail. If the Temple is to elect more than one representative, all candidates for the office of representative shall be balloted for on one ballot, and each member voting must vote for the total number of representatives to be elected, otherwise his ballot cannot be considered as a vote, except where a Permanent Representative has been previously elected by a Temple his name shall not appear on the ballot. A majority vote of those present and voting shall be necessary to elect each representative. If on the first ballot one or more candidates shall receive a majority vote of those present and voting, he, or they, shall be declared elected. A ballot shall then be taken in the same manner until all the representatives are elected. Blank ballots are not votes and shall not be considered as such. Candidates for offices, and Representatives, must be placed in nomination on the floor. No ballot for an officer or Representative shall be considered or counted as a vote unless the person named therein shall have been so placed in open nomination on the floor.

Sec. 206. The printing, circulating or distribution of resolutions, letters, tickets or other devices, by a Noble or Nobles, suggesting, recommending, opposing or containing the names of proposed candidates for office in the Temple, is hereby prohibited. For any violation of this section the Imperial Potentate shall suspend the offending Noble, or Nobles, until the next regular session of the Imperial Council, and he may, in his judgment declare the election of such officer or officers void and order a new election.

The Records of Temples shall mail a notice of the annual session and election to all members of the Temples at least one week prior to the date of said election, and said notice shall contain this Section.

Sec. 207. The installation of officers shall take place immediately, or at the first succeeding session of the Temple, in accordance with the "Ceremony of Installation" prescribed by the Imperial Council. They shall assume the duties of their respective offices upon such installation.

If a public installation of officers is had, the officers-elect previous thereto must take the oath of office in the body of the Temple, when properly guarded.

Should it be impossible to hold the election as required, or should it appear to the Imperial Potentate proper so to

do, the Imperial Potentate may grant a special dispensation changing the date fixed for such annual election and/or the date fixed for any annual session, or any other stated session of any Temple, provided that due and timely notice of such changed date shall be given to each member of the Temple at least seven days prior to the date fixed for such election or meeting.

In the event of the death, resignation or removal from the jurisdiction of the Imperial Council of any officer or representative, or forfeiture through any cause of membership in the Order, a special election may be held without a special dispensation for that purpose, to fill the vacancy, and any vacancy that may occur by virtue of any officer being promoted at such special election, may be filled at such special election. Due notice shall be given to the members of the Temple of such election. In case of vacancy in an appointive office, the same shall be filled by appointment by the Illustrious Potentate of the Temple. No member can be compelled to accept an election or appointment to office. The result of any election or appointment shall forthwith be reported to the Imperial Recorder.

ARTICLE XXV.

Enthronement.

Sec. 208. Previous to the enthronement of a Potentate-elect, the Imperial Council requires his assent to the following ordinances (see also Sec. 32, Article VI, of the By-Laws):

DO YOU SOLEMNLY VOW, UPON YOUR HONOR:

That you will exert your best endeavors to promote the true happiness of your brother Nobles of the Mystic Shrine?

That you will endeavor to promote the general good of the Order and observe the solemnity of the ceremonies with profound respect and reverence?

That you will not acknowledge or have intercourse with any Temple which does not work under constitutional authority as recognized by the Imperial Council?

That you will ever maintain and support the authority of the Imperial Council for North America, and enforce obedience to its By-Laws, Code, Regulations and Edicts?

Do you submit to all these ordinances and promise to observe and practice them faithfully?

Answer:

ARTICLE XXVI.

Duties of Officers

Sec. 209. ILLUSTRIOUS POTENTATE: The Illustrious Potentate shall open and preside at all sessions of the Temple; he shall be responsible to the Imperial Council for the government of his Temple. It shall be his duty to require of his Temple at all times due observance of the Articles of Incorporation, By-Laws, Code, Regulations, Edicts and Usages of the Imperial Council and the by-laws of his Temple; that accurate records are kept and just accounts rendered; that regular returns are made to the Imperial Council, and that the annual dues and assessments are promptly paid; and that no fewer than four stated sessions are held annually, of which one shall be held in January. He shall send a copy of each printed notice issued by his Temple to its members, and at the same time mail a copy to the Imperial Potentate and Imperial Recorder.

Sec. 210. CHIEF RABBAN: The Chief Rabban shall preside in the absence of the Illustrious Potentate. In the absence of both Illustrious Potentate and Chief Rabban, the Assistant Rabban shall preside. In the absence of all three of said officers a Past Potentate of the Temple shall preside.

Sec. 211. The remaining officers are to perform such duties as are appropriate to their several stations, or as may be assigned them by the Illustrious Potentate, or by the Temple.

Sec. 213. Special sessions of a Temple may be called by the Illustrious Potentate at any time, due notice thereof being given to each member stating the business to be considered, and no other business than that specified in the call or summons shall be transacted.

Temples may hold stated sessions, also ceremonial sessions, at any time on the call of the Potentate, without applying for a special dispensation, provided due and timely notice is given to all members of the Temple.

No Temple shall hold a session for business or ceremonial on the Sabbath day, commonly known as Sunday.

ARTICLE XXVII.

Jurisdiction of Temples, Candidates, Members, Working Code, Etc.

Sec. 218. Each Temple, subject to the Articles of Incorporation, By-Laws, Code, Regulations and Edicts of the Imperial Council, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Ancient Arabic Order of the Nobles of the Mystic Shrine.

Sec. 219. The territorial jurisdiction of subordinate Temples extends in all directions to one-half the distance, by a direct line, between itself and the nearest Temple; *provided*, that in no case can it extend beyond the limits of the state, territory, or district in which it is located, except by agreement between Temples affected only; *provided*, also, that Temples occupying the same state or territory may agree upon concurrent jurisdiction within, or an equitable division of, their territory, should they so desire; *provided*, also, that every Temple shall have exclusive jurisdiction in the city and county in which the Temple is located; *provided*, also, that the Imperial Council may declare concurrent jurisdiction or an equitable division of territory between all Temples in states where more than one Temple exists, should it appear for the best interests of the Order to do so.

Sec. 220. TEMPLE MUST PROCURE WAIVER, WHEN. A Temple shall not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another Temple, without first obtaining permission of such Temple. It shall be competent in such cases for the Temple to waive its jurisdiction and permit another Temple to confer the Order upon one residing within its jurisdiction; *provided*, that where the fee of the Temple granting a waiver is greater than the fee of the Temple requesting the waiver, the candidate shall pay to the Temple which asks for the waiver a fee equivalent to the fee he would have been required to pay had he petitioned the Temple in whose jurisdiction he resides and which grants the waiver. The Temple which asks for the waiver shall then remit the difference

in fee to the Imperial Recorder and that amount shall go into a fund for the Shriners' Hospitals for Crippled Children. No Potentate, however, shall have the power in himself to grant such waiver, but it shall be given only by authority and under the seal of the Temple so granting it. A Temple cannot grant a blanket waiver. Temples having concurrent jurisdiction must notify each other of the names and addresses of all candidates rejected, or to whom objections have been made, residing in the territory over which their jurisdiction is concurrent.

It shall be the duty of the Imperial Potentate to suspend the work of any Temple violating the provisions of this section until the next meeting of the Imperial Council.

Sec. 221. WHEN REQUEST TO CONFER ORDER MAY BE MADE. A candidate having been elected in a Temple, that Temple may request, under seal, another Temple to confer the Order upon the candidate as a favor to the requesting Temple. The Temple conferring the Order shall certify the same, under seal, to the Temple in which the candidate was elected. The Temple which elected the candidate shall enter this official communication upon its record, place his name upon its membership list, and he shall then become a member of that Temple.

Sec. 222. PLACE OF MAKING APPLICATION. No applicant actually resident within a Temple jurisdiction can apply elsewhere for the Order without the consent of the Temple. Where two or more Temples hold concurrent jurisdiction over territory, the consent of *each* shall be necessary to enable an applicant of that jurisdiction to be created a Noble in a Temple in any other jurisdiction. A Temple having received a petition from one possessing the necessary qualifications and having regularly elected the candidate, retains jurisdiction over him until initiation, no matter whether said candidate subsequently removes from its jurisdiction or not.

Sec. 223. TEMPLES MAY HOLD MEETINGS, WHEN. Except as hereinafter provided, Temples may open, elect candidates, and confer the Order at any place within their jurisdiction, notice being given of such intent, but no other business can be transacted at such session. Where two or more Temples hold concurrent jurisdiction over territory, all ceremonial sessions must be held at the city or town in which the Temple is permanently located; but the Imperial Potentate, upon request of any Temple, accompanied by a waiver of jurisdiction from the Temple, or Temples, having concurrent jurisdiction, may grant a special dispensa-

tion to hold a ceremonial session at any place requested in said concurrent jurisdiction.

A Temple may hold a ceremonial session in states, territories or countries where no Temple exists, providing it obtains a special dispensation from the Imperial Potentate.

Sec. 224. SHRINE ORGANIZATIONS, CLUBS. No organization of Shriners of any kind, meeting as such, using any of the emblems of the Order or having a title or titles indicating it to be an organization of Shriners, shall be organized in the jurisdiction of any Temple, except with the official sanction and under control of the Potentate of the Temple in whose jurisdiction it is organized, and all Nobles, whether belonging to said Temple or not, shall be amenable to the by-laws and regulations of said Temple; also, no such organization shall adopt by-laws without their first having been assented to by the Potentate of said Temple. If any such organization is proposed to be formed in territory over which two or more Temples have concurrent jurisdiction, it must have the consent, as provided for above, of the Potentates of the two nearest Temples to its proposed location, and shall be under the control of the Potentate of the nearest of these two Temples, provided, however, that no independent association of Shriners formed for the purpose of providing relief or benefit funds for the widows or families of deceased members shall be under the control of the Potentate or Temple in whose jurisdiction it is organized or elsewhere: provided, further, that if a change is made in jurisdictional lines of any Temple, jurisdiction over any such existing organization shall be in the Temple under whose authority the organization was created, unless otherwise agreed by the Temples involved.

Sec. 225. PATROLS, BANDS AND OTHER UNITS. The Patrol, Band and all other units, are parts of the working corps of the Temple, and under the control and authority of the Potentate and such working corps must be composed wholly of Shriners in good standing in some Temple of the Order. No Temple shall set aside or appropriate any portion of the fees collected for initiations or affiliations or annual dues or assessments of the Temple to and for the exclusive use of any such units, or any subordinate club or organization in the Temple.

Sec. 226. FEMALE PATROLS, ETC., PROHIBITED. No Temple shall organize a female patrol, or any uniformed body of women, and introduce the same into the Temple at a ceremonial session, or permit such organization to parade,

drill, or appear in public, under the auspices of the Temple, or by its authority.

Sec. 227. **PARADES, PERSONS PROHIBITED IN.** In the parade of Temples of the Order at annual sessions of the Imperial Council, or in parades given under the auspices of subordinate Temples of the Order, no one shall be permitted to participate but members of the Order, uniformed bodies, and male servants accompanying Temples. No females shall be permitted to participate in parades.

Sec. 228. **TEMPLES MAY NOT SPONSOR CERTAIN ORGANIZATIONS.** No Temple shall organize or sponsor any body of women, or men and women, purporting to be an Order connected with the Ancient Arabic Order of the Nobles of the Mystic Shrine, composed of Nobles of the Mystic Shrine and female relatives of such, and making such relationship the prerequisite for membership in such body. The Imperial Potentate shall arrest the charter of any Temple violating this section.

Sec. 229. **STREET PARADES. COSTUMES.** The appearance in street parades of novices or Nobles in costume, dress or other attire calculated to bring reproach upon the Order is prohibited.

Sec. 230. The uniform organizations of any Temple may appear on the street or in any public place only with the expressed approval, previously given, of the Potentate holding control over such organization.

Such appearance shall be under the auspices of the Temple with which such organization is identified, and shall not be in any place in which such Temple has not jurisdiction except with the consent of the Potentate of the Temple having jurisdiction. Under no circumstances shall the members thereof receive any reward or compensation for such appearance or participation.

Sec. 231. **GAMBLING, ETC., PROHIBITED.** It shall be unlawful for any Temple or any organization connected therewith, or under its control, or any group of its members, or any member acting for or on behalf of the Temple, to promote or take part in any engagement or enterprise prohibited by the law of the land.

Sec. 232. **USE OF THE WORD NOBLE, ETC., AS ADVERTISING. PROHIBITED.** The use of the word "Noble", "Shriner", or any variation thereof, or any term, sign or symbol of the Order, for commercial or other business enterprises is prohibited. Any Noble violating this section may be suspended or expelled from the Order. Should

the Temple of which the offender is a member neglect to take action, the Imperial Potentate may suspend such offender until the next regular session of the Imperial Council, at which session the suspension may be made permanent. Any Temple neglecting to take action in such a case is subject to having its charter arrested by the Imperial Potentate. Provided, however, that this section shall not apply to those who are regularly engaged in dealing in standard Shrine supplies, uniforms, regalia and emblems.

ARTICLE XXVIII.

Dispensations for New Temples.

Sec. 235. No dispensation for a new Temple shall be granted except by action of the Imperial Council, and then only upon the filing of a petition which shall have been signed by at least eight hundred (800) Nobles of the Mystic Shrine, residing in the territory of the proposed Temple; provided, that such dispensation shall not be granted in the event of the membership of any Temple in the same jurisdiction, or the nearest Temple in another jurisdiction, being reduced to less than two thousand (2,000) members by the withdrawal of the petitioners for the dispensation. The Imperial Council may, however, grant a dispensation for a Temple in unoccupied territory without such restriction.

Sec. 236. The petitioners must give satisfactory evidence of good standing in the Order, and that they have the ability to procure a suitable place of meeting, together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple.

Sec. 237. The application for dispensation shall be in the prescribed form furnished by the Imperial Recorder, which must have printed therein in red ink Section 240 of this Article, and shall be in duplicate, one copy for the Imperial Recorder, and the other kept by the petitioners for reference.

Every name on the application must be the actual signature of the petitioner, and when once signed the name cannot be withdrawn from the application except upon the voluntary written request of the petitioner and which shall be for none other reason than that his signature has been obtained by false representations, and the said written authority for such withdrawal showing the reasons therefor shall be attached to the application for the dispensation when presented to the Imperial Council, otherwise the original signature must stand.

If, after the application for a dispensation has been delivered to the Imperial Recorder, in accordance with the next paragraph of this section, a signer of the application desires to withdraw his name, he must send his voluntary request in writing stating the reasons therefor direct to the Imperial Recorder, who shall erase the name from the application, if the reasons be as provided in this section, and shall attach the authority for such erasure to the application before presenting it to the Imperial Council, and shall furnish such list of withdrawing members to the other petitioners organizing the proposed new Temple, who may supplement the same to replace withdrawn names until the meeting of the Imperial Council.

When completed the application must be filed with the Imperial Recorder at least sixty (60) days prior to the annual session of the Imperial Council, and notice of such application must be published in the official call for the Imperial Council session. Unless such application is filed and published as herein provided, it must lie over until the next regular session of the Imperial Council.

Sec. 238. When the application for a dispensation is received by the Imperial Recorder he shall notify the Temple nearest the site of the proposed new Temple, in the same jurisdiction, if any, or, if the proposed Temple is to be established in unoccupied territory, then the nearest Temple in another jurisdiction, at least thirty (30) days prior to the meeting of the Imperial Council, giving full information in regard to the application, in order that objections to the granting of such dispensation, may be presented to the Imperial Council.

Sec. 239. If the dispensation is granted, the Temple shall be liable for dues to the Imperial Council only for the fractional part of the year remaining after the date of such dispensation, and for the per capita tax and assessments in full on members created. (See Art. XI, Sec. 94, By-Laws.)

Sec. 240. A Noble signing an application for a dispensation becomes a member of the Temple under dispensation on the date such dispensation is granted, and shall be amenable to it for dues; provided, however, that the Temple of which he was a member prior to the granting of the dispensation may retain the dues already received from such member for the current year.

Sec. 241. If the dispensation is refused and no charter granted, all Nobles who signed the application are thereby restored to membership in the Temples of which they were

members prior to the granting of the dispensation, and all members of said Temple created therein become members of the Order at large, subject to the authority of the Imperial Council; and are entitled to a certificate to that effect from the Imperial Recorder, which certificate has the force of a demit for the purpose of affiliation.

Sec. 242. A Temple under dispensation has a legal existence and a legal jurisdiction, and, whether it works or not, such jurisdiction cannot be interfered with except by action of the Imperial Council. Such a Temple, however, cannot adopt by-laws until a charter has been granted and the Temple regularly constituted in accordance with the laws of the Imperial Council; but it shall in the meantime be governed by the By-Laws, Regulations, Code and Edicts of the Imperial Council.

Sec. 243. A Temple under dispensation has no power to elect officers, but must retain its provisional officers until a charter has been granted to it.

The provisional Potentate of a Temple under dispensation is not entitled to the rank of Past Potentate, nor is the Temple entitled to representation in the Imperial Council.

Sec. 244. No charter shall be granted to any Temple until it has been under dispensation for a period of at least the time elapsing between two regular sessions of the Imperial Council, and not then until it has provided itself with a proper place of meeting and the necessary paraphernalia for conferring the Order, and has at least one thousand (1,000) Nobles in good standing on its roll of membership.

Sec. 245. When a charter is granted, the members of the new Temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the Temple is constituted.

Sec. 246. When a dispensation for a new Temple shall have been refused by the Imperial Council, no further application therefor shall be made until three years have elapsed.

ARTICLE XXIX.

Membership in Temples.

Sec. 251. One applying for the Order shall be an actual resident for at least six (6) months in the jurisdiction of the Temple to which he applies. Actual residence is defined to mean the place where the applicant in good faith makes his home; any Temple of the Order may, however, receive and act upon the petition of one who is a resident of a

country, territory or state wherein no Temple of the Order exists. Provided, however, any commissioned, non-commissioned or warrant officer, or enlisted soldier, sailor or marine of the Army, Navy or Air Corps or other branch of the armed forces of the United States, the Dominion of Canada or Mexico, may petition any subordinate Temple of the Order within whose jurisdiction he may at the time be stationed without reference to his actual or legal place of residence, and may thereupon, after election as provided in Section 252, be initiated by and become a member of such Temple. Membership may be terminated by voluntary demission upon payment of all indebtedness to the Temple or by expulsion or suspension in the manner provided in the By-Laws and Code.

Sec. 252. If, upon the balloting for a candidate, subsequent to a favorable report, three black balls shall appear, another ballot shall immediately be had, but no more. Upon the appearance of three black balls a second time the candidate shall be declared rejected and disqualified to make a second application for thirteen (13) weeks. A written objection, signed by at least three (3) members of the Temple in good standing, presented to the Potentate, shall have the same effect as an adverse ballot.

After a candidate has been declared elected, any subsequent objection or protest must be presented to the Potentate in writing, signed by at least three (3) members of the body and must stand. Provided however, that if written notice of the candidate's application has been given to the membership not less than 10 days before the date set for the balloting upon his application, no such objection or protest can be made unless made at least 48 hours before the time specified in the notice for the obligation of such candidate. The fact that said objection has been made, but not the written objection itself, shall be entered upon the minutes and shall have the same force and effect as an adverse ballot, and shall prevent a reconsideration of the matter for thirteen weeks.

Sec. 253. A Noble can hold active membership in but one Temple. In order to retain membership in a Temple a Noble must be in good standing in one or the other of the two prerequisite Masonic bodies—a Commandery or Preceptory of Knights Templar or a Consistory of the Ancient and Accepted Scottish Rite. Where a Noble holds membership in both of these prerequisite bodies, so long as he is in good standing in one of these bodies his membership

in the Temple is not affected by any action of the other prerequisite body in depriving him of membership in that body.

In case a Noble holds membership in only one of the prerequisite bodies and for any cause is suspended or expelled by that body, he stands suspended or expelled, as the case may be, in his Temple until restored to good standing by the prerequisite body suspending or expelling him, when he shall be restored to good standing in his Temple without vote of the Temple. He shall not be charged with dues to the Temple during the period of his suspension. The acquirement of the other prerequisite subsequent to his suspension or expulsion does not restore him to good standing in the Temple, but he may be restored by vote of the Temple.

When a Temple learns in an official manner or has reasonable cause to believe that one of its members, by reason of his non-affiliation for six months or more, is not in good standing in at least one of the prerequisite Masonic bodies, it shall notify the member so charged that he must appear before the Temple, or give evidence to the Temple, at its first stated session thereafter, and show cause why he should not be suspended. Should he fail to do so he shall be declared suspended from all his rights and benefits of membership in the Temple until he removes the cause of his suspension.

Sec. 254. A Demit is a certificate that at the time of granting such demit the Noble named therein was in good standing, and of good repute, and recommended as such to other Temples.

A Temple cannot withhold a demit from a Noble applying for same, provided he is free from charges and indebtedness to the Temple. No demit can be granted to a Noble accused of violation of the Laws of the Order, pending his trial. A Temple may issue a duplicate demit to a Noble, but must satisfy itself that the Noble asking for it is still in good repute.

A demit may be issued by the Potentate and Recorder of the Temple between regular sessions of the Temple, if deemed necessary. A record of a demit so issued must be made, and made of record and reported to the Temple at its next succeeding regular session.

A demit, when granted, shall become effective for all purposes, as of the date of the filing of the application therefor with the Recorder of the Temple, which said application shall be in writing.

Sec. 255. A Noble of the Mystic Shrine holding a demit from a Temple may only affiliate with a Temple within the jurisdiction of which he is and for at least six months has been an actual resident.

Any Noble residing within concurrent jurisdiction and holding membership in a Temple in such jurisdiction cannot demit and affiliate with another Temple in the same jurisdiction, without a vote of the Temple granting such demit, provided that this section shall not apply to any Noble holding a demit as of date prior to June 1, 1934, if all Temples holding concurrent jurisdiction charge the same dues and/or assessments.

A Noble holding a demit and who is desirous of re-affiliating with the Temple that issued the demit, may be restored to membership without a vote of the Temple, provided written application for reaffiliation is made, with the original demit attached to the application, such application to be accompanied by written evidence that such demitted member is in good standing in his prerequisite body, and provided that such reaffiliation shall be reported to the Temple at its next succeeding regular session and recorded in the minutes. This shall not apply where demit is placed in a Temple other than the one issuing same, in which latter case the provisions of Section 252 of the Code of the Iowa Corporation shall apply.

Sec. 256. A member may be suspended for non-payment of dues only by a majority vote of the members present at any regular session, provided notice by first class mail to the last known address has been given to the delinquent member that he is in arrears, and an opportunity afforded him to be present, and any delinquent Noble desiring to appear before the Temple pursuant to any such notice shall be entitled to admission into the Temple for such purpose only and regardless of the fact that he is in arrears. A member suspended for non-payment of dues or assessments may be reinstated without a vote of the Temple upon payment of all arrearages, provided written application for reinstatement is made, such application to be accompanied by written evidence that such suspended member is in good standing in his prerequisite body, and provided that such reinstatement shall be reported to the Temple at its next succeeding regular session and recorded in the minutes. No Temple shall carry a member on the books who is more than two years in arrears without taking some action thereon.

Sec. 257. A Temple may levy an assessment upon the members thereof, for purposes general to the membership, at a regular session of the Temple, after due notice to all the members, which said notice shall state the amount of said proposed assessment, and the date upon which action shall be taken thereon. To be valid such assessment must receive a two-thirds vote of those present and voting, and must be approved by the Imperial Council in a manner similar to the approval of amendments to the By-Laws of a Temple. When so passed by the Temple and approved by the Imperial Council the assessment shall be binding on each member of the Temple as of the date of passage of the resolution levying the assessment and shall be paid as dues are paid. No card shall be issued to a member if his assessment or any installment thereof is in arrears. No card shall be issued to a member if any voluntary obligation due from him to his Temple, or any installment thereof, is in arrears. No demit shall be issued to a member until his assessment or financial obligation shall be paid in full.

Sec. 258. A Past Potentate who shall become a charter member of a new Temple shall be entitled to be classified as a Past Potentate of the new Temple.

Sec. 259. When an application for the establishment or change of Jurisdictional Lines of any Temple or Temples is proposed, the application shall be filed at least sixty days before the Annual Session of the Imperial Council with the Imperial Recorder.

The Imperial Recorder shall notify the Temple or Temples affected by said proposed established or change of Lines, giving full information in regard to the application, in order that objections to the granting of such proposed change may be presented to the Imperial Council.

Sec. 260. When the application for the establishment or change of Jurisdictional Lines is refused by the Imperial Council, no further application or renewal application therefor shall be made until three years shall have elapsed.

ARTICLE XXX.

Discipline—Trial Procedure.

Sec. 262. A Noble shall be subject to discipline by the Temple of which he is a member, or by the Temple within whose jurisdiction the Noble resides, for conduct unbecoming a Noble of the Mystic Shrine.

Sec. 267. Proceedings for the discipline of any Noble shall be as follows:

(a) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine shall state the nature and character thereof in writing, sign such complaint and deliver to the Potentate of the Temple.

(b) Upon receipt of any such complaint it shall be of five (5) members of the Temple, preference being given to Past Potentates, whose duty it shall be to thoroughly investigate the complaint, and if in the judgment of the majority of said committee, they shall find probable cause for believing that an offense has been committed, it shall be the duty of such committee to so report to the Illustrious Potentate.

(c) Immediately upon the receipt of such report from the grievance committee, it shall be the duty of the Illustrious Potentate to refer the matter to the Assistant Rabban, or, if he be disqualified from acting, to any other Noble of the Temple designated by the Illustrious Potentate, and it shall be the duty of said Assistant Rabban, or of the Noble so designated, to cause formal written charges to be preferred in the name of the Temple against such offending Noble, which charges shall, in plain and concise language, apprise the offending Noble of the charge, or charges, and signed by the Assistant Rabban, or other Noble designated by the Potentate, which charges when so prepared shall be filed with the Recorder of the Temple.

(d) Immediately upon the filing of such charges it shall be the duty of the Illustrious Potentate to appoint a trial committee of nine (9) Nobles of the Temple in good standing, and to designate a date for the hearing of such charges before such committee, which shall be not less than fifteen (15), nor more than twenty (20), days from the date of the selection of said trial committee.

(e) It shall be the duty of the Recorder of the Temple to cause a certified copy of the charges, together with a notice apprising the accused of the time and place of the trial, to be served upon the accused Noble, which service shall be in person by some Noble of the Order in good standing, or by registered mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or of the Recorder, of the mailing by registered mail, shall be prima facie evidence of the service of the notice and charges upon the accused Noble.

(f) It shall be the duty of the Assistant Rabban or the Noble designated by the Illustrious Potentate, in the

name of the Temple, to prosecute such charges, and the Temple may have the assistance of counsel in the presentation of such charges, provided such counsel shall be a Noble of the Order in good standing. The accused shall also have the right of counsel, provided such counsel shall be a Noble of the Order in good standing.

(g) The accused may, five days previous to the time set for the hearing, file written answer to the charges.

(h) Upon the date set for hearing, the Temple shall excuse two (2) of the committee so chosen by the Potentate, and the accused shall have the right to excuse two (2) of said committee, leaving a trial committee of five (5). If the accused shall fail or refuse to exercise his challenge as above, then the trial committee of five (5) shall be chosen by lot. This committee shall hear the evidence adduced on behalf of the Temple and the accused, and the arguments of counsel, and said committee shall then proceed with its deliberations, and shall ascertain the guilt or innocence of the accused. If the committee shall find the accused guilty, it shall then proceed to fix the punishment, which may be either expulsion, suspension for an indefinite period, or suspension for a definite period. It shall require a majority vote of the committee upon the question of guilt and upon the fixing of the punishment.

(i) After such committee has concluded, it shall make a report of its findings to the Illustrious Potentate in writing, and at the next regular session of the Temple after the trial such report shall be read to the Temple, and the Illustrious Potentate shall thereupon pronounce judgment upon such report, and the judgment shall date from the time of the pronouncement of judgment by the Illustrious Potentate, and shall, from that date, be final, unless the same shall be reversed or modified on an appeal therefrom to the Imperial Council.

(j) Either the Temple or the accused shall have the right, within thirty (30) days, to appeal to the Imperial Council from any judgment rendered as provided in this Code; and provided, further, that the Noble making the complaint shall be entitled, within thirty (30) days, to appeal to the Imperial Council from the decision of the Grievance Committee finding no probable cause, by filing notice of the appeal with the Imperial Recorder within such thirty (30) days and shall also, at least thirty (30) days prior to the next annual session of the Imperial Council, file a complete transcript of the proceedings, and the Imperial

Recorder shall thereupon transmit all the papers pertaining to such appeal to the Chairman of the Grievance Committee.

(k) If an appeal shall be taken the party appealing shall pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Illustrious Potentate the party appealing is unable to pay such expenses, in which event the Temple shall pay the same.

(l) Any Noble indefinitely suspended or expelled may be reinstated in the following manner: He shall present an application for reinstatement, which shall be read at a regular meeting and laid over until the next regular meeting, and notice shall be sent to the entire Nobility of such application. At the next regular session after the presentation of such application, the members having been notified, the following question shall be put: "Shall the Noble be reinstated?" If two-thirds of the members present shall vote for his reinstatement, he shall be declared reinstated. If a less number than two-thirds vote for reinstatement, he shall stand suspended or expelled, and shall not be permitted again to petition for a period of one year thereafter; and provided, further, that if the member shall have been expelled or suspended indefinitely, he shall not be permitted to petition for reinstatement until after the expiration of one year from the date of judgment of expulsion or suspension.

(m) No member of the Grievance Committee and no member of the trial committee shall be of kin of the Noble filing charges in the first instance, nor a witness, nor in any way interested in the controversy; and if a member of either committee shall be disqualified, it shall be the duty of the Illustrious Potentate to fill such committee or committees with disinterested Nobles.

(n) Any Noble refusing to serve upon such committee (except he be disqualified under the provisions of paragraph "m"), or excused by the Illustrious Potentate, shall be subject to discipline.

(o) In the event the Illustrious Potentate shall be disqualified, either under paragraph "m", or for good cause shall disqualify himself, the Chief Rabban shall act in his stead in the appointment of the committee herein provided.

(p) Any Noble of the Temple shall be permitted to attend the trial before the trial committee, but the deliberations of said committee upon guilt or innocence, and fixing punishment, shall be secret.

(q) The trial committee shall select one of its number as Chairman, who shall administer the oath to all witnesses who are Nobles upon their honor as Nobles of the Mystic Shrine, and all witnesses not members of the Order shall be sworn by any officer qualified to administer oaths.

(r) The report of the trial committee shall be signed by the entire committee.

(s) The testimony of all witnesses shall be taken by a competent stenographer, so that the same may be preserved.

(t) Either the Temple or the accused may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof be given the opposite party.

(u) Both the Temple and the accused shall have the right to summon witnesses, and disobedience of a summons shall subject the offending Noble to discipline.

ARTICLE XXXI.

Temple By-Laws.

Sec. 272. A Temple may adopt by-laws and amendments to existing by-laws, provided they are consistent with the laws of the Imperial Council. Proposed by-laws or amendments shall be presented to and ratified by the Temple at a regular or special session called for that purpose, after due notice to every member of the Temple. Upon the adoption of by-laws or amendments, three (3) copies thereof, together with a certificate of their ratification, signed by the Potentate, attested by the Recorder, with the seal of the Temple affixed thereto, shall be forwarded to the Imperial Recorder, who shall forthwith send the same to the Committee on Jurisprudence and Laws. If said committee approve such by-laws or amendments they shall be so endorsed, one copy retained by the Committee and two copies sent to the Imperial Potentate for his approval, and if so approved by him, such by-laws or amendments shall at once become effective. Upon such approval the Imperial Potentate shall forward the same to the Imperial Recorder, who shall retain one copy for the records of the Imperial Council, and forward the other copy to the Temple.

Sec. 273. Where approval of amendments to existing by-laws is asked, a copy of the by-laws proposed to be amended must accompany the amendment. All proposed by-laws and amendments must be in the office of the Imperial Recorder at least thirty (30) days before the meeting of the Imperial Council.

Sec. 274. At each session of the Imperial Council the Imperial Recorder shall present a list of all new or amended by-laws which have been approved by the Committee on Jurisprudence and Laws and confirmed by the Imperial Potentate during the recess of the Imperial Council. The Imperial Recorder shall also submit a list of any by-laws or amendments which have been rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for such rejection. Any Temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its by-laws or amendments thereto, has the right to appeal to the Imperial Council, and the decision of that body shall be final.

Sec. 275. When a change is authorized by the Imperial Council affecting the laws, and such change affects the by-laws of any Temple, the by-laws of the Temple so affected are, *ipso facto*, changed to conform with those of the Imperial Council, and it shall be the duty of every Temple to at once make such changes in its by-laws upon receiving the printed copy of the proceedings of the Imperial Council from the Imperial Recorder, and thereupon the Recorder of the Temple shall send to the Imperial Recorder a properly certified copy showing that such change has been made, and in such case it shall not be necessary to send copies to the Imperial Potentate and the Committee on Jurisprudence and Laws for approval and confirmation.

Sec. 276. All Temples not having by-laws of their own shall work under the laws of the Imperial Council, but it is recommended that all Temples should adopt by-laws for their government.

Sec. 277. All Temples shall provide by by-law or resolution for at least four stated sessions to be held during the year, and the time of such sessions shall be fixed by said by-law or resolution. One of said stated sessions shall be held in January of each year.

ARTICLE XXXII.

Visitors to Temples.

Sec. 280. Any member of a Temple may object to the presence in his (objector's) own Temple of any visiting member of the Order should he desire to do so.

Sec. 281. A Noble shall not be admitted to his own or any other Temple of the Order, unless he exhibits to the Temple to which he desires admittance a Shrine Card

for the then current year, printed and issued as provided by Section 115, except as provided in Section 256 of the Imperial Code.

ARTICLE XXXIII.

Honorary Members.

Sec. 282. Honorary membership may be conferred by subordinate Temples upon any member of the Order, as a compliment, by a majority vote, but such membership confers no rights or privileges. The issuing of yearly membership cards to honorary members is prohibited.

ARTICLE XXXIV.

Annual Returns.

Sec. 285. A fiscal year for all Temples is hereby created, beginning January 1st and ending December 31st of each year, and it shall be the duty of the Recorder of each Temple to arrange his books and accounts so as to conform with such fiscal year. It shall also be the duty of such Recorder, at the annual session of his Temple following the end of the fiscal year, to render a complete report of the finances, investments, membership and other matters of interest in which his office is concerned.

Sec. 286. Every subordinate Temple shall, on or before the 31st day of January in each year, transmit to the Imperial Recorder, in such form as shall be furnished, its annual returns, and the dues to the Imperial Council shall be remitted as provided in Section 102 of Article XII of the By-Laws.

Sec. 287. The initiation fee of Two and 50/100 Dollars (\$2.50) for every initiate shall be paid in accordance with Sec. 101, Art. XII, of the By-Laws.

Sec. 288. Any Temple neglecting or refusing to make the required remittances as provided in Sections 95 and 102, shall be notified thereof, and if, after thirty (30) days' notice, it fails fully to comply therewith, it shall be suspended by the Imperial Potentate, except that by and with the advice and consent of the Chairman of the Finance Committee the time may be extended.

ARTICLE XXXV.

Temple Headquarters and Hospitality at Imperial Council Sessions.

Sec. 291. Temples of the Order may maintain headquarters during the annual sessions of the Imperial Council, for the purpose of dispensing Shrine hospitality and the

promotion of good fellowship. The use of Temple badges as gifts, or for exchange purposes, is permitted. The indiscriminate distribution, in large quantities, of all kinds of souvenirs, to every one that calls at Temple headquarters, should not be made. All courtesies shown in Temple headquarters should be limited to Nobles of the Order and ladies accompanying them.

No distribution of souvenirs or gifts of any kind shall be made by Temples or representatives to the members of the Imperial Council while that body is holding its session.

Each Potentate and each Representative should see that no abuse of any kind is permitted in Temple headquarters, that tends to discredit the Shrine, or its avowed principles and objects.

Explanation of the Calendar

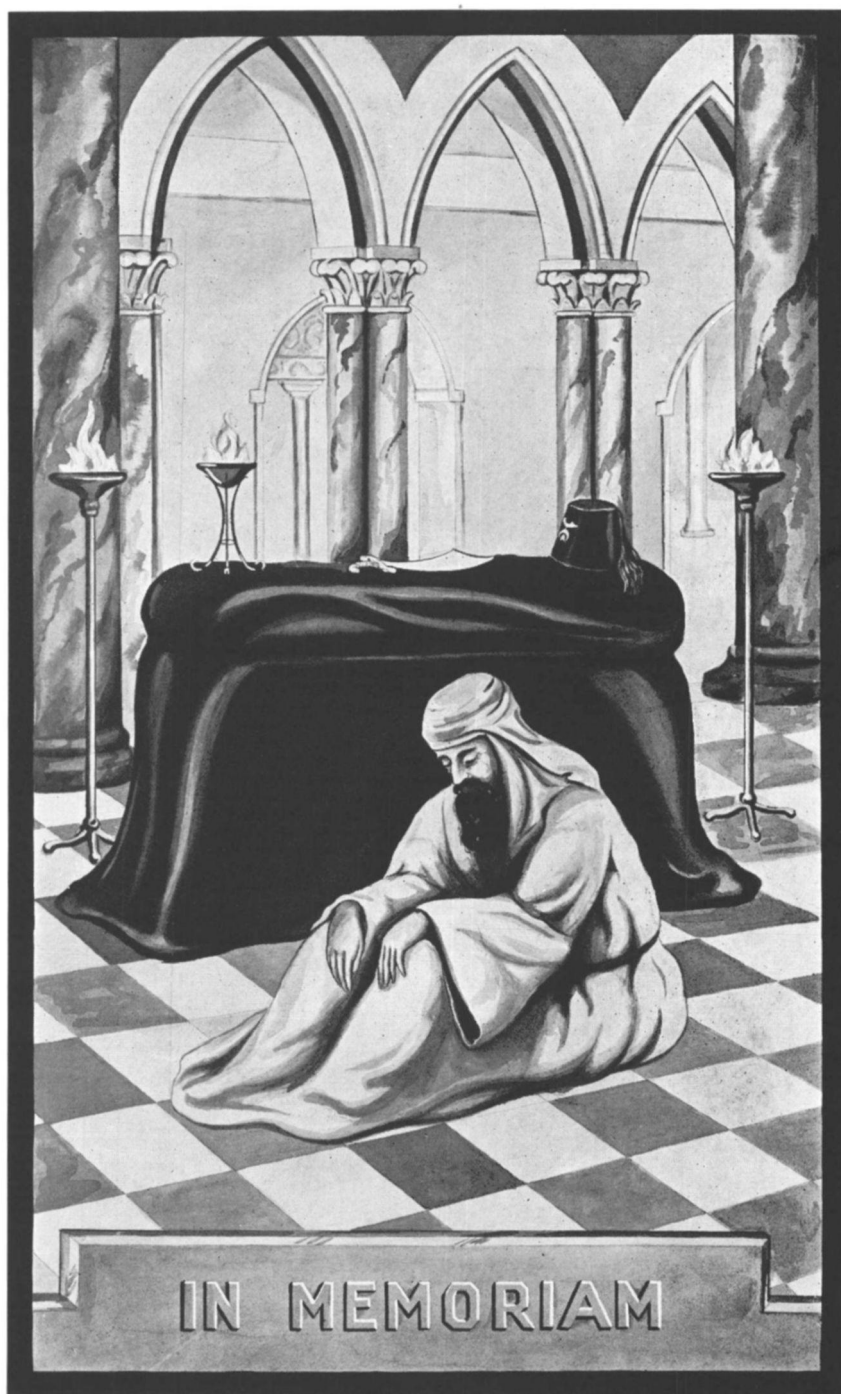

The Mohammedan year contains twelve months of thirty and twenty-nine days alternately, except leap years (indicated above by a star), when the twelfth month had thirty days. The small numbers (*printed in red*) from 1 to 365 are the days of the Gregorian year, and are affixed to corresponding days in both calendars.

EXAMPLE

The 30th day of the 1st month, Muharram, 1365, (marked 96 in red), is the 4th day of January, 1946 (also marked 96 in red).

What day in the Mohammedan year is May 19th, 1946?

Finding May 19, 1946 in the Gregorian Calendar it is found to be marked 231 in the red figures. The corresponding figure in red on the Mohammedan Calendar is found to be the 17th day of the 6th month, Jumada-l-Akhar, 1365.

AFTERNOON SESSION

Chairman ARVOLD (2:35 P. M.). The Colorado corporation is open for business. We have a matter here to be presented by the President of the Board, Noble W. Freeland Kendrick.

Noble KENDRICK: Thank you, Imperial Sir. I have communications from Al Malaikah Temple, and I have been asked to present this to you. It has been read and approved by the Board of Trustees and is presented here today with our recommendation for the adoption of the resolution. (Reading)

January 5, 1945.

W. FREELAND KENDRICK, *Chairman*,
 Shriners Hospitals for Crippled Children
 1142 Widener Building
 Philadelphia 7, Pennsylvania

My dear Freeland:

We are forwarding in a day or two the final returns for 1944 on our Crippled Children's Hospital Endowment Fund campaign. Naturally, we will be interested to know whether or not we were fortunate enough to win the

"Board of Trustee's Trophy" for the past year. We are sure that you will find that our efforts in building up this endowment fund were not just a flash in the pan and that you will continue to receive very substantial contributions from Al Malaikah Temple for this wonderful charity.

As a matter of fact, the enthusiasm and interest of our Nobles in this work has been so built up that we are anxious to launch a campaign for funds to construct a children's hospital unit here in Los Angeles. We are confident that with the proper presentation of the matter to our Nobles and to the citizens of our jurisdiction that ample funds could be raised to purchase the land and construct and equip a hospital equivalent to the San Francisco unit. Of course the construction would have to await the termination of the war, but right now is a most opportune time to raise the money.

In order to make the presentation of this program locally on a sound economic basis, it would first be necessary to secure a commitment from the Imperial Council to take care of the operational expenses of such a unit providing we raised all the funds locally which would be required to build and equip it.

Therefore we wish to make this a formal application for the consideration and approval of your Board and for your presentation on our behalf at the next session of the Imperial Council; that we shall undertake to raise funds sufficient to build and equip a hospital at least equal in size and facilities to the San Francisco unit and that if we are successful in financing and constructing such a hospital that the Imperial Council will furnish the necessary operating funds to maintain the same.

We are quite confident that with such a hospital unit located in our jurisdiction that we would be able to raise sufficient funds each year to provide all or a large part of operating costs ourselves and would undertake to do so. However, you can well appreciate that at this stage of its promotion we could not make a sound presentation of the program to secure building funds from the substantial people of the community without a definite and assured plan of financing operations. Therefore, the support and prestige of your Board of Trustees and of the Imperial Council of the Shrine would in our opinion assure the success of our undertaking.

It is also anticipated that with the many wealthy and retired persons who live in this jurisdiction that the location of a hospital here would attract in future years many fine endowments and legacies which would go to the support and expansion of our crippled children's hospital movement.

Respectfully submitted,

Imperial Council.*

 EDWARD T. COOK, *Oriental Guide*

It is signed by the Potentate at that time, the Chief Rabban, the Assistant Rabban, the High Priest and Prophet, the Oriental Guide, and Representatives to the Imperial Council, seven in number including Leo Youngworth, Past Imperial Potentate, and Hugh M. Caldwell, Representative ad Vitam.

Now, Nobles, the Board of Trustees has studied this for some time. We have taken it up with the Board of the San Francisco Unit, and we all believe that permission should be given to Al Malaikah Temple to proceed to raise this money, with the understanding that the plans and specifications of the proposed hospital to be built in Los Angeles, would first be approved by the Board of Trustees. Those things I believe are all understood.

We believe they can raise the money to build this hospital, and we believe that in a very short period of time it would be endowed. Talking with these Nobles in Los Angeles, there is a feeling there and a field that makes this more readily available than any other jurisdiction I am prepared to speak of at the present moment. So I present it for the Board of Trustees at their request. It has been unanimously approved by the Board of Trustees, and now I present it to you for your action.

Chairman ARVOLD: Will somebody make a motion that it be referred to the Jurisprudence and Laws Committee.

Noble HAMMERS: I offer that resolution. (Motion seconded).

Chairman ARVOLD: A resolution has been offered by Noble Hammers that this matter of establishing a Crippled Children's Hospital in the City of Los Angeles, California be referred to the Committee on Jurisprudence and Laws for the purpose of preparing a resolution to be voted upon by the Board of Directors and eventually by the Imperial Council. I personally would not want to take the responsibility or have this Board take the responsibility of acting without having it discussed on the floor at a regular session.

Noble SMITH: You have full authority to do anything here in this corporation.

Noble MACKENZIE: Might I. Imperial Potentate and Chairman of the Colorado corporation, just inject one thought at this time? Unfortunately I was not here when the Chairman of the Board of Trustees opened his remarks. He may have covered what I propose to do just very briefly, and that is to say that they have qualified their request in Los Angeles not to proceed now with the Hospital. What they want to do is to procure the money while the money is free and easy to be had, and I am inclined to believe that if we have the power here we should not stop or retard the effort, because in another year or two we all hope that the war with Japan will be over, and at that time it is going to make a great deal of difference in most portions of the country.

I think what Los Angeles is keen for now is to get sufficient authority from this body to proceed to procure their funds, and I think we ought to give it a lot of consideration because a year or two is going to make a lot of difference. I don't want to be one to suggest that we should try and jam this thing through. I believe they are making great preparation in their own minds and their own plans and they will have no difficulty in raising the funds. Let us not be too hasty in an attempt to retard them in any way through a technicality.

Chairman ARVOLD: I don't believe in retarding it, but I don't believe as a Board of Directors—we are sitting here, 12 men—that we have a real license—we may have the authority but do we have the license to go ahead and tell the

Shrine of North America that we are going to build and equip another hospital without them having any representation or without allowing them to discuss it on the floor? I am not against it, but I feel that that should be discussed when we have a regular session.

Noble KENDRICK: We are not going to build it.

Chairman ARVOLD: I know that.

Noble KENDRICK: Just grant them permission to raise the funds.

Chairman ARVOLD: I would like to have the reaction from any of the Past Imperial Potentates if they want to say a word.

Noble SMITH: The time for discussion is when you have heard the report of the committee.

Chairman ARVOLD: We will vote on the motion of Noble Rex Hammers, seconded by Noble Harold Lloyd. The motion has been made and seconded that it be referred to the Committee on Jurisprudence and Laws, with the idea of framing a resolution to be presented later. All those in favor say "Aye". Fine. All right. (Motion carried) Have you anything else on the docket?

Noble SMITH: At the request of the Board of Trustees, Shriners Hospitals for Crippled Children, and in order to enlarge the program of the hospitals to go into additional fields a resolution has been suggested to amend the By-Laws of the Colorado corporation, Section 22. That resolution is here, and I suggest that there be a motion that it be referred to the Committee on Jurisprudence and Laws with the idea of having an appropriate resolution prepared and returned to this Board.

Noble WILSON: I so move. (Motion seconded)

Chairman ARVOLD: You have heard the remarks of our General Counsel. How many are favorable? This will be referred to the Committee on Jurisprudence and Laws.

Noble KENDRICK: You can discuss it and go over it then. We want to amend the By-Laws. We are adding these words, "to furnish convalescent care and prevention of deformities." This will give us an opportunity to legally do what we are already doing and have been doing, furnish convalescent care in our hospitals, or otherwise, if the Board of Trustees so direct, and to consider means of prevention of deformities. It is Section 22 and we want to add after the word "paralysis" in the sixth line, on page 15—those words—so that the paragraph will read as follows.

The said Board of Trustees is vested with full authority in the name of the corporation, to operate and maintain hospitals in various places within the jurisdiction of the corporation for the treatment of children affected with clubbed feet, curvature of spine, tubercular spines and joints, infantile paralysis—

now, "to furnish convalescent care and prevention of deformities"—that is all. And then it goes on as originally:

and such other diseases and deformities as come within the scope and province of orthopedic surgery; provided, however, that said Board of Trustees shall make no commitments which by investment, operation or maintenance may cause a total annual outlay greater than assured annual income.

That has been a control that has always been in there. But we are in position to do convalescent work in some localities, and prevention of deformities also.

Noble BALDWIN: I move that the resolution be sent to the Jurisprudence and Laws Committee.

Noble MCGILVRAÏ: May I speak?

Chairman ARVOLD: It would be better to do so after the motion.

Noble MCGILVRAY: I wanted to explain why we are asking for this amendment. The Shriners' Hospitals when they were opened 25 years ago were ten years ahead of Federal action in connection with crippled children's work. Through that we have educated the public of North America in the care and treatment of crippled children. Now when you go to a Shriners' Hospital you do not find children 12 and 14 years of age, who have been forgotten by the public; now you find babies coming in at two months of age and up. When we get them in there under this new method we want to avoid operations. Now it is mostly manipulative therapy and plaster casts, where they can correct the bones while the children are still young. We don't perform near as many surgical operations as we used to do in years gone by. Out of this comes, of course, the necessity for convalescent care for those children because after their bones have been put in place all they need is treatment to see that they remain there.

Also we want to get into the prevention of deformities. A good many children of that kind are being brought to our hospitals. It was not possible before for us to treat them and that is the reason we are asking this authority now. This is on the advice of our surgeons and Mrs. Folendorf, our Administrator, in the Shriners' Hospitals, after a study of what is now happening in them; and unless we enlarge our program the Shriners' Hospitals will be out-shadowed by the other institutions. That is the reason we are asking for this authority.

Noble BALDWIN: I move that this resolution presented by Past Imperial Potentate Kendrick be referred to the Committee on Jurisprudence and Laws. (Motion seconded)

Chairman ARVOLD: Are there any remarks? If not all in favor, of the Board of Directors, say "Aye." All right. (Carried)

Noble KENDRICK: One more. I am asked by Sphinx Temple, of Hartford, Connecticut, to present this proposition:

At the last monthly meeting of Sphinx Temple held June 20th our committee in charge of the W. Freeland Kendrick Trophy recommended that this be placed on display in the Shrine Room of the George Washington Memorial—Masonic Memorial—in Alexandria, Va. This suggestion was heartily endorsed by all those present, as we feel that it would do the most good in creating interest in the work of the Shriners Hospitals for Crippled Children.

I assumed from your conversation that the approval of the Imperial Council must be obtained and I would, therefore, appreciate it if you would make this request in our behalf. If granted, we will arrange to have a suitable display case constructed for the protection of the Trophy. Recommendations and suggestions as to the design and finish so as to conform with the other furniture of the room would be welcome.

May I extend to you the hearty thanks and sincere good wishes of the Officers and Nobles of Sphinx Temple.

EDWARD D. HEIMAN,
Potentate.

Now briefly, Sphinx Temple won that Trophy for the third time and they would like to present it in a case to the Mystic Shrine Room. It is a work of art; You have all seen it, I suppose.

Chairman ARVOLD: This will be referred to the Committee on the Mystic Shrine Room that will be appointed.

Noble BALDWIN: A point of order, or a question. Why don't we accept the cup and then refer it to the committee?

Noble SMITH: It has to be referred to the Committee to see whether it conforms with what you desire to place in the Mystic Shrine Room.

Chairman ARVOLD: We will entertain a motion for acceptance, and then it will be referred to the Committee on Shrine Room.

Noble BALDWIN: I make such motion. (Motion seconded)

Chairman ARVOLD: Any remarks? If not, all those in favor say "Aye." All right. (Motion carried.)

Noble SMITH: Imperial Sir, in connection with our Mexico City project, at the last Imperial Council Session in the proceedings of the Colorado Corporation a resolution appearing on pages 9 and 10 of the Proceedings was passed authorizing this body to proceed with the creation of a Hospital Unit in the City of Mexico. We could not act under that resolution. No action under it has been taken. Therefore it is necessary to rescind that resolution; and on the recommendation of the Board of Trustees I have prepared for your consideration the following resolution:

In compliance with the request of the Board of Trustees, Shriners Hospitals for Crippled Children, the following resolution was presented:

"Whereas, the Board of Trustees, Shriners Hospitals for Crippled Children, at a regular meeting held by said Board in the city of Chicago on the date of July 7, 1945, the Board adopted the following resolution:

"The Board had under discussion the matter of the proposed Mexico City Hospital Unit and after consideration of all the facts it was regularly moved and seconded and unanimously approved that the Board recommend that the resolution appearing on pages 9 and 10 of the 1944 Proceedings of the Colorado Corporation be rescinded, effective as of the date of its adoption."

"Now, Therefore, Be It Resolved, that the said resolution which reads as follows:

"Whereas, there is a standing resolution prohibiting the establishment of any further units of Shriners Hospitals for Crippled Children, and

"Whereas, the finances of the Imperial Council now permits the establishment of at least one further unit, and it is the desire of this Imperial Council to establish an orthopedic ward in the Hospital Infantil in Mexico City,

"Now, Therefore, Be It Resolved, that said resolution prohibiting the establishment of further hospital units be rescinded so far as Mexico is concerned.

"And Be It Further Resolved, that the Board of Directors of the Colorado Corporation and the Board of Trustees, Shriners Hospitals for Crippled Children, be and they are hereby authorized to take all the necessary steps to establish an orthopedic ward in the Hospital Infantil in Mexico City, with the understanding that not in excess of Twenty Thousand (\$20,000.00) Dollars per annum shall be expended without further authority from the Imperial Council."

And then reading further:

appearing at pages 9 and 10 of the 1944 Proceedings is rescinded and hereby declared void ab initio.

Gentlemen, it is necessary to pass this resolution just as I have presented it, and then I have an additional resolution which will set up proper machinery to carry out the work of the Board that has been done in Mexico City.

Noble ROWE: I so move. (Seconded by Noble Hammers)

Chairman ARVOLD: Are there any remarks? If not, all who are in favor of the resolution as presented by our General Counsel please respond with the usual sign, "Aye." All right. (Carried)

Noble SMITH: Now I have the following additional resolution:

In compliance with the request of the Board of Trustees, Shriners

Hospitals for Crippled Children, the following resolution is presented for your consideration:

"Whereas, the Board of Trustees during the ensuing year has made or agreed to make from funds in its possession a donation of \$20,000.00 to Messrs. Emilio D'Acosta, Henry L. Cain, W. B. Richardson and John A. Cowan, all residents of the city of Mexico, to be used by said individuals in their discretion for the treatment of crippled children in the country of Mexico;

"Now, Therefore, Be It Resolved, that the action of the Board of Trustees, Shriners Hospitals for Crippled Children be and the same is hereby approved and that the Board is authorized in its discretion to make additional donations for the treatment of crippled children in the Republic of Mexico not to exceed \$20,000.00 per annum."

After full discussion the General Counsel was instructed to redraft the resolution.

Noble SMITH: I will read the whole resolution now as amended. This is the entire resolution:

Whereas, the Board of Trustees during the ensuing year has made or agreed to make from funds in its possession a donation of \$20,000.00 to Messrs. Emilio D'Acosta, Henry L. Cain, W. B. Richardson and John A. Cowan, citizens of Mexico, to be used by said individuals in their discretion for the treatment of crippled children in the Country of Mexico;

Now, Therefore, Be It Resolved, that the action of the Board of Trustees, Shriners Hospitals for Crippled Children, be and the same is hereby approved, and that the Board is authorized in its discretion to make an additional donation of not to exceed \$20,000.00 for the fiscal period ending February 28, 1947, for the treatment of crippled children in the Country of Mexico, and to report back to the Imperial Council its findings.

Noble WOODFIELD: I so move.

Chairman ARVOLD: You have heard the motion, and it has been seconded. Are there any remarks? If not, all those in favor will say "Aye." (Motion carried.)

Noble STRUM: We have a report here.

Chairman ARVOLD: We will listen to the report by Noble Strum.

Noble STRUM: This is a report on the resolution offered by Noble McGilvray a short while ago to amend Section 22 of the Colorado By-Laws so as to provide power in the Board of Trustees to give crippled children convalescent care after the actual active treatment is finished. This amendment that we recommend here is precisely what Noble McGilvray had in his resolution, except that we think it should be placed in another spot in the present Section 22. That section would read better if amended, in this way. (Reading)

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

I.

To the Board of Directors,
Shriners Hospitals for Crippled Children,
a Colorado Corporation:

Your Committee on Jurisprudence and Laws, to whom was referred the resolution proposed by Noble McGilvray to amend Section 22 of the By-Laws of said corporation, recommend that said section be amended to read as follows:

"Sec. 22. The said Board of Trustees is vested with full authority,

in the name of the Corporation, to operate and maintain hospitals in various places within the jurisdiction of the corporation for the treatment of children affected with clubbed feet, curvature of the spine, tubercular spines and joints, infantile paralysis, and such other diseases and deformities as come within the scope and province of orthopedic surgery, and to furnish convalescent care and prevention of deformities in all such cases; provided, however, that said Board of Trustees shall make no commitments which by investment, operation, maintenance or care may cause a total annual outlay greater than assured annual income."

Respectfully submitted,

GROVER C. NOLTE
FONTAINE JOHNSON
LOUIE W. STRUM
MURDOCH L. MARTYN
WILLARD P. LOMBARD

We have inserted the word "care" so that it is included within the restriction against "total annual outlay greater than assured annual income." so that it carries out the spirit of that provision.

Noble POTEAT: I move the adoption of the report and the amendment of the By-Law as therein provided. (Motion seconded)

Chairman ARVOLD: Are there any remarks? If not, all those in favor will say "Aye." (Carried)

Noble JOHNSON: Imperial Sir, Noble Kendrick, President of Shriners Hospitals for Crippled Children, a Colorado Corporation presented a letter from Al Malaikah Temple, dated January 5, 1945, requesting permission to raise funds to build a Hospital in Los Angeles, and we want to make that letter a part of this report, and the Committee on Jurisprudence and Laws, to whom this letter has been referred offers the following resolution: (see page 2)

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

II.

Whereas, Al Malaikah Temple, Los Angeles, California, by a letter dated January 5, 1945, has offered to undertake to raise sufficient funds to build and equip a hospital at Los Angeles, California for the care and treatment of crippled children equivalent at least in size and facilities to the San Francisco Unit now maintained by this corporation, and has requested that, if said Temple is successful in financing and constructing such a hospital, the corporation will furnish the necessary operating funds to maintain the hospital.

And whereas this Board of Directors is of the opinion that Al Malaikah Temple has the facilities and the ability to finance the construction and equipment of such a hospital and thereafter to raise sufficient funds each year to provide a large part of the operating costs of such a hospital;

Now therefore be it resolved, that the Board of Directors of this corporation, Shriners Hospitals for Crippled Children, a Colorado corporation, be and it is hereby authorized in its discretion to take all necessary steps to establish a hospital at Los Angeles, California for the treatment of crippled children in accordance with this resolution, provided Al Malaikah Temple raise sufficient funds to build and equip such a hospital, and provided further that the construction, equipment and operation of such hospital be under the direct control of this corporation, its directors

and officers, and the ownership thereof be entirely in this corporation free of all liens and encumbrances.

GROVER C. NOLTE
FONTAINE JOHNSON
LOUIE W. STRUM
MURDOCH L. MARTYN
WILLARD P. LOMBARD

We recommend the adoption of this resolution. (Seconded)

Chairman ARVOLD: A member of the Board of Directors must offer the motion.

Noble CALHOUN: I make the motion. (Seconded by Noble Woodfield)

Chairman ARVOLD: Are there any remarks in regards to the same?

Noble ROWE: I am sorry to rise again, Imperial Sir, but I feel the same way, whether it is Al Malaikah Temple or any other Temple that asks favorable consideration from us. Al Malaikah is offering to construct and equip a hospital. I am told that they hope in a few years to be able to operate, but in the meantime it is thought that the Colorado Corporation should maintain it. I cannot conceive how we are going to take on any more Hospitals and pay for that maintenance, with the income that we have. I think it is opening the door for a great many other applications. Maybe there will be one or two more to be submitted here at this meeting. I remember a few years ago when I contacted the Imperial Potentate and Imperial Recorder and advised that we had a hospital in the northern part of New York that was fully equipped and they wanted to turn it over, to us, but it was refused because we could not maintain it. I just want to be put on record on the theory that we cannot incur any more expense.

Noble WILSON: Imperial Sir, first of all I want to start with a confession of ignorance. I don't know enough about the operating figures of the Hospitals we now have to know what it will cost us to open another Unit. That is what it amounts to. I bear in mind the situation in the city of Boston where a very wealthy man named White left the money to open White Health Units throughout the city, and the city were most grateful to him until they woke up to the fact that it had six, eight or ten units and they were white elephants, and it cost the city more to maintain them than the city could afford. It may be that we are in position to put in this location another Shrine hospital.

I am somewhat enlightened to hear from Noble Freeland Kendrick that we may or may not make our budget this year for the operation of the Hospitals we already have, and being a lawyer and not a business man I try to be a little cautious and wonder how we are going to operate a new hospital if we are worrying about whether or not we have a budget large enough to operate those we already have.

There is one other item that bothers me more, however. While I believe that this Board of Directors sitting today has all the authority of the Imperial Council I believe that as a matter of ethics on any large or important undertaking which does not involve an emergency we should with great hesitancy proceed, and I cannot think of a more important element than the opening or taking on the obligation of the operation of an entire new hospital unit which might more properly come before the duly elected Representatives from the 159 Temples of North America. In other words, I feel as a matter of policy this Board of Directors, while it has the power, should go very slowly on anything but emergency matters, and that we might be subject to rather severe criticism to expand the entire Hospital movement.

I am more worried about the financial end than I am about the thing Judge Rowe mentioned, and there is that other item. Quite a few of the Temples might well come in here a year from now and say, "If you are going to amplify the Hospital program why didn't you give us a bid and allow us to come in and speak our piece?" That is another reason.

I have listened to this proposal, which I am sure has the highest of merit and the best of intentions, I have listened to it certainly with a great deal of hesitancy and frankly am not able to vote on it favorably without knowing something about the expenses of operating the unit.

Noble LLOYD: Imperial Sir, Members of the Board. I did not come here prepared to talk on this issue. Our Potentate was here and would have been very happy to have been heard, and still is, on this issue. But I think we all recognize the great merit that the San Francisco Unit means to this organization. There is an opportunity, which has been stated here, in Los Angeles where this hospital can become just as great a boon to our organization as the San Francisco Unit. It has also been stated that if it is not acted upon at this time the chance will probably be missed. As was said before, the purse strings will probably be closed. The opportunity is now. The President of the Hospital Board and the Board itself has been very much in favor of this, and they have given their approval. All that can be done now on the program is to raise the money. I think that with the erection of the Hospital in Los Angeles that it will probably be endowed the same as the one at San Francisco. The chances are greatly in its favor. I say that we should take a chance at this time and grant the permission.

Noble POTEAT: Isn't it true that it will probably be a considerable length of time before we will be called on for any money? They are merely asking the right to raise money. They are not given any permission to put up a building yet. It is not a matter of expenditure for this year or the next, or even the year after that; isn't that correct?

Noble WILSON: It may not be an expenditure when the seven fat years are here.

Noble POTEAT: There is no question about putting up money now, because we are not going to be called on for some time.

Noble WOODFIELD: Imperial Potentate, I can very readily understand why the boys from the East, cannot understand the difference in the enthusiasm of the West. When we start something we put it over, see. That looks like a gigantic thing to you. We have got lots of men out there who can go out and put this over. There is a man there (Noble Lloyd) who, if he wanted to head that drive, could go out and do it in a few months, and after that could raise enough dough to endow that hospital.

At the meeting of the Board of Directors—every one of you Nobles voted for this and said, "We will O. K. it when it comes up at the next session of the Imperial Council." We encouraged these people to go ahead and practically assured them at the next meeting of the Imperial Council, which we knew would be ourselves, we would go ahead with the plan. I spoke to the Potentate of Al Malaikah Temple, they raise money every year. They have a big auditorium in Los Angeles. It is very funny that the second largest Temple in the nation should have this come up. I guarantee they will come through. But I said to the Potentate—we brought up the question of what would be the cost to maintain it—maybe 100,000 a year. He is willing to guarantee anything in excess of 100,000. In other words, he is willing to guarantee that if we grant them the power to go ahead, if the maintenance expense is over a hundred thousand that Al Malaikah Temple will meet that. That may be something that has not been stated here, if anybody is afraid of the high maintenance. But I am personally satisfied when they start their fund raising drive, which must be done now when the income tax is a big factor, I am personally satisfied that they will over-subscribe their drive and have plenty of excess probably to maintain this continuously without any aid right from the start. I think they will, without asking a dime of maintenance, and I personally will be glad to go down there and help them to put it through.

Noble POTEAT: What more could you ask?

Noble HAMMERS: As I understand that resolution, we ask for a guarantee of maintenance. The way you talk and think you don't need that guarantee.

Noble JOHNSON: The Imperial Council maintains the hospital after it is built. They say in their letter and we say in our resolution that we believe that they not only have the ability to construct and equip a hospital but thereafter the ability to raise sufficient funds to provide a large part of the operating cost. And in their letter, which is a part of the report of the Committee, they say "In whole or in part the maintenance of the hospital will be raised by funds from Al Malaikah Temple." All this resolution does is to authorize the Board of Directors in its discretion to take the necessary steps, provided they are satisfied with what Al Malaikah does. We are under no obligation at all at this time in this resolution. It gives them permission to go ahead with the purchase and present a completed program with the money raised, and possible endowment or proposed endowment. Then you can accept it or reject it just as you wish. That is all the resolution does. It does not obligate this Imperial Council to do anything except encourages Al Malaikah to proceed and present its plan to the Imperial Council.

Noble MACKENZIE: If the plan is not complete, it stops right there.

Noble CALHOUN: Imperial Sir, I do not want to take any time of this Board, but I do want to say this, that about six or eight weeks ago it was my privilege to be out to Al Malaikah Temple, and they drove me out to the lot on which they propose to build this hospital. It is a beautiful place, on a high eminence, right in the very heart of the city, and frankly I do not think I have ever seen any more enthusiasm on the part of the officers of a Temple than the enthusiasm they exhibited towards the building of this hospital.

They told me then that they did not want to be in the position of definitely guaranteeing to maintain this hospital, but they had every faith that they would be able to do so, and they said they had never failed in similar undertakings of this Temple. I honestly believe that they want to do the big things and from what I saw out there these Nobles really believe in this and I would like to see them have the opportunity to go forward.

Noble WOODFIELD: There is a population in and around Los Angeles of three of four million people. Could it be possible that Los Angeles would fail in this undertaking? They are the second largest Temple in the country. Their reputation is at stake. They will put it over.

Noble WILSON: Is there a resolution previously by the Imperial Council?

Noble WOODFIELD: At our last directors meeting we agreed we would present the matter to the Imperial Council for approval.

Chairman ARVOLD: Let's forget about the personal idea and remember all of us love to see these crippled children's Hospitals grow and become strong, but what about Pittsburgh? I had a conference with the Nobles at Pittsburgh about some cases down there and then when they were talking they said Pittsburgh some day would like to have a crippled children's hospital, and they seemed quite enthused about it.

Noble WOODFIELD: I am for it. Let them have it.

Chairman ARVOLD: I am not agin you, Bill, but I am trying to think of this in terms of America.

Noble HAMMERS: You raised a question about Pittsburgh. We have had for a number of years a piece of ground that cost us about \$700,000. It is costing us money every year in taxes. We don't dare sell it. Our Temple won't let us sell it. It is being held for a hospital. We are not ambitious to have a hospital because we have been taken care of so nicely by Philadelphia.

Noble LLOYD: Imperial Sir, I would just like to make a statement that if every Temple in Shrinedom, 159, would all have hospitals exactly like

the San Francisco Hospital, and be endowed, it would probably be the greatest thing that Shrinedom could do. Los Angeles has got every chance to be in exactly the same position as San Francisco.

Chairman ARVOLD: Are there any other remarks?

Noble MACKENZIE: I am not sure whether we are all speaking on this particular issue. It is not a matter now of building a hospital in Los Angeles. It is a matter whether or not we are willing to gamble with Los Angeles to see whether or not they can raise the funds to meet their obligations as submitted in the record. Now when the time comes and they cannot do it, why then of course there is no hospital. There is every indication from their correspondence and conversation with them that they have every reason to believe they can raise that money to build and equip a hospital, and that they will also be in a position to raise sufficient money to maintain that hospital.

The question is this, if we allow this matter to carry over for another year or two, their opportunity is gone.

Chairman ARVOLD: Any other remarks, members of the Board?

Noble STEUART: Noble Wilson asked a question which I do not think has been answered, as to the expense of maintenance. My computation is about right, it is about \$70,000 a month. That is not the entire cost of operation. That is the amount paid by the Treasurer's office to the individual Hospitals.

Chairman ARVOLD: Are there any other remarks, Nobles? If not, are you ready to vote upon the question?

Noble WOODFIELD: There was a resolution, which has been referred to, that the Board of Directors has gone on record in favor of this.

Chairman ARVOLD: Any other remarks? If not, all those in favor of the resolution as read will respond with the usual sign. Opposed? (One "No.") (Motion carried.)

Have you anything else?

Chairman ARVOLD: Noble Kendrick has a matter to present.

Noble KENDRICK: The three members of the Board of Trustees, to be elected this year are Earl C. Mills, John D. McGilvray and Arthur W. Chapman. Their terms expire at this meeting. I nominate them for re-election for terms of three years, and move that nominations be closed.

Chairman ARVOLD: All those in favor of the election of these three members as suggested please raise their right hand. (Motion carried)

MORNING SESSION

Noble SMITH: In order to bring the Colorado Code in line with the way the Corporation is being operated, it is necessary to amend Section 28 of the Code, which provides that the Finance Committee shall recommend annual appropriations. That duty has been carried out ever since we have had the Corporation by the Board of Trustees. It would be impossible under any circumstances for the Finance Committee to perform those duties. Therefore it is suggested that this part of Section 28 referring to the fact that the Finance Committee shall annually recommend and budget appropriations for the Colorado Corporation be stricken, and I suggest that a motion be made that this be referred to the Committee on Jurisprudence and Laws for the purpose of preparing an appropriate resolution on the matter.

Noble POTEAT: I so move. (Motion seconded.)

Chairman ARVOLD: Any remarks? If not, all those in favor respond with the usual sign. (Carried)

Noble MARTYN: (Reading)

REPORT OF THE COMMITTEE ON JURISPRUDENCE AND LAWS

III.

To the Board of Directors of

Imperial Council A. A. O. N. M. S.:

There has been referred to your Committee on Jurisprudence and Laws a resolution presented to amend Sec. 28 of the Colorado By-Laws by striking out certain sections as being inconsistent with other sections dealing with the operation of the Shriners Hospitals for Crippled Children.

Your Committee has considered the proposed amendment and recommend the adoption of the following amendment:

"That there be struck out of the first paragraph of Section 28 of the By-Laws of the Colorado Corporation 'and it shall annually recommend and report to the Annual Session such appropriations as may be necessary to meet the current expenses for the ensuing year'; and that there be struck out of the same paragraph 'and no appropriation shall be made by the Corporation without reference to and report of such Committee thereon; and further that paragraph 2 of the said Section 28 be struck out so that Section 28 of the Colorado By-Laws shall now read as follows:

'Sec. 28. COMMITTEE ON FINANCE AND ACCOUNTS. It shall be the duty of the Committee on Finance and Accounts to examine the books and vouchers of the Treasurer, Secretary and of such committees, officers and members of the Corporation as may have possession of any funds or property of the Corporation. The Committee may require itemized statements of accounts and shall inquire particularly into the estimates for current expenses.

"Provided, that said Committee shall not be required to examine the books and records of the Board of Trustees, Shriners Hospitals for Crippled Children."

Respectfully submitted,

GROVER C. NOLTE
FONTAINE JOHNSON
LOUIE W. STRUM
MURDOCH L. MARTYN
WILLARD P. LOMBARD

Under the section as it stood it would be impossible for the Committee on Finance and Accounts to recommend and set salaries of some of the officials in the Hospitals. The Trustees are already cloaked with that authority under other sections and we have eliminated the inconsistent part.

Noble WOODFIELD: I so move.

Chairman ARVOLD: Are there any remarks?

Noble BALDWIN: I would like to find out just exactly what this means. As I understand, if I am correct, the Colorado Corporation operates the Hospitals. We are authorizing the Trustees of the Hospitals to furnish us with their budget?

Noble MARTYN: No, they already have that power, and they do operate the Hospitals. But this section had the Committee on Finance and Accounts handle that as well, so you could not have two bodies having that power. In order to make the thing consistent—the Board of Trustees has been operating your Hospitals—the inconsistent parts of this section are stricken out, so that it will make some sense.

Noble BALDWIN: And the Board of Trustees will still submit to the Directors of the Colorado Corporation their budget?

Noble MARTYN: I would think so, yes.

Chairman ARVOLD: Are there any other remarks?

Noble SMITH: So that everybody will understand, it has always been the function of the Board of Trustees to fix and make the budget and appropriate the funds to operate the Hospitals. The Finance Committee could not possibly do it at a meeting like this. It is the work of the Auditor and Noble Jacocks' office. It takes probably from one to two weeks' time. This Committee never has performed that function. It is merely to bring the Code of the Colorado Corporation in line with the way that Corporation is being operated. All that is stricken out are those particular phrases that have to do with appropriations and budget, which is authorized in another paragraph in the same Code as vested in the Board of Trustees. It does not change the Code in so far as the Finance Committee control over these things and their power to audit and check the accounts of the Colorado Corporation.

Noble ROWE: Can the Colorado Corporation, for instance, disapprove any of the items, or are we bound by the budget made up by the Crippled Children's Hospitals' Board?

Noble SMITH: You are bound by the budget made up by the Crippled Children's Board. They appropriate this money. They have that power under another section of the Code and always have had it. It could not be otherwise.

Noble ROWE: Why do you have to have the Colorado Corporation if the Board of Trustees operate and make their budget and spend the money and collect the \$2.00 assessment?

Noble SMITH: The two dollar assessment is collected by the Iowa Corporation.

Chairman ARVOLD: What is the sentiment of the Finance Committee?

Noble RISHWORTH: Well, Imperial Sir, ever since the Colorado Corporation was organized and the By-Laws written, there has been a section in there where the Finance and Accounts Committee was supposed to operate in the same manner as they did in the Iowa Corporation. The working of the two sections was identical, except in the Colorado Corporation it was provided that the Finance and Accounts Committee did not have anything to do with the current expenses of the Hospitals. Of course the Finance and Accounts Committee could not do that. But I know that a number of Representatives always had the idea that the Finance and Accounts Committee had something to do with the setting up of the budget for the Hospitals as we regard salaries and fees covering the administration of the Hospitals. We have never exercised that authority or never asked for it. It has always been inconsistent, and we never functioned.

Noble ROWE: Would you care to function?

Noble SMITH: This resolution is not removing any of the checks and balances you want to preserve; merely takes away duplication. This budget is now being made by the Hospital Board. While they both had authority to do this, the Finance Committee never has functioned in that capacity.

Noble ROWE: Why change it? Nobody has ever raised any objection. There must be some reason.

Noble SMITH: The Finance Committee is raising objection over the confusion.

Noble WILSON: Do I understand the Board of Directors of the Colorado Corporation approve the budget of the Corporation?

Noble SMITH: Yes, sir.

Noble WILSON: Do I understand they do it on the recommendation made by the Trustees rather than the Finance Committee?

Noble SMITH: That is exactly right. The Board of Directors run the Colorado Corporation. They are the same body that run the Iowa Corporation.

Chairman ARVOLD: Are there any other remarks, or does any Noble present wish to express himself? If not, all those in favor of the resolution as presented by the Jurisprudence and Laws Committee, members of the Board of Directors, will vote. Opposed? All right. (Carried.)

Noble Woodfield in the Chair.

Noble SMITH: It is necessary to organize the Colorado Corporation. Certain members of the Board of Directors by reason of their office must be elected to the Hospital Board. I suggest it is now in order to nominate William H. Woodfield, George H. Rowe, Leonard P. Steuart, Alfred G. Arvold and Karl Rex Hammers.

Noble MACKENZIE: I take pleasure in making the motion to elect the members whose names were just read. (Motion seconded.)

Noble WOODFIELD: All those in favor say "Aye." Contrary? Carried.

Noble SMITH: Those are the officers that become members of the Board of Trustees. Now it is necessary to elect the Directors of the Colorado Corporation for the ensuing year. I suggest the names of William H. Woodfield, Jr., George H. Rowe, Karl Rex Hammers, Leonard P. Steuart, Everett W. Jacocks, Galloway Calhoun, Harold Lloyd, Hubert M. Poteat, Roland D. Baldwin, Robert Gardiner Wilson, Jr., Harvey A. Beffa, W. Freeland Kendrick and Alfred G. Arvold.

Noble MACKENZIE: I would so move, Imperial Sir. (Motion seconded.)

Noble WOODFIELD: You have heard the motion. Ready for the question? All those in favor say "Aye." Contrary? Carried.

Noble SMITH: It is necessary to select officers of the Colorado Corporation. We always do that at this meeting. I would suggest the names of William H. Woodfield, Jr., Chairman of the Board; W. Freeland Kendrick, President; Everett W. Jacocks, Secretary; Leonard P. Steuart, Treasurer; George H. Rowe, First Vice-President; Karl Rex Hammers, Second Vice-President; and Galloway Calhoun, Assistant Secretary.

Noble MACKENZIE: I so move. (Seconded by Noble Baldwin.)

Noble WOODFIELD: All those in favor say "Aye." Carried.

AFTERNOON SESSION

Noble WOODFIELD: (In the Chair) The report of the Treasurer, Colorado Corporation.

Noble STEUART: Imperial Sir, I made my report for the Iowa Corporation yesterday morning, and I also made this report to the Hospital Board, so I thought that was sufficient. But I am told this report should be made here to be official. (Reading recapitulation.)

While I am on my feet I would like to state that the Life Membership Fund is now about four and one-half million dollars. (Applause) This report has been audited, and I move it be adopted.

Noble WOODFIELD: All in favor say "Aye." Contrary? So ordered.

Following is the complete report of the Treasurer:

OPERATIONS

The accompanying financial statements represent a consolidation of the accounts of the Shriners Hospitals for Crippled Children (Colorado Corporation), The Shriners' Hospital for Crippled Children (Massachusetts Corporation), Shriners' Hospitals for Crippled Children (Georgia Corporation), and Shriners Hospitals for Crippled Children (Canadian Corporation). Title to the Springfield Unit is held in the name of the Massachusetts Corporation. We are informed that bequests have been made to the Georgia Corporation as beneficiary and it is therefore desirable to keep this corporation in existence. Title to the Montreal Unit is held in the name of the Canadian Corporation. Members of the Board of Trustees of the Colorado Corporation constitute a majority of the Board of Directors of the other corporations.

At a meeting of the Board of Directors of the Colorado Corporation on July 7, 1944, a resolution was passed empowering the proper officers to amend the articles of incorporation so as to change the name thereof from The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America to Shriners Hospitals for Crippled Children. The amendment was duly filed on August 8, 1944, with the Secretary of State of the State of Colorado.

Hospital operating expenses are paid substantially from appropriations received by the individual units from the Board of Trustees, except as to the Philadelphia and San Francisco units, which are self-supporting. A summary of these expenses, by units, as well as the cost per patient day, for the fiscal years ended February 28, 1945, and February 29, 1944, is as follows:

SHRINERS HOSPITALS

From the foregoing summary it is noted that the cost per patient day has increased \$.60, or approximately 14% (St. Louis, Portland, Montreal, and Shreveport Units show an increase of 25% or more). The increased cost results principally from the payment of higher salaries and wages and the lower average daily number of patients. Philadelphia and Springfield Units show a nominal increase in total hospital operating expenses but, due to the increase in the average daily number of patients, are able to show a lower cost per patient day.

A summary of total hospital operating expenses for the years ended February 28, 1945, and February 29, 1944, and comparison is as follows:

Schedule "4" presents the administrative expenses of the Board of Trustees for the years ended February 28, 1945, and February 29, 1944, and comparison. The increase of \$10,664.46 in these expenses during the year under review is accounted for principally by the increase in auditor's fee and traveling expenses (\$2,176), General Counsel's fee and office expenses (\$4,561), and traveling expenses of members of Board of Trustees (\$2,526). The first item and a portion of the second item are offset by an increase in the income account "Contribution from Imperial Council A. A. O. N. M. S. (expenses paid by the Iowa Corporation for the account of the Colorado Corporation)". The balance of the increase in the second item represents the amount paid to the General Counsel for office expenses as authorized

by the Board of Trustees at its meeting on July 2, 1944, effective as of March 1, 1944. The increase in the third item is occasioned principally by the fact that there were three meetings of the Board of Trustees during the fiscal year under review as compared with two such meetings for the preceding year.

The Board of Directors at its meeting on July 6, 1944, authorized a contribution of not more than \$20,000 per annum towards the establishment of an orthopedic ward in the Hospital Infantil in Mexico City. At their January 26, 1945, meeting, the Board of Trustees authorized a contribution of \$10,000, which was paid prior to February 28, 1945.

The excess of income over expenses of the Board of Trustees, amounting to \$177,292.92, has been added to the Replacement Funds in accordance with the resolution passed by the Board of Trustees at its meeting on January 26, 1945.

We are informed that only the cost of rendering orthopedic services to patients unable to pay for such care is chargeable against the assessments levied against the Shrine members. However, in addition to rendering orthopedic services, it is also the policy of the Hospitals to furnish other medical or surgical care in an emergency or as a charity, and to incur other expenses for the education, recreation, and transportation of patients, etc. These expenditures are classified as custodial expenses and are paid from special funds and not from the collections of the assessment levied against Shrine members by the Imperial Council A. A. O. N. M. S. The details of these custodial expenses are shown, by units, in the accompanying Exhibit "D". In addition, hospital operating expenses in excess of the appropriations from the Board of Trustees are also charged against the special and special purpose funds. The amount so charged during the fiscal year ended February 28, 1945, amounted to \$368,180.24, as compared with \$343,953.57 for the preceding fiscal year, as mentioned hereinbefore.

During the year under review, \$47,601.47 was appropriated from special funds and \$1,934.49 from special purpose funds for investment in plant. The transfers of the funds are shown in Exhibits "D" and "F".

Under the terms of the Henry J. Elliott bequest to the Montreal Unit, a portion of the income from the fund is to be expended for pathological research. During the fiscal year under review the income from the fund amounted to \$12,200.89, of which \$6,000 is shown in the accompanying Exhibit "D" as having been expended in connection with a research project undertaken by the Montreal Unit.

There were net increases of \$33,925.77 in special funds and \$32,640.18 in special purpose funds during the year ended February 28, 1945. In the preceding year the net increases were \$134,587.52 and \$4,578.30, respectively.

Pursuant to Section 92, Article XI of the By-laws of The Imperial Council A. A. O. N. M. S., every Temple shall remit 50% of its per capita assessment with its annual return to the Imperial Recorder, but not later than March 1 of the year in which due, 35% shall be remitted on or before June 1, and the remaining 15% on or before October 1. Eight Temples were delinquent as of February 28, 1945, but, during the period from March 1 to May 28, 1945, three of these Temples have paid their per capita assessment in full, while the remaining five Temples have paid the required minimum of 50%.

Total		<u>\$7,165.85</u>

We have examined certified copies of wills of the foregoing estates, except Samuel Bowler, in order to determine that the Hospitals have been named as beneficiary under the wills but it was not possible to determine the value of such interest. With respect to the Samuel Bowler item, the amount of \$77.52 (payment authorized by the Board of Trustees), represents the last premium payable under a twenty-year endowment at 65 policy issued by the New York Life Insurance Company in the name of Samuel Bowler, with the Hospitals named as beneficiary. The last information available regarding the whereabouts of the insured indicated that he was being held as a prisoner of war by Japan.

SPECIAL, SPECIAL PURPOSE AND ENDOWMENT FUNDS INVESTMENTS

The accompanying Schedule "3" shows in detail, and by units, the various investments of Special, Special Purpose, and Endowment Funds as of February 28, 1945, and the custodians thereof. The book values of these investments are as shown by the records of the respective units.

SECURITIES—The bonds, stocks, etc., were verified by examination of the securities or by certifications obtained from the trustees or other custodians thereof.

The value of bonds, stocks, etc., based on market quotations at February 28, 1945, (where available) and redemption values for United States Savings bonds as shown by the Treasury's table thereof, is \$13,712,861.85, which compares with an aggregate book value of \$13,198,613.89 for the related securities.

REAL ESTATE MORTGAGES—Documentary evidence of mortgage loans was examined or verified by certifications obtained from the custodians thereof. We did not, however, request confirmation of the balances receivable from the mortgagors.

REAL ESTATE—We did not examine the deeds to the real estate investments. Substantially all of the real estate is held by banking institutions, as trustees, and was reported by them in their certified lists of securities, mortgages, etc., held for the account of the Hospitals at February 28, 1945.

It was noted that the Hospitals do not provide for depreciation of investment real estate. This omission results in an over-statement of income and at the same time a dissipation of principal.

INVESTED IN PLANT—\$6,408,121.19

We did not verify the balances in the property or related fund accounts as of March 1, 1944, nor did we examine the deeds to the real estate.

The increase of \$49,599.64 in the plant investment accounts for the fiscal year under review is shown, by units, in the accompanying Exhibit "F".

The building improvements costs at Salt Lake City, amounting to \$1,683.45, were written off inasmuch as the unit merely leases space in St. Mark's Hospital and no reason for the inclusion of such expenditures under plant funds could be substantiated at the unit.

Excepting the foregoing item, there were no recorded retirements of Hospitals plant property during the year ended February 28, 1945. We understand that it is the practice of the Hospitals not to make adjustments of the property or related fund accounts with respect to miscellaneous equipment that is sold, demolished, or otherwise retired from service. Replacements of old equipment are charged to expense and usually are not capitalized. In conformity with generally accepted principles of accounting for eleemosynary institutions the Hospitals do not provide for depreciation of plant property.

ASSESSMENTS ACCRUED IN ADVANCE—\$658,090.00

Each Temple shall collect \$2 per capita annually from each of its members (excluding life members who have paid \$60) to be paid in advance for the Shriners Hospitals for Crippled Children. The membership on which this per capita assessment is based is the membership of the Temple at the end of the calendar year as reported to the Imperial Recorder, less credits occasioned by deaths and suspensions.

The amount of \$658,090.00 represents the per capita assessment determined in the foregoing manner and applicable to the fiscal year beginning March 1, 1945. Of this amount, \$142,614.90 has not been collected from the Temples at February 28, 1945, as shown in the accompanying Schedule "2".

PRINCIPAL OF ENDOWMENT FUNDS—\$13,914,935.67

We did not verify the balances in the general and permanent endowment funds as of March 1, 1944.

The transactions affecting the principal of endowment funds during the year ended February 28, 1945, are summarized in the accompanying Exhibit "E".

The distinction between General Endowment Funds and Permanent Endowment Funds is as follows:

GENERAL ENDOWMENT FUNDS—Both principal and income is expendable; additions to principal being by voluntary action of the Board of Trustees.

PERMANENT ENDOWMENT FUNDS—Only the income is expendable; additions to principal being gifts and bequests received from donors or testators who have stipulated that the principal be kept intact.

GENERAL

HONOLULU—The accounts of the Honolulu unit were not examined by us but are included herein based upon the monthly reports submitted by the unit to the Secretary of the Board of Trustees. Endowment Funds cash and investments, which are not shown on the monthly reports, were verified

by certifications received from the depository and trust companies. A part of the unit's revolving fund, advanced by the Board of Trustees, is invested in \$3,000 United States Treasury, 3% bonds, due 1955-51. The bonds are in the custody of the Secretary of the Board of Trustees and were examined by us.

CANADIAN CURRENCY—The Canadian dollar is equivalent to approximately ninety cents in United States currency. However, in the preparation of the accompanying statements the funds of the Treasurer on deposit in the Winnipeg branch of the Bank of Montreal and the assets, liabilities, income, and expenses of the Montreal and Winnipeg units are included therein on a dollar-for-dollar basis. All collections from subordinate Canadian Temples, both for the account of the Hospitals and for The Imperial Council, are deposited by the Treasurer directly in his Canadian bank account at Winnipeg in the name of the Hospitals, the Council being given credit in the accounts of the Treasurer for its portion. The Canadian funds are drawn upon for the amount of the appropriations by the Board of Trustees to help defray the cost of operating the hospitals at Montreal and Winnipeg; hence, there is no conversion of funds. The appropriations have to date always exceeded the collections. Subscriptions to the Life Membership Fund collected in Canadian currency are now being deposited with the Montreal Trust Company, Trustee, for investment in Canadian government bonds. In view of the foregoing practices there appears to be no reason to convert Canadian funds into United States dollars.

CASH BASIS—Excepting the items of hospital assessments due from subordinate Temples, advances to be repaid from legacies and assessments accrued in advance, it is generally the consistent accounting practice of the Hospitals not to record income from investments, contributions, bequests, etc., until collected, nor to record expenditures for services, supplies, etc., until paid. Inventories of supplies, unexpired insurance premiums, etc., have not been included in the accompanying statements.

UNRECORDED FUNDS—The Hospitals are residuary legatee under the will of Josephine N. Whittemore. The residue of the estate consists of certain properties. The rental income and proceeds from the sales of these properties are being deposited in the State Bank of Huntley in the name of the Shriners Hospitals for Crippled Children, E. E. Mills, Agent. We are informed that effectively the Hospitals are acting as executor for these properties in lieu of The Northern Trust Company and that the funds of the estate are being kept separate until it has been determined that there will be no claims or contesting of the estate. In view of the foregoing facts, the estate has not been recorded on the Hospitals' records nor included in the accompanying statements.

In connection with our examination of the records of the Portland Unit there was disclosed an unrecorded fund known as the Wells, Adams and Hofmann Trustees Fund. The receipts and disbursements of this fund are not reflected in the accompanying statements except to the extent of cash actually received by the unit or paid to others for the benefit of the unit. The amount of \$14,957.48 was expended from the fund for the benefit of the

unit which amount is reflected in the accompanying statements. The balance of \$99,625.49 in this fund at February 28, 1945, however, has not been included.

It was also noted that at several units there were special funds (Christmas, brace, etc.) of nominal amounts at February 28, 1945, which were not recorded on the books of the unit. It is recommended that instructions be issued to the effect that all funds belonging to the Hospitals be recorded on the books so as to be accounted for and also to reflect the actual cost of operating the unit.

RECOMMENDATIONS—A separate report is being rendered relative to suggested improvements in the accounting systems and records of the Hospitals.

It was noted that the Investment Committee at its meeting of August 11, 1944, recommended that a record of all of the Hospitals' investments and insurance, together with a copy of each insurance policy, be maintained in the office of the Secretary of the Board of Trustees. The foregoing recommendations of the Committee have not been placed in effect to date.

Yours truly,

HASKINS & SELLS.

ACCOUNTANTS' CERTIFICATE

SHRINERS HOSPITALS FOR CRIPPLED CHILDREN:

We have examined the consolidated balance sheet of Shriners Hospitals for Crippled Children as of February 28, 1945, and the related statements of consolidated current general funds income and surplus, special and special purpose funds, and statements of principal of funds for the year ended that date (Exhibits "A" to "F", inclusive); and, as to the units other than the Honolulu Unit, have reviewed the accounting procedures of the Hospitals, and have examined their accounting records and other evidence in support of such financial statements. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all auditing procedures we considered necessary, except that we did not verify the book values at which the general and permanent endowment and plant funds accounts were carried as of March 1, 1944, which is the beginning of the year covered by this report. As to the Honolulu Unit, we have verified the revolving funds securities and the special and endowment funds assets, but the other accounts of this unit are included in the accompanying statements based upon monthly reports received from the Unit.

In our opinion, except for the foregoing qualification relating to the extent of our verification of the general and permanent endowment and plant funds accounts as of March 1, 1944, and based upon the monthly reports rendered by the Honolulu Unit, the accompanying consolidated balance sheet and statements of consolidated current general funds income

and surplus, special and special purpose funds, and statements of principal of funds (Exhibits "A" to "F", inclusive), fairly present the financial condition of the Hospitals at February 28, 1945, and the results of their operations for the year ended that date, in conformity with generally accepted accounting principles and practices for eleemosynary institutions applied on a basis consistent with that of the preceding year.

HASKINS & SELLS.

NOTES:

- A. The foregoing balance sheet represents a consolidation of the Shriners Hospitals for Crippled Children (Colorado corporation), The Shriners' Hospital for Crippled Children (Massachusetts corporation), Shriners' Hospitals for Crippled Children (Georgia corporation), and Shriners' Hospitals for Crippled Children (Canadian corporation). On July 7, 1944, the Directors of the Colorado corporation approved changing the name of the corporation from The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America to Shriners Hospitals for Crippled Children. The amendment to the articles of incorporation was duly filed on August 8, 1944, with the Secretary of State of the State of Colorado.
- B. The units do not follow a consistent policy with respect to (1) valuation of property (stocks, bonds, real estate, equipment, etc.) received as gifts or bequests, (2) amortization of bond premiums, (3) treatment of profit and loss on sale of securities, and related transactions. In the preparation of the accompanying balance sheet the various assets (and related fund accounts) have been consolidated on the basis of the book values as shown by the records of the respective units.
- C. The figures for February 29, 1944, are presented, for the purpose of comparison, as shown by the previous report of another accountant.
